Endless Night Cinema And Psychoanalysis Parallel Histories

Farshid Kazemi

Endless Night Cinema And Psychoanalysis Parallel Histories:

Endless Night Janet Bergstrom, 1999-06-30 On film theory and psychoanalysis

Iranian Cinema with Psychoanalysis Farshid Kazemi, 2024-12-30 Combining Lacanian psychoanalytic theory Iranian Shi'ite thought and Islamicate sexualities Iranian Cinema with Psychoanalysis The Interpreter of Desires provides a groundbreaking analysis of the logic of desire and sexuality in key films of contemporary Iranian cinema arguing that there is a profound albeit surprising correlation between post revolutionary Iranian cinema and psychoanalysis that has remained unthought Looking through the prism of psychoanalysis Farshid Kazemi argues that censorship on the representation and expression of sexual desire in Iranian films has contrary to the desired effect produced a cinema of desire This book is the first to provide an analysis of the unconscious structure of desire and sexuality operative in post revolutionary Iranian cinema demonstrating that psychoanalytic literature is uniquely positioned to shed light on this aspect of film Kazemi uncovers the hidden libidinal economy of Iranian cinema by exposing the fact that despite the State censor's desire to suppress desire it has inadvertently inscribed desire in its formal structure The book offers a compelling and innovative examination of Iranian cinema through a psychoanalytic lens contributing significantly to the field of film studies Iranian Cinema with Psychoanalysis will be of great interest to academics and scholars of film studies psychoanalytic studies Lacanian theory film theory Iranian cinema global cinema Iranian studies and Middle Eastern studies

The Maternal Imagination of Film and Film Theory Lauren Bliss, 2020-09-03 This book challenges common sense understandings of the unconscious effects of cinema and visual culture It explores the castrating power of the early modern witch and the historical belief that pregnant women could manipulate and distort body image as figurative analogies for feminist theories of objectification and the male gaze Through developing this history as an impure but lively analogy this book serves as a provocation against the dominant imagining of objectification It offers innovative analyses of a wide ranging selection of films and topics including Joyce Wieland's *Water* Sark 1964 and its resonance with the works of John Cage and Stan Brakhage the documentary *Histoires d'A* A History of Abortion 1973 which contributed to the successful legalisation of abortion in France the Hong Kong horror film *Dumplings* Jiaozi 2004 where foetal cannibalism serves up an image of censorship and the dual productions *The Book of Mary* *Le livre de Marie* and *Hail Mary* *Je vous salue Marie* 1985 by Anne Marie Mi ville and Jean Luc Godard that figure a self reproducing virgin who hears herself while remaining a virgin unseen

Taking Back Desire: A Psychoanalytic Approach to Queerness and Neoliberalism on Screen James Lawrence Slattery, 2025-05-13 Taking Back Desire studies film television and video art texts through a Lacanian prism to restore a sense of queer as troubling identity and resistance to neoliberal forms of inclusion James Lawrence Slattery illuminates how the framing of desire identity enjoyment resistance and knowledge contribute to the investment in neoliberal formations of being and success despite the corrosive effects neoliberalism has had for much of society The book does not read queerness on screen as a discernible group of characters

or narrative formulas but as a point that meaning fails in the visual and temporal field Examining the interrelation of the real the imaginary and the symbolic in contemporary politics and contemporary media Slattery investigates how a diverse selection of moving image texts forge queerness as a relationship to the lack while crucially resisting the creation of a new or definitive canon Taking Back Desire will be essential reading for academics and scholars of Freudian and Lacanian psychoanalysis queer theory late capitalism film television and media studies sexuality studies critical race theory cultural studies and feminist theory *Picnic at Hanging Rock* Anna Backman Rogers,2022-10-06 Peter Weir's haunting and allusive *Picnic at Hanging Rock* 1975 set in 1900 tells the story of the mysterious disappearance of three schoolgirls and their teacher on a trip to a local geological formation The film is widely hailed as a classic of new Australian cinema seen as exemplary of a peculiarly Australian style of heritage filmmaking Anna Backman Rogers study considers *Picnic* from feminist psychoanalytic and decolonialising perspectives exploring its setting in a colonised Australian bushland in which the Aboriginal people are a spectral presence in a landscape stolen from them in pursuit of the white man's terra nullius She delves into the film's production history addressing director Weir's influences and preoccupations at the time of its making its reception and its lasting impact on visual culture more broadly Rogers addresses the film's treatment of the young schoolgirls and their teachers seemingly as embodiments of an archetype of the eternal feminine as objects of the male gaze and in terms of ideas about female hysteria as a protest against gender norms She argues that *Picnic* is in fact highly subversive a film that requires its viewers to read its seductive surfaces against the grain of the image in order to uncover its psychological depths **Phenomenology and the Future of Film** J. Chamarette,2012-09-28 Using hybrid phenomenological approaches to film this book focuses on how moving images are experienced and encountered as well as read and viewed Its close engagements with films and installations by four contemporary French filmmakers explore the limits and possibilities of cinematic subjectivity **Death 24x a Second** Laura Mulvey,2006-03-01 A fascinating exploration of the role new media technologies play in our experience of film **The Bloomsbury Companion to Stanley Kubrick** I.Q. Hunter,Nathan Abrams,2021-01-14 Stanley Kubrick is one of the most revered directors in cinema history His 13 films including classics such as *Paths of Glory* 2001 *A Space Odyssey* *A Clockwork Orange* *Barry Lyndon* and *The Shining* attracted controversy acclaim a devoted cult following and enormous critical interest With this comprehensive guide to the key contexts industrial and cultural as well as aesthetic and critical the themes of Kubrick's films sum up the current vibrant state of Kubrick studies Bringing together an international team of leading scholars and emergent voices this Companion provides comprehensive coverage of Stanley Kubrick's contribution to cinema After a substantial introduction outlining Kubrick's life and career and the film's production and reception contexts the volume consists of 39 contributions on key themes that both summarise previous work and offer new often archive based state of the art research In addition it is specifically tailored to the needs of students wanting an authoritative accessible overview of academic work on Kubrick

Medieval and Early Modern Film and Media R. Burt, 2016-04-30 Medieval and Early Modern Film and Media contextualizes historical films in an innovative way not only relating them to the history of cinema but also to premodern and early modern media This philological approach to the pre history of cinema engages both old media such as scrolls illuminated manuscripts the Bayeux Tapestry and new digital media such as DVDs HD DVDs and computers Burt examines the uncanny repetitions that now fragment films into successively released alternate cuts and extras footnote tracks audiocommentaries and documentaries that re structure and reframe historical films thereby presenting new challenges to historicist criticism and film theory With a double focus on recursive narrative frames and the cinematic paratexts of medieval and early modern film this book calls our attention to strange sometimes opaque phenomena in film and literary theory that have previously gone unrecognized

A Companion to Film Noir Andre Spicer, Helen Hanson, 2013-06-27 An authoritative companion that offers a wide ranging thematic survey of this enduringly popular cultural form and includes scholarship from both established and emerging scholars as well as analysis of film noir s influence on other media including television and graphic novels Covers a wealth of new approaches to film noir and neo noir that explore issues ranging from conceptualization to cross media influences Features chapters exploring the wider noir mediascape of television graphic novels and radio Reflects the historical and geographical reach of film noir from the 1920s to the present and in a variety of national cinemas Includes contributions from both established and emerging scholars

Mapping the Moving Image Pasi Väliäho, 2010 In Mapping the Moving Image Pasi Valiaho offers a compelling study of how the medium of film came to shape our experience and thinking of the world and ourselves By locating the moving image in new ways of seeing and saying as manifest in the arts science and philosophy at the turn of the twentieth century the book redefines the cinema as one of the most important anthropological processes of modernity Moving beyond the typical understanding of cinema based on optical and linguistic models Mapping the Moving Image takes the notion of rhythm as its cue in conceptualizing the medium s morphogenetic potentialities to generate affectivity behaviour and logics of sense It provides a clear picture of how the forms of early film while mobilizing bodily gestures and demanding intimate affective engagement from the viewer emerged in relation to bio political investments in the body The book also charts from a fresh perspective how the new gestural dynamics and viscosity of the moving image fed into our thinking of time memory and the unconscious

The Archive of Fear Christina Zwarg, 2020-10-15 Focusing on U S slavery and its aftermath in the nineteenth century The Archive of Fear explores the traumatic force field that continued to inflect discussions of slavery and abolition both before and after the Civil War It challenges the long assumed distinction between psychological and cultural historical theories of trauma discovering a virtual dialogue between three central U S writers and Sigmund Freud concerning the traumatic response of slavery s perpetrators A strain of trauma theory and practice comes alive in the temporal and spatial disruptions of New World slavery and The Archive of Fear shows how key elements of that theory still inform the infrastructure of race relations today It

argues that trauma theory before Freud first involves a return to an overlap between crisis insurrection and mesmerism found in the work of Frederick Douglass Harriet Beecher Stowe and W E B Du Bois Mesmer's crisis state has long been read as the precursor to hypnosis the tool Freud famously rejected when he created psychoanalysis But the story of what was lost to trauma theory when Freud adopted the talk cure can be told through cultural disruptions of New World slavery especially after mesmerism arrived in Saint Domingue where its implication in the Haitian revolution in both reality and fantasy had an impact on the history of emancipation in the United States *Letters from Hollywood* Bill Krohn, 2020-08-01 Journalist and filmmaker Bill Krohn has been the Los Angeles correspondent for the French magazine Cahiers du cin ma for over forty years Letters from Hollywood brings together thirty four of his essays many of them appearing in English for the first time Focusing most pieces on a particular director and film Krohn uses his inside knowledge of the studio system to illuminate an art that is also a multibillion dollar business He connects currents in French film criticism and theory with an unfolding account of American cinema past and present offering penetrating insights into directors and their work Beginning with Allan Dwan who learned how to make movies before Hollywood was born by watching D W Griffith Krohn presents a panorama that encompasses Alfred Hitchcock and Woody Allen Stanley Kubrick and Sergio Leone Star Wars and I Love Lucy He covers everything from gangsters to gremlins from blockbusters to no budget cult films like Moon Over Harlem and Plan 9 from Outer Space in a style that is accessible to anyone who loves movies or has a passion for writing about them

Violence and the Oedipal Unconscious Nidesh Lawtoo, 2023-05-01 Representations of violence are often said to generate cathartic effects but what does catharsis mean And what theory of the unconscious made this concept so popular that it reaches from classical antiquity to the digital age In *Violence and the Oedipal Unconscious* Nidesh Lawtoo reframes current debates on new media violence by tracing the philosophical aesthetic and historical vicissitudes of the catharsis hypothesis from antiquity to modernity and into the present Drawing on theorists of mimesis from Aristotle to Nietzsche Bernays to Breuer Freud to Girard to Morin Lawtoo offers a genealogy of the relationship between violence and the unconscious with at least two aims First this study gives an account of the birth of the Oedipal unconscious out of a cathartic method Second it provides new theoretical foundations to solve a riddle of new media violence that may no longer rest on Oedipal solutions In the process Lawtoo outlines a new theory of violence mimesis and the unconscious that does not have desire as a *via regia* but rather the untimely realization that all affects spread contagiously and thus mimetically

Transmedia Frictions Marsha Kinder, Tara McPherson, 2021-03-16 Editors Marsha Kinder and Tara McPherson present an authoritative collection of essays on the continuing debates over medium specificity and the politics of the digital arts Comparing the term transmedia with transnational they show that the movement beyond specific media or nations does not invalidate those entities but makes us look more closely at the cultural specificity of each combination In two parts the book stages debates across essays creating dialogues that give different narrative accounts of what is historically and ideologically at stake in

medium specificity and digital politics Each part includes a substantive introduction by one of the editors Part 1 examines precursors contemporary theorists and artists who are protagonists in this discursive drama focusing on how the transmedia frictions and continuities between old and new forms can be read most productively N Katherine Hayles and Lev Manovich redefine medium specificity Edward Branigan and Yuri Tsivian explore nondigital precursors Steve Anderson and Stephen Mamber assess contemporary archival histories and Grahame Weinbren and Caroline Bassett defend the open ended mobility of newly emergent media In part 2 trios of essays address various ideologies of the digital John Hess and Patricia R Zimmerman Herman Gray and David Wade Crane redraw contours of race space and the margins Eric Gordon Cristina Venegas and John T Caldwell unearth database cities portable homelands and virtual fieldwork and Mark B N Hansen Holly Willis and Rafael Lozano Hemmer and Guillermo G mez Pe a examine interactive bodies transformed by shock gender and color An invaluable reference work in the field of visual media studies *Transmedia Frictions* provides sound historical perspective on the social and political aspects of the interactive digital arts demonstrating that they are never neutral or innocent

Žižek through Hitchcock Laurence Simmons, 2021-05-12 Maverick Slovenian cultural theorist philosopher and psychoanalyst Slavoj i ek has made his name elaborating the complexities of psychoanalytic and Marxist theory through the exotic use of examples from film and popular culture But what if we were to take i ek s pretensions to cinephilia and film criticism seriously In this book adopting i ek s own tactic of counterintuitive observation we shall read the corpus of Alfred Hitchcock s films one of the great achievements of Western civilization and i ek s idiosyncratic citation of them in order to arrive at a position where we can identify the core commitments that inform i ek s own work From the practice of Hitchcock we shall hopefully arrive at a theory of i ek just as i ek in his collection *Everything You Always Wanted to Know About Lacan But Were Afraid to Ask Hitchcock* Verso 1992 arrives at a theory of Lacan from the practice of Hitchcock To achieve this goal each chapter looks at a specific film by Hitchcock and explores a specific key concept crucial to the elaboration and core of i ek s ideas

Experiencing Music Video Carol Vernallis, 2004 Treats music video as a distinct multimedia artistic genre different from film television and photography and describes how musical and visual codes work together *Inventing Film Studies* Lee Grieveson, Haidee Wasson, 2008-11-24 A collection of institution centered essays comprising a history of film studies as a discipline

The Real Gaze Todd McGowan, 2008-01-03 Examines the gaze in Lacanian film theory

Cinemeducation Matthew Alexander, Patricia Lenahan, Anna Pavlov, 2005 Provides medical and graduate educators with an innovative and effective cinema based curriculum useful for teaching a broad array of topics It covers important areas in medical education such as chronic illness disabilities chemical dependency cultural diversity mental disorders and the doctor patient relationship cataloguing over 450 scenes from 125 popular movies on video with relevant descriptions and trigger questions for leading group discussion

Endless Night Cinema And Psychoanalysis Parallel Histories Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Endless Night Cinema And Psychoanalysis Parallel Histories PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Endless Night Cinema And Psychoanalysis Parallel Histories PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Endless Night Cinema And Psychoanalysis Parallel Histories free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Endless Night Cinema And Psychoanalysis Parallel Histories Books

1. Where can I buy Endless Night Cinema And Psychoanalysis Parallel Histories books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
