Ending In Marriage

Susan Carlson

Ending In Marriage:

Ending Marriage, Keeping Faith J. Randall Nichols, 2002-01-08 One of the very few books that speaks knowledgeably and compassionately about both spiritual and psychological aspects of divorce *Ending Marriage Keeping Faith* is an invitation to experience even the pain and confusion of divorce as a spiritual journey rather than an absolute ending Thousands of readers have said that this book was the one thing they read that gave them both understanding and hope in the dark hours of their divorce experience Dr Nichols challenges much of the conventional wisdom about divorce both religious and psychological building the case that divorce can be a growth pilgrimage with a fundamental spiritual direction reassuring landmarks companionship along the way and finally a safe ending J Randall Nichols book is one of the fruits of his own painful but re creative divorce experience and he has written it to provide the kind of hope insight and guidance he could not find elsewhere to others like himself

Ending in Marriage [local]. Debbie Macomber, 2003 **Conscious Divorce** Susan Allison, 2001 Each year millions of Americans get divorced while there are hundreds of books on relationships there are far fewer on divorce CONSCIOUS DIVORCE is the first book to take a healing approach to divorce to view it as a life transition rather than a life trauma

Marriage, Sexuality, and Gender Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants

Happy Endings in Hollywood Cinema James MacDowell, 2013-07-22 Hollywood happy ending has long been considered among the most famous and standardised features in the whole of narrative filmmaking Yet while ceaselessly invoked this notorious device has received barely any detailed attention from the field of film studies This book is thus the first in depth examination of one of the most overused and under analysed concepts in discussions of popular cinema What exactly is the happy ending Is it simply a cliché as commonly supposed Why has it earned such an unenviable reputation What does it or can it mean Concentrating especially on conclusions featuring an ultimate romantic union the final couple this wide ranging investigation probes traditional associations between the happy ending and homogeneity closure unrealism and ideological conservatism testing widespread assumptions against the evidence offered by a range of classical and contemporary films

Sudden Endings Madeline Bennett, 1991 Interviews with twenty five women whose husbands left them suddenly The author finds that the pattern for

this was clear as well as bizarre **The SAGE Encyclopedia of Marriage, Family, and Couples Counseling** Jon Carlson, Shannon B. Dermer, 2016-09-15 The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader s Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey Women and Comedy Susan Carlson, 2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy Women and Comedy shows how a genre that has been used historically to restrict women s behavior is being reconfigured to express women s triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women s plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women s theater collectives

Women and Comedy is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts

Law and Justice around the World Mikaila Mariel Lemonik Arthur,2020-02-25 Law and Justice around the World is designed to introduce students to comparative law and justice including cross national variations in legal and justice systems as well as global and international justice The book draws students into critical discussions of justice around the world today by taking a broad perspective on law and justice rather than limiting its focus to criminal justice systems examining topics of global concern including governance elections environmental regulations migration and refugee status family law and others focusing on a diverse set of global examples from Europe North America East Asia and especially the global south and comparing the United States law and justice system to these other nations continuing to cover core topics such as crime law enforcement criminal courts and punishment including chapter goals to define learning outcomes sharing case studies to help students apply concepts to real life issues Instructor resources include discussion questions suggested readings films and web resources a test bank and chapter by chapter PowerPoint slides with full color maps and graphics By widening the comparative lens to include nations that are often completely ignored in research and teaching the book paints a more realistic portrait of the different ways in which countries define and pursue justice in a globalized interconnected world

Literature ,1899 **Fifty Years of the Divorce Reform Act 1969** Joanna Miles,Daniel Monk,Rebecca Probert,2022-02-24 The enactment of the Divorce Reform Act 1969 was a landmark moment in family law Coming into force in 1971 it had a significant impact on legal practice and was followed by a dramatic increase in divorce rates reflecting changes in social attitudes This new interdisciplinary collection explores the background to the 1969 Act and its influence on law and society Bringing together scholars from law sociology history demography and film and literature it reflects on the changes to divorce law and practice over the past 50 years and the changing impact of divorce on different people in society particularly women As such it offers a biography of this important piece of legislation moving from its conception and birth through its reception and development to its imminent demise Looking to the future and to the new law

introduced by the Divorce Dissolution and Separation Act 2020 this collection suggests ways for evaluating what makes a good divorce law This brilliant collection gives insight not only into this crucial piece of legislation but also into a key period of societal change **Democracy Where and Where Not , The Family in Late Antiquity** Geoffrey Nathan,2002-01-08 The Family in Late Antiquity offers a challenging well argued and coherent study of the family in the late Roman world and the influence of the emerging Christian religion on its structure and value Before the Roman Empire s political disintegration in the west enormous political religious and cultural changes took place in the period of late antiquity This book is the first comprehensive study of the family in the later Roman Empire from approximately 300 AD to 550 AD Geoffrey Nathan analyses the classical Roman family as well as early Christian notions of this most basic unit of social organisation Using these models as a contextual backdrop he then explores marriage children domestic servitude and other familial institutions in late antiquity He brings together a diverse collection of sources transcending traditional studies that have centred on the legal record *Happiness and the Good Life* Mike W. Martin,2012-03 Philosopher Mike W Martin here examines the meaning of happiness by connecting it to the philosophical notion of the good life **Coming Apart** Daphne Rose Kingma,1987 COMING APART unveils the deeper meanings of why we get involved in relationships why we choose the partners we do and why relationships end The book includes a comforting step by step guide to the emotional process of parting as well as a series of exercises designed to help you work through the ending of a relationship **The Rights of Women** Lenora M. Lapidus,Emily J. Martin,Namita Luthra,2009-04-01 The Rights of Women is a comprehensive guide that explains in detail the rights of women under present U S law and how these laws can be used in the continuing struggle to achieve full gender equality at home in the workplace at school and in society at large The Rights of Women explores the concept of equal protection and covers topics including employment education housing and public accommodations This handbook also examines the specific issues of trafficking violence against women welfare reform and reproductive freedom Using a straightforward question and answer format while translating the law into accessible language this volume is a tool for individuals lawyers and advocates seeking to assert women s rights under the law Now in its fully revised and updated fourth edition The Rights of Women is an invaluable guide to finding legal solutions to the most pressing issues facing women today **Transactions of the St. Paul's Ecclesiological Society** ,1895 Cooperation and Prosocial Behaviour Robert A. Hinde,Jo Groebel,1991-11-21 This book discusses the nature of cooperation altruism and prosocial behaviour and the factors that make their occurrence more likely **Annual report of the Department of Health of the State of New Jersey. 1886-87** ,1887
