Euthanasia and Assisted Suicide Michael J. Cholbi, 2017-01-26 This book addresses key historical scientific legal and philosophical issues surrounding euthanasia and assisted suicide in the United States as well as in other countries and cultures Euthanasia was practiced by Greek physicians as early as 500 BC In the 20th century legal and ethical controversies surrounding assisted dying exploded Many religions and medical organizations led the way in opposition citing the incompatibility of assisted dying with various religious traditions and with the obligations of medical personnel toward their patients Today these practices remain highly controversial both in the United States and around the world Comprising contributions from an international group of experts this book thoroughly investigates euthanasia and assisted suicide from an interdisciplinary and global perspective It presents the ethical arguments for and against assisted dying highlights how assisted dying is perceived in various cultural and philosophical traditions for example South and East Asian cultures Latin American perspectives and religions including Islam and Christianity and considers how assisted dying

has both shaped and been shaped by the emergence of professionalized bioethics Readers will also learn about the most controversial issues related to assisted dying such as pediatric euthanasia assisted dying for organ transplantation and suicide tourism and examine concerns relating to assisted dying for racial minorities children and the disabled *Doing Dignity* Christa Teston,2024-06-11 Explores human dignity and care in the face of disease and disability Complex contemporary experiences with disease death and disability in the United States have made the concept of human dignity seem outdated In *Doing Dignity Ethical Praxis and the Politics of Care* Christa Teston challenges conventional notions of dignity and based on analyses of clinical observations interviews and focus groups encourages a new understanding of care This thought provoking book presents a practice based approach to human dignity through three compelling case studies US health care professionals COVID 19 caretaking experiences legislative debates about medical aid in dying and clinical interactions between wheelchair users and health care professionals Teston demonstrates how dignity is not an abstract idea but rather is a set of practices embedded in the politics and complexities of care Drawing from feminist care ethics rhetorical theory disability studies and critical Black studies *Doing Dignity* offers a fresh perspective on the moral underpinnings of modern day medicine Teston explores how health care professionals enact dignity despite the challenges of market based medicine the commodification of care and shifting societal discourse on disease dying and disability This book transcends philosophical debates and provides practical insights for both patients and practitioners Without falling into sentimentality or hopelessness *Doing Dignity* honors human vulnerability while revealing how situational factors influence the practice of dignified care **Defining Death** Robert M. Veatch,Lainie F. Ross,2016-11-03 New technologies and medical treatments have complicated questions such as how to determine the moment when someone has died The result is a failure to establish consensus on the definition of death and the criteria by which the moment of death is determined This creates confusion and disagreement not only among medical legal and insurance professionals but also within families faced with difficult decisions concerning their loved ones Distinguished bioethicists Robert M Veatch and Lainie F Ross argue that the definition of death is not a scientific question but a social one rooted in religious philosophical and social beliefs Drawing on history and recent court cases the authors detail three potential definitions of death the whole brain concept the circulatory or somatic concept and the higher brain concept Because no one definition of death commands majority support it creates a major public policy problem The authors cede that society needs a default definition to proceed in certain cases like those involving organ transplantation But they also argue the decision making process must give individuals the space to choose among plausible definitions of death according to personal beliefs Taken in part from the authors latest edition of their groundbreaking work on transplantation ethics *Defining Death* is an indispensable guide for professionals in medicine law insurance public policy theology and philosophy as well as lay people trying to decide when they want to be treated as dead *Philosophy of Law, Theories, Examples and Human Rights* Charalampos Stamelos,2024-08-13 The book *Philosophy of Law* presents relevant

theories puts emphasis on the analysis of the branches of law and of basic human rights and proposes the holistic analysis of law In the first part the author analyses the main elements of each theory natural law legal positivism legal realism legal formalism legal liberalism economic analysis of law critical legal studies The main philosophers of law or supporters of each theory are discussed In the second part of the book human rights and jurisprudence are analysed in the context of public law criminal law e g death penalty private law and international law The holistic analysis of law is proposed as a theory to address modern problems such as poverty climate change the pandemic and other global issues The book is designed primarily for law students teachers and supervisors

Assisted Suicide: The Liberal, Humanist Case Against

Legalization K. Yuill, 2013-03-05 This book presents an atheistic case against the legalization of assisted suicide Critical of both sides of the argument it questions the assumptions behind the discussion Yuill shows that our attitudes towards suicide not euthanasia are most important to our attitudes towards assisted suicide

Death Rites and Rights Belinda

Brooks-Gordon, Fatemeh Ebtehaj, Jonathan Herring, Martin Johnson M.A., PhD., F.R.C.O.G., Martin Richards, 2007-11-12 Death has diverse religious social legal and medical aspects and is one of the main areas in which medicine and the law intersect In this volume we ask What is the meaning of death in contemporary Britain and in other cultures and how has it changed over time The essays in this collection tackle the diverse ways in which death is now experienced in modern society in the process answering a wide variety of questions How is death defined by law Do the dead have legal rights What is one allowed to have and not have done to one's body after death What are the rights of next of kin in this respect What compensation exists for death and how is death valued What is happening to the law on euthanasia and suicide Is there a human right to die What is the principle of sanctity of life What of criminal offences against the dead How are the traditions of death still played out in religion How have customs and traditions of the disposal of bodies and funerals changed What happens to donated bodies in the biomedical setting where anatomical education is permitted What processes are employed by police when investigating suspicious deaths What of representations of death These and other questions are the subject of this challenging and diverse set of essays

Is God Still at the Bedside? Abigail Rian Evans, 2011 Is God Still at the Bedside by Abigail Rian Evans offers an expert interdisciplinary Christian perspective on the complex web of issues surrounding death and dying Evans here combines first person stories and interviews with research gathered from the medical theological legal ethical and pastoral disciplines Her comprehensive insightful work will not only benefit families struggling with difficult end of life decisions but also inform the doctors nurses and pastors who serve them Publisher

Euthanasia Jennifer Fecio

McDougall, Martha Gorman, 2007-11-20 This timely work is a balanced overview of end of life issues related to euthanasia and assisted suicide Except for the Oregon Death with Dignity Act there are no U S laws that allow physicians to assist patients in hastening death Many who support physician assisted suicide ask Why not After all the Netherlands permits both euthanasia and physician assisted suicide and polls suggest that many Americans want that choice available to them Euthanasia A

Reference Handbook Second Edition explores that question through a balanced thoughtful discussion of the legal medical and spiritual components of end of life questions What are the potential pitfalls of legalizing assisted suicide How can the expenses of a lingering death impact an uninsured family How would physician assisted suicide impact healthcare costs Through its objective exploration of these issues as well as its historical and international perspective this volume helps readers answer the difficult questions related to the end of life

Philosophy and Political Engagement Allyn Fives, Keith Breen, 2016-04-30 Do philosophers have a responsibility to their society that is distinct from their responsibility to it as citizens This edited volume explores both what type of contribution philosophy can make and what type of reasoning is appropriate when addressing public matters now These questions are posed by leading international scholars working in the fields of moral and political philosophy Each contribution also investigates the central issue of how to combine critical rational analysis with a commitment to politically relevant public engagement The contributions to this volume analyse issues raised in practical ethics including abortion embryology and assisted suicide They consider the role of ethical commitment in the philosophical analysis of contemporary political issues and engage with matters of public policy such as poverty the arts meaningful work as well as the evidence base for policy

They also examine the normative legitimacy of power including the use of violence Contemporary Moral Issues Lawrence M. Hinman, 2016-07-01 Contemporary Moral Issues is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer's Eating Animals Eva Feder Kittay's On the Ethics of Selective Abortion for Disability and Susan M Wolf's Confronting Assisted Suicide and Euthanasia My Father's Death Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions Suicide Century Andrew Bennett, 2017-10-05 Suicide Century investigates suicide as an increasingly normalised but still deeply traumatic and profoundly baffling act in twentieth century writing

Suicide Michael Cholbi, 2011-08-26 Suicide was selected as a Choice Outstanding Academic Title for 2012 Suicide The Philosophical Dimensions is a provocative and comprehensive investigation of the main philosophical issues surrounding suicide Readers will encounter seminal arguments concerning the nature of suicide and its moral permissibility the duty to die the rationality of suicide and the ethics of suicide intervention Intended both for students and for seasoned scholars this book sheds much needed philosophical light on one of the most puzzling and enigmatic human behaviors **Suicide and the Law** Elizabeth Wicks, 2023-02-23 This book investigates the law's approach to suicide in England and Wales It explores the seismic shift in perceptions of the law's role in respect of suicide from imprisonment as a punishment for attempting suicide to courts hearing arguments about whether there is not only a right to suicide but also a right to assistance in suicide This development stands alongside a global recognition of suicide prevention as a public health priority In this book the dual priorities of respect for autonomy and the protection of human life are recognised as equally important and the legal issues surrounding suicide in a range of different contemporary contexts including suicide in prison and juvenile suicide are considered The book also investigates what the relationship between mental health and suicide means for its legal regulation and evaluates the enduring legal offence of assisted suicide particularly in the context of the terminally ill It is argued that a more refined approach to the topic of voluntary death should be recognised in the law one that distinguishes more clearly between autonomous decision making about the end of life and incapacitated self caused risks to life that require effective preventative interventions **Political Agape** Timothy P. Jackson, 2015-04-29 What is the place of Christian love in a pluralistic society dedicated to liberty and justice for all What would it mean to take both Jesus Christ and Abraham Lincoln seriously and attempt to translate love of God and neighbor into every quarter of life including law and politics Timothy Jackson addresses such questions in Political Agape Prophetic Christianity and Liberal Democracy Jackson argues that love of God and neighbor is the perilously neglected civil virtue of our time and that it must be considered even before justice in structuring political principles and policies To indicate the specific implications of civic agapism he looks at such issues as

the death penalty Christian complicity in the Holocaust the case for same sex marriage and the morality of adoption The book concludes with Jackson s reflections on Martin Luther King Jr as a Christian hero

Ending Life Ethics And The Way We Die: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Ending Life Ethics And The Way We Die : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ending Life Ethics And The Way We Die : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
