## Enemy Within The Skull:

*Enemy Within the Skull* Gregory Kern, 1976      *Skull's Vengeance* Linnea Tanner, 2022-10-18 A Celtic warrior queen must do the impossible defeat her sorcerer half brother and claim the throne But to do so she must learn how to strike vengeance from her father's skull AS FORETOLD BY HER FATHER in a vision Catrin has become a battle hardened warrior after her trials in the Roman legion and gladiatorial games She must return to Britannia and pull the cursed dagger out of the serpent's stone to fulfill her destiny Only then can she unleash the vengeance from the ancient druids to destroy her evil half brother the powerful sorcerer King Marrock Always two steps ahead and seemingly unstoppable Marrock can summon destructive natural forces to crush any rival trying to stop him and has charged his deadliest assassin to bring back Catrin's head To have the slightest chance of beating Marrock Catrin must forge alliances with former enemies but she needs someone she can trust Her only option is to seek military aid from Marcellus her secret Roman husband They rekindle their burning passion but he is playing a deadly game in the political firestorm of the Julio Claudian dynasty to support Catrin's cause Ultimately in order to defeat Marrock Catrin must align herself with a dark druidess and learn how to summon forces from skulls to exact vengeance But can she and Marcellus outmaneuver political enemies from Rome and Britannia in their quest to vanquish Marrock Acclaims for books in the Curse of Clansmen and Kings series An epic tale of love betrayal and political intrigue InD tale Magazine The requisite fantasy elements of magic and mystery abound Tanner also does an admirable job weaving in the politics and mythology of a bygone people Kirkus Part fantasy part historical fiction Linnea Tanner has woven together a wonderful tale of romance intrigue mystery and legend to create an entertaining and complex story The International Review of Books A captivating tale of triangles love lust and espionage friend foe and spies barbarians civilized Rome and spiritual supernatural beings 2019 Pencraft Book of the Year Award      1 dong benxigu, 2024-12-17 Asian teenagers who were afraid of the heat crossed the road and sat in the shade for awhile They were really bored and ran into the flea market to hang out      Societies of the Crow, Hidatsa and Mandan Indians Alanson Skinner, Clark Wissler, James R. the Mat and Koladyne rivers and their most northerly villages are found on the borders of the Silchar district Within this area roughly 7 500 square miles there are only a few villages ruled over by chiefs of other clans and outside it there are but few true Lushei villages though I am told that there are villages of people very closely connected with the Lusheis on the southern borders of Sylhet in Tipperah and in the North Cachar Hills and there are a few in the Chittagong Hill tracts All the Lushai Kuki clans resemble each other very closely in appearance and the Mongolian type of countenance prevails One meets however many exceptions which may be due to the foreign blood introduced by the many captives taken from the plains and from neighbouring tribes but these are not worth considering and the description of the Kuki written by Lt Stewart close on 80 years ago cannot be improved on The Kukis are a short sturdy race of men with a goodly development of muscle Their legs are generally speaking short in comparison with the length of their bodies and their arms long The face is nearly as broad as it is long and is generally round or square the cheek bones high broad and prominent eyes small and almond shaped the nose short and flat with wide nostrils The women appear more squat than the men even but are strong and lusty In Lushai clans both sexes are as a rule rather slighter made than among the Thado and cognate clans whom Lt Stewart was describing Adopting the scale given in the handbook of the Anthropological Institute the colour of the skin varies between dark yellow brown dark olive copper coloured and yellow olive Beards and whiskers are almost unknown and a Lushai even when able to grow a moustache which is not often pulls out all the hairs except those at the corners of his mouth The few persons with hairy faces may I think be safely said to be of impure blood
