Endangering Innocents:

The Life and Death of Ryan White Paul M. Renfro, 2024-10-22 In the 1980s as HIV AIDS ravaged queer communities and communities of color in the United States and beyond a straight white teenager named Ryan White emerged as the face of the epidemic Diagnosed with hemophilia at birth Ryan contracted HIV through contaminated blood products In 1985 he became a household name after he was barred from attending his Indiana middle school As Ryan appeared on nightly news broadcasts and graced the covers of popular magazines he was embraced by music icons and well known athletes achieving a curious kind of stardom Analyzing his struggle and celebrity Paul M Renfro s powerful biography grapples with the contested meanings of Ryan s life death and afterlives As Renfro argues Ryan s fight to attend school forced the American public to reckon with prevailing misconceptions about the AIDS epidemic Yet his story also reinforced the hierarchies at the heart of the AIDS crisis Because the innocent Ryan had contracted HIV through no fault of his own as many put it his story was sometimes used to blame presumably guilty populations for spreading the virus Reexamining Ryan s story through this lens Renfro reveals how the consequences of this stigma continue to pervade policy and cultural understandings of HIV AIDS today

Inspector Joanna Piercy's joy at her close colleague Detective Sergeant Mike Korpanski's return to work is short lived. Elderly Joseph Holden has been taken hostage in his secluded mansion overlooking Rudyard Lake by an armed intruder. And the hostage taker insists he will only speak to her. With just a four day hostage negotiation course under her belt, Joanna is feeling the heat. How does the hostage taker know her name? What does he want? As the questions multiply and Rudyard Lake is sealed off by an armed response unit, Joanna is about to discover that the roots of this shocking event lie deeply buried in a terrible crime, a crime that happened far away and many years ago. Set in the beautiful Staffordshire countryside featuring a compelling heroine and a stunning final revelation, this page turning mystery is perfect for fans of Elly Griffiths, L J Ross, Ruth Rendell and Jane A Adams.

Crooked Streets Priscilla Masters, 2017-02-01 Detective Inspector Joanna Piercy investigates the disappearance of a young husband and discovers all is not as it seems. Jadon Glover is good looking, professional, reliable and a perfect husband according to his wife. So when he fails to return home one miserable March night, she rings the police, certain that something has happened to him. DI Joanna Piercy and DS Mike Korpanski are sceptical; there is no such thing as a perfect marriage. So what is the truth about Jadon? As the investigation proceeds, it soon becomes apparent that Jadon Glover has been keeping dark secrets from his wife. And as the police pursue their house to house enquiries through the claustrophobic, jumbled streets of cramped Victorian terraces, they unearth other secrets from behind the net curtains. But whatever else has been going on among the inhabitants' quiet, desperate lives, it's clear that at least one of them knows what really happened to Jadon.

An Imperfect Truth Priscilla Masters, 2023-10-03 Dr Claire Roget's patient may have told her last lie, but can the truth about her death be uncovered? Poppy Kelloway was a liar. Forensic psychiatrist Claire Roget's patient made up facts that damaged other families, destroyed relationships and even resulted in an untimely death. Poppy left a trail of human misery in her wake, but when she's found murdered in her home by her two teenage sons, the savage nature of the attack is still shocking, as is the discovery of a torn appointment card for her next meeting with Claire. Could there be a connection between the murderer and the clinic, and is Claire herself in danger? Claire and Detective Sergeant Zed Willard must navigate dangerous minds and deadly lies in their quest to get to the chilling truth.

Guilty Waters Priscilla Masters, 2015-03-01 The disappearance of two French girls in a Staffordshire beauty spot signals a tough new case for Detective Joanna Piercy. Cécile Bellange is a worried mother. Her eighteen year old daughter, Annabelle, and her friend, Dorothée, left Paris for a summer hitchhiking holiday in England, but it's now September and the only contact from them is a postcard sent from the picturesque setting of Rudyard Lake in Staffordshire three months ago. Meanwhile in England, brothers Martin and James Stuart find a note from two French girls inviting the finder to meet them at Rudyard Lake. Their enquiries lead them to Mandalay, an upmarket guesthouse where the girls stayed just before their disappearance, and its owner, the creepy peeping tom Mr Barker. Arriving in England, Cécile Bellange meets Detective Joanna Piercy, who is looking into the girls' disappearance. Soon Joanna must answer two important questions: what is the anxious Mr Barker trying so desperately to

War and the Politics of Ethics Maja Zehfuss, 2018-02-02 Contemporary Western war is represented as enacting the West's ability and responsibility to help make the world a better place for others in particular to protect them from oppression and serious human rights abuses That is war has become permissible again indeed even required as ethical war At the same time however Western war kills and destroys This creates a paradox Western war risks killing those it proposes to protect This book examines how we have responded to this dilemma and challenges the vision of ethical war itself exploring how the commitment to ethics shapes the practice of war and indeed how practices come in turn to shape what is considered ethical in war The book closely examines particular practices of warfare such as targeting the use of cultural knowledge and ethics training for soldiers What emerges is that instead of constraining violence the commitment to ethics enables and enhances it The book argues that the production of ethical war relies on an impossible but obscured separation between ethics and politics that is the problematic politics of ethics and reflects on the need to make decisions at the limit of ethics Bridge of Sighs Priscilla Masters, 2019-02-01 Two violent suicides leave Coroner Martha Gunn with some disturbing questions to answer but the most difficult one of all lies closer to home Gina Marconi was a beautiful young barrister with everything to live for a loving fiancé a young son and a successful career So why did she leave her home in the middle of the night and drive her car into a stone wall Soon afterwards Patrick Elson a clever twelve year old schoolboy jumps off a bridge on to the A5
