Enemies with Smiling Faces (EasyRead Edition) , **Enemies with Smiling Faces** Donald C. Posterski, 2004 Don Posterski unmasks the enemies to growth and effectiveness that plague unsuspecting Christians and he shows how to develop skills in discernment resistance and biblical witness Enemies with Smiling Faces Donald C. Posterski, 2009-08 The world is a dangerous place Enemies lurk in all corners in our churches and in the world Their faces are different but they are equally deceptive We must learn to recognize the enemies before our minds are twisted by their ungodly concepts Some enemies come in the form of popular Christian concepts that are not truly biblical such as QUICK FIX FAITH FEELING ONLY FAITH ONE SIDED FAITH SPIRITUAL SUPERIORITY Other enemies are the common notions we absorb from our world such as SELF RELIANCE AFFLUENZA SHALLOW CHARACTER DEVELOPMENT PRIVATIZED FAITH In this book Don Posterski offers sound counsel in learning to be wise as serpents and innocent as doves Ultimately we need not simply to resist but to love our enemies and Posterski helps us find strategies for relating to and living among enemies with smiling faces **Part of the Problem, Part of the Solution** Arvind Sharma, 2008-09-30 Part of the Problem Part of the Solution unleashes religion's true potential to do good by bridging the modern divide between religion and an ever pervasive secular society a notion often loathed by individuals on both sides of the religious aisle As noted scholars such as Huston Smith Karen Armstrong Rosemary Radford Ruether Harvey Cox and Seyyed Hossein Nasr explain throughout the conversations related in this text people of varied and conflicting faiths can come together to engage in civil useful dialogue and members of quite varied religious traditions can work together for the benefit of all humankind and can help defuse the world's current epidemic of violence By showing how religion is an instrument in human affairs that can be tuned for both good and evil this book lays the groundwork for an important cooperative effort to blossom Furthermore today's trend of associating all religion with suspicion has spiraled into a dangerous situation that in discarding all religion because some of it causes harm one risks throwing away the baby with the bathwater Books such as When Religion Becomes Evil by Charles Kimball The God Delusion by Richard Dawkins The End of Faith by Sam Harris Breaking the Spell Religion as a Natural Phenomenon by Daniel Dennett and God is Not Great How Religion Poisons Everything by Christopher Hitchens have created quite a sensation leaving the impression that religion at its root brings more heartache than handshakes This development has dismayed many scholars students and practitioners of religion of all faiths who believe that only half the story the negative half is being told Although demonstrating that certain religious beliefs have surely contributed to the violence that has occurred in this century this book also explores how other religious teachings can help solve the epidemic of violence Jesus on Justice Don Posterski, 2014-05-01 Living Lives of Compassion and Conviction Jesus on Justice will shake up your worldview and inspire you to move beyond simply perceiving injustice to fighting it The image of Christ as a radical advocate for justice bucking the religious and cultural norms of his day is for many of us an uncomfortable one Accepting that he calls us to fight injustice in

our world as he did can be even more uncomfortable Uncomfortable but so crucially important Posterski challenges us to look deeply into what God s word says about justice as we consider our personal and collective responsibilities He contends that the Bible is not passive on these matters rather it offers us a clear road map to pursue human rights and measures of equity for all people We are asked to consider the brokenness of our present world famine human trafficking children s rights racism etc in light of what Jesus said and did about each of these issues Jesus lived right Jesus made life right for others Jesus wants us to do the same *Enemies with Smiling Faces (Volume 2 of 2) (EasyRead Super Large 24pt Edition) ,*
