

"A moving and important book"—Dr. Milorad M. Drachkovitch

# **ENEMIES ON ALL Sides: The Fall of Yugoslavia**

With seventeen maps, five photos,  
fourteen line drawings, and  
appendices on history & culture.

By Milija M. Lašić-Vasojević

# Enemies On All Sides The Fall Of Yugosl

**Stevan Pavlowitch**

## **Enemies On All Sides The Fall Of Yugosl:**

Enemies on All Sides Milija M. Lašić-Vasojević, 1976      **Enemies on All Sides : The Fall of Yugoslavia** Milija Lasic - Vasojevic, 1976      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1977      **Hitler's New Disorder** Stevan Pavlowitch, 2021-02-01 The history of the Second World War in Yugoslavia was for a long time the preserve of the Communist regime led by Marshal Tito It was written by those who had battled hard to come out on top of the many sided war fought across the territory of that Balkan state after the Axis Powers had destroyed it in 1941 just before Hitler's invasion of the USSR It was an ideological and ethnic war under occupation by rival enemy powers and armies between many insurgents armed bands and militias for the survival of one group for the elimination of another for belief in this or that ideology for a return to an imagined past within the Nazi New Order or for the reconstruction of a new Yugoslavia on the side of the Allies In fact many wars were fought alongside and under cover of the Great War waged by the Allies against Hitler's New Order which in Yugoslavia at least turned out to be a new disorder Most surviving participants have since told their stories most archival sources are now available Pavlowitch uses them as well as the works of historians in several languages to understand what actually happened on the ground He poses more questions than he provides answers as he attempts a synoptic and chronological analysis of the confused yet interrelated struggles fought in 1941-5 during the short but tragic period of Hitler's failed New Order over the territory that was no longer the Kingdom of Yugoslavia and not yet the Federal Peoples Republic of Yugoslavia but that is now definitely former Yugoslavia      **Resistance and Rebellion** Roger D. Petersen, 2001-05-07 Resistance and Rebellion Lessons from Eastern Europe explains how ordinary people become involved in resistance and rebellion against powerful regimes The book shows how a sequence of causal forces social norms focal points rational calculation operate to drive individuals into roles of passive resistance and at a second stage into participation in community based rebellion organization By linking the operation of these mechanisms to observable social structures the work generates predictions about which types of community and society are most likely to form and sustain resistance and rebellion The empirical material centres around Lithuanian anti Soviet resistance in both the 1940s and the 1987-91 period Using the Lithuanian experience as a baseline comparisons with several other Eastern European countries demonstrate the breadth and depth of the theory The book contributes to both the general literature on political violence and protest as well as the theoretical literature on collective action      *Britain, Mihailovic and the Chetniks, 1941-42* S. Trew, 1998-01-28 Casting new light on a controversial aspect of wartime British foreign policy this book traces the process by which the British authorities came to offer their backing to Colonel Draza Mihailovic leader of the non Communist resistance movement which emerged after the Axis invasion of Yugoslavia in April 1941 It also examines why British confidence in Mihailovic was subsequently eroded to the point where serious consideration was given to transferring support to his avowed enemies the Communist led Partisans      **Serbia under the Swastika** Alexander Prusin, 2017-06-06 The 1941 Axis invasion of Yugoslavia

initially left the German occupiers with a pacified Serbian heartland willing to cooperate in return for relatively mild treatment. Soon however the outbreak of resistance shattered Serbia's seeming tranquility, turning the country into a battlefield and an area of bitter civil war. Deftly merging political and social history, Serbia under the Swastika looks at the interactions between Germany's occupation policies, the various forces of resistance and collaboration, and the civilian population. Alexander Prusin reveals a German occupying force at war with itself. Pragmatists intent on maintaining a sedate Serbia increasingly gave way to Nazified agencies obsessed with implementing the expansionist racial vision of the Third Reich. As Prusin shows, the increasing reliance on terror catalyzed conflict between the nationalist Chetniks, communist Partisans, and the collaborationist government. Prusin unwraps the winding system of expediency that at times led the factions to support one another against the Germans, even as they fought a ferocious internecine civil war to determine the future of Yugoslavia. Comprehensive and judicious, *Serbia under the Swastika* is a rare English language foray into the still fraught history of Serbia in World War II.

**Hitler's Croatian Ally** Antonio J. Muñoz, 2025-07-02. Explores the rise and struggle of the Independent State of Croatia during WWII's brutal Balkans conflict. On 6 April 1941, Nazi Germany, along with Italy and Hungary, invaded Yugoslavia after the overthrow of the Yugoslav regent Prince Paul. Hitler sought to secure the right flank for his upcoming invasion of the USSR and assist Mussolini, who had failed to conquer Greece. The German attack was swift, and by 17 April Yugoslavia capitulated, leading to the creation of the Independent State of Croatia (NDH). Ante Pavelić, leader of the fascist Ustaše organization, was installed as the head of Croatia. His government immediately began a brutal campaign of repression against non-Croatians, especially Serbs. This sparked rebellions with Serbian Chetnik bands and Croatian communists forming separate guerrilla movements. The Croatian state was soon overwhelmed by these insurgencies. Italy further complicated matters by creating occupation zones within Croatia, supporting Chetnik bands and hampering Croatian military efforts. The Croatian Army, unable to fortify its territory due to Italian restrictions, was often attacked by Chetniks and forced to fight on two fronts. Despite these challenges, including inadequate armament and the constant interference of its allies, Croatia maintained a military force that continued to fight until the war's bitter end.

**OSS and the Yugoslav Resistance, 1943-1945** Kirk Ford, 1992. Unfortunately, OSS personnel who first began entering the country in the late summer of 1943 found themselves caught up in a ruthless civil war between Draža Mihailović's Nationalists or Chetniks and Josip Broz Tito's Partisans.

**Drugi svjetski rat i suvremeni četnici** Philip J. Cohen, 1997. *Balkan Studies*, 1984. *Catalog of Copyright Entries, Third Series*. Library of Congress. Copyright Office, 1976. The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim: the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.

**Tito and the Rise and Fall of Yugoslavia** Richard West, 2012-11-15. Few figures have dominated a nation's destiny as much as Marshal Tito of former Yugoslavia. For nearly thirty years, he held together mutually hostile religious

groups in a deeply divided country but his death in 1980 rekindled centuries old hatreds and by 1992 Yugoslavia ceased to exist In this revealing biography Richard West questions the full impact of Tito s reign of power and his implicit responsibility for the ensuing violent bloody war in Bosnia Excellent I recommend his book for those who already know about Yugoslavia and want food for thought about the future David Owen Sunday Times Admirable Carefully researched and extremely readable Literary Review A passionate book in which West s historical sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of subsequent events Fergus Pyle Irish Times Masterly Glasgow Herald

**Yugoslavia** Francine Friedman,1993-05 This reference work catalogues all English language books and journal articles about the former Yugoslavia It contains over 9000 entries arranged by subject and is fully indexed The bibliographic citations are arranged under broad subject headings geography history and so on The major subject headings are further broken down into easy to follow headings and sub headings
