common space into in depth discussions on family fragility poverty abortion and end of life care These four issues though divisive are part of a seamless worldview that holds all human life as sacred Rubio argues that if those on different sides focus on what can be done to solve social problems in the space between or local communities opposing sides will see they are not so far apart as they think The common ground thus created can then lead to far reaching progress on even the most divisive issues and help quiet the discord tearing apart the Church
