One Body, One Spirit George Yancey, 2009-09-20 When the church began an amazing diversity of people from different geographic cultural and linguistic backgrounds gathered together to confess a common faith in Jesus Christ The apostle Paul cast a vision of one body where Jew and Gentile would worship together in unity The Revelation to John likewise foreshadows an eternal future where all nations will join together at the throne of the Lamb Sadly Christianity has not often lived up to this ideal The history of the church has been marked by continued segregation ethnic strife and racial division But at the dawn of a new millennium hopeful signs of change are emerging As society diversifies local churches find themselves interacting with people from every tribe and tongue But not every church is equipped to handle the realities of ethnic and
