Wounded Wisdom Ross Thompson,2011-09-30 Most of us have lived through painful humiliating or traumatic experiences leaving us haunted and conditioned by reactions that trap us in ongoing cycles of feeling hurt and hurting others And on the wider political scale we have obviously yet to learn the art of responding well to the hurts of

terrorism exploitation or more local conflicts of interest Either we resort to reciprocal violence or claim too readily the status of innocent victim The book begins by looking at three predominant negative responses It then draws on a variety of traditions from the author s own Buddhist Christian perspective exploring how deep meditation can help take us beyond the negative narratives of hurt The author finds ambivalent but broadly positive images in childhood innocence and the tragicomic fool and urges the importance of a radical and unconditional forgiveness of self and others that is grounded in both Buddhist Emptiness and the risen Christ By these means the habit of accusation that so easily dominates self and society can give way to humour and mutual wonder Coaching for Performance Fifth Edition Sir John

Whitmore, Performance Consultants International, 2010-11-26 Coaching delivers high performance in you your team and your organization Coaching for Performance is the proven resource for all coaches and pioneers of the future of coaching Magdalena N Mook CEO International Coach Federation ICF Shines a light on what it takes to create high performance John McFarlane Chairman Barclays Chairman TheCityUK Coaching for Performance is the definitive book for coaches leaders talent managers and professionals around the world An international bestseller featuring the influential GROW model this book is the founding text of the coaching profession It explains why enabling people to bring the best out of themselves is the key to driving productivity growth and engagement A meaningful coaching culture has the potential to transform the relationship between organizations and employees and to put both on the path to long term success Written by Sir John Whitmore the pioneer of coaching and Performance Consultants the global market leaders in performance coaching this extensively revised and extended edition will revolutionize the traditional approach to organizational culture Brand new practical exercises corporate examples coaching dialogues and a glossary strengthen the learning process whilst a critical new chapter demonstrates how to measure the benefits of coaching as a return on investment ensuring this landmark new edition will remain at the forefront of professional coaching and leadership development *Theodicy and Spirituality in the Fourth Gospel* Daniel DeForest London, 2020-06-15 Daniel DeForest London argues that the Fourth Gospel offers a potentially transformative response to the question of suffering and the human compulsion to blame Based on his reading of John 9 the man born blind London argues that the Gospel does not offer a theodicy but rather a theodical spirituality an experience of praying the question of suffering and remaining open to a divine response London shows how the Johannine Jesus s response poses three sets of symbols in dichotomy day night vision blindness sheep wolf each subverted by another core symbol light judge shepherd By interpreting these symbols in light of mimetic theory he argues that Jesus s response reveals the scapegoat mechanism in which an innocent victim is blamed by violent victimizers However rather than blaming the victimizers Jesus continues to engage with the characters who appear to be villains the light of the world transforms night and day into one continuous day the Good Shepherd welcomes sheep and wolf into his beloved flock In this way readers are invited to bring to the Johannine Jesus their own violence resentment and wolfish rage regarding the question of

suffering and to experience the theodical spirituality of the Fourth Gospel
