Enemy Women Paulette Jiles, 2003 When the horrors of war penetrate the family farm Adair sets out to find her father Imprisoned as a Confederate spy en route she finds love with her Union interrogator who allows her to escape Now against the odds she must reunite her family and find her love again Adventurous Women in Contemporary American Historical Fiction Jeannette King, 2022-03-10 This book brings together for the first time nine groundbreaking historical novels by women from the United States Canada and Latin America united by their focus on female adventurers These novels introduce the neglected women of history real and imagined who accompanied their menfolk to the New World and enabled its settlement or colonisation Familiar novelists include Isabel Allende Audrey Thomas and Jane Smiley but this book also introduces less familiar writers who have produced richly textured and densely historical novels In addition to putting women back into history these writers engage with the literature of the past including the American canon of male fiction which dominated literary history before the intervention of feminist scholars The book begins with an introduction to the history of historical fiction and provides a theoretical historical and geographical context for the novels themselves Proceedings of the 3rd International Conference on Linguistics and Cultural (ICLC 2022) Muhammad Hasyim, 2023-06-23 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for

a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government's role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar

Women's War Stephanie McCurry, 2019-04-15 The Civil War is remembered as a war of brother against brother with women standing innocently on the sidelines But battlefield realities soon challenged this simplistic understanding of women's place in war Stephanie McCurry shows that women were indispensable to the unfolding of the Civil War as they have been and continue to be in all wars

The Human Rights Graphic Novel Pramod K. Nayar, 2020-11-25 This book studies human rights discourse across a variety of graphic novels both fiction and non fiction originating in different parts of the world from India to South Africa Sarajevo to Vietnam with texts on the Holocaust the Partition of the Indian subcontinent the Rwandan and Sarajevan genocides the Vietnam War comfort women in World War II and the Civil Rights movement in the USA to mention a few The book demonstrates the emergence of the universal subject of human rights despite the variations in contexts It shows how war rape genocide abuse social iniquity caste and race erode personhood in multiple ways in the graphic novel which portrays the construction of vulnerable subjects the cultural trauma of collectives the crisis and necessity of witnessing and resilience resistance through specific representational and aesthetic strategies It covers a large number of authors and artists Joe Sacco Joe Kubert Matt Johnson Walter Pleece Guy Delisle Appupen Thi Bui Olivier Kugler and others Through a study of these vastly different authors and styles the book proposes that the graphic novel as a form is perfectly suited to the culture and the lingua franca of human rights due to its amenability to experimentation and the sheer range within the form The book will appeal to scholars in comics studies human rights studies visual culture studies and to the general reader with an interest in these fields

Women's Fiction and Post-9/11 Contexts Peter Childs, Claire Colebrook, Sebastian Groes, 2014-10-21 9/11 is not simply a date on the calendar but marks a distinct historical threshold ushering in the war on terror various states of emergency a supposed clash of civilizations and the putative legitimization of counter democratic procedures ranging from extraordinary renditions to enhanced interrogation Perhaps no date since Virginia Woolf declared that on or about December 1910 human character changed has marked such a singular point in the perception of time identity and nature Women's writing has always been something of a counter canon offering modes of voice and point of view beyond that of the man of reason This collection of essays explores the two problems of what it means to write as a woman and what it means to write in the twenty first century

Women Making War Thomas F.

Curran,2020-10-08 Partisan activities of disloyal women and the Union army's reaction During the American Civil War more than four hundred women were arrested and imprisoned by the Union Army in the St Louis area The majority of these women were fully aware of the political nature of their actions and had made conscious decisions to assist Confederate soldiers in armed rebellion against the U S government Their crimes included offering aid to Confederate soldiers smuggling spying sabotaging and rarely serving in the Confederate army Historian Thomas F Curran's extensive research highlights for the first time the female Confederate prisoners in the St Louis area and his thoughtful analysis shows how their activities affected Federal military policy Early in the war Union officials felt reluctant to arrest women and waited to do so until their conduct could no longer be tolerated The war progressed the women's disloyal activities escalated and Federal response grew stronger Some Confederate partisan women were banished to the South while others were held at Alton Military Prison and other sites The guerilla war in Missouri resulted in more arrests of women and the task of incarcerating them became more complicated The women's offenses were seen as treasonous by the Federal government By determining that women who were excluded from the politics of the male public sphere were capable of treason Federal authorities implicitly acknowledged that women acted in ways that had serious political meaning Nearly six decades before U S women had the right to vote Federal officials who dealt with Confederate partisan women routinely referred to them as citizens Federal officials created a policy that conferred on female citizens the same obligations male citizens had during time of war and rebellion and they prosecuted disloyal women in the same way they did disloyal men The women arrested in the St Louis area are only a fraction of the total number of female southern partisans who found ways to advance the Confederate military cause More significant than their numbers however is what the fragmentary records of these women reveal about the activities that led to their arrests the reactions women partisans evoked from the Federal authorities who confronted them the impact that women's partisan activities had on Federal military policy and military prisons and how these women's experiences were subsumed to comport with a Lost Cause myth the need for valorous men to safeguard the homes of defenseless women

Contemporary Women's Fiction. Feminist Narratives in

Selected Twentieth Century Women's Novels Subashish Bhattacharjee, Dipak Barman, 2016-06 Women s writing in the twentieth century has shown a dramatic shift in its preoccupations and intentions Rather than occupying itself with the trivialities of the social and domestic spheres the writing by women in the latter half of the twentieth century and approaching the twenty first century inheres concerns such as political historical questions of gender equity and rights interrogations of normative and patriarchal practices and other such issues that have not been adequately addressed in women s writing thus far The four essays in the present volume are certainly not exhaustive or adequate in this regard that of addressing this lacuna in literary scholarship but it may be viewed as a attempt to bridge the proverbial gap As a precursor to further scholarly works in the area already existing as well as forthcoming the essays discuss the works of Toni Morrison

Herzog,2017-01-27 The Gulf War and its aftermath have testified once again to the significance placed on the meanings and images of Vietnam by US media and culture Almost two decades after the end of hostilities the Vietnam War remains a dominant moral political and military touchstone in American cultural consciousness Vietnam War Stories provides a comprehensi Blood in the Ozarks: Expanded Second Edition Clint Lacy,2020-04-14 Deep in the Ozarks of Southeast Missouri a battle still raises about a massacre committed on Christmas Day 1863 in Ripley County Missouri by members of the 3 rd Missouri State Militia Cavalry led by Major James Wilson While naysayers state that the massacre was nothing more than a rescue mission to free Union troops captured days before by Colonel Timothy Reeves and his 15th Missouri Cavalry CSA local historical documents newspaper articles and military records prove bias on their part painting a picture of a government cover up and the needless slaughter of men women and children along with Confederate soldiers on the holiest day of the year In this Expanded Second Edition the reader will find more photos newspaper archives and other sources of information that paints a clearer picture of this tragedy **Political and Social Issues in British Women's Fiction, 1928-1968** E. Maslen,2001-02-20 In Political and Social Issues in British Women s Fiction 1928 1968 Elizabeth Maslen reassesses fiction written by women between the granting of universal franchise and the advent of new wave feminism Through close readings of a wide range of novels Maslen analyses how writers chose to represent such issues as pacifism and the threat of fascism war race and class and gender exploring in the process how the writers priorities affect their decisions on how to write *The Green Book Magazine* ,1920 *Women's Fiction of the Second World War* Gill Plain,2019-08-07 This book examines the relationship between war and gender through the analysis of literary texts Focusing on the fiction of Dorothy L Sayers Stevie Smith Virginia Woolf Naomi Mitchison and Elizabeth Bowen during the 1930s and 1940s the book considers the different and sometimes contradictory ways in which British women writers responded both to the threat of war and to actual conflict in this period **Resistance and its discontents in South Asian women's fiction** Maryam Mirza,2023-08-22 Mirza s theorization of resistance is a substantive addition to feminist and postcolonial scholarship and her rich readings of different literary texts make a valuable contribution to feminist literary studies Nalini Iyer Professor of English Seattle University Resistance and its discontents in South Asian women s fiction is a rigorous and impassioned exploration of the concept of resistance in postcolonial literature It is an essential contribution to the field of postcolonial studies and a compelling excavation of resistance in South Asian women s writing Claire Chambers Professor of Global Literature University of York Mirza s comprehensive take on what counts as resistance in Anglophone fiction by women writers from South Asia and its diaspora not just its heroic manifestations but also its limits its contradictions its marginality

and even its absence in the reality of women's lives makes this a provocative theoretical inquiry into female agency

Resistance and its Discontents in South Asian Women's Fiction makes a major contribution to postcolonial criticism as well as feminist theory

Rajeswari Sunder Rajan Formerly Global Distinguished Professor New York University

Maryam Mirza's new book is sure to become a major work of reference in the field of South Asian literary studies and of literature by and on women

Its breadth, depth and level of detail are astonishing and it offers a thoroughly new reboot of the genre of resistance literature by enlarging and complexifying the semantic reach of the term resistance beyond its current remit within contemporary fictional narratives

Neelam Srivastava Professor of Postcolonial and World Literature Newcastle University

This book is an examination of how English language fiction by women writers from India, Pakistan, Bangladesh and Sri Lanka has grappled with the idea and practice of resistance

A valuable original and timely contribution to the field of South Asian literary and cultural studies

this book extends and complicates existing debates about the meanings of resistance

It brings to the fore not only the emancipatory potential of resistance but also the contradictions that it can encompass as well as the anxieties that it can generate particularly for women

Focusing on novels and short fiction, the book explores fiction by Arundhati Roy, Kamila Shamsie, Tahmima Anam, Jhumpa Lahiri, Manju Kapur and Ru Freeman amongst others

Junglee Phool (A Novel based on the Abotani Tribes of Arunachal Pradesh) Joram Yalam, 2021-06-10

There are 26 main tribal societies in Arunachal Pradesh and Tani tribes

Adi Nysee Apatani, Galo and Tagin is one of the most prominent ones

Tani father, the famed ancestor, is made known in the society through popular folk tales

He is depicted as a polygamous, loveless, lustful vagabond and ruthless rapist

He is one who uses his extraordinary vigour, vitality and wisdom only to acquire women

His image portrayed so far has been very different and squarely down to earth

Yalam not only very brilliantly breaks this myth but also artfully reconstructs a new modified Tani using her skill of storytelling and imaginative deftness

The result of her art is this novel *Junglee Phool*

The novel is an extraordinary creation of a creative mind

This work not only presents a

historical life journey of Tani tribes but also its culture and society's authentic internal image. The novel is also successful in portraying some of the traditions, blind beliefs, internal and external fights, and customs related to rampant torture of women. It also becomes a mouthpiece for the oppressed and those who wish to live in peace in the now found society. The writer's progressive humane point of view is aimed at transforming the wide spread tribal society. In modern literature, being written by a small educated intellectual class in India's tribal societies, the novel celebrates the glory of love in numerous forms. There are many powerful feminine characters we cannot live without being influenced by their instinctive naturalness. This bold work proclaims the relationship between men and women as its ideal and has become very readable due to its beautiful and ornate language. The authentic depiction of her society and her revolutionary call for social transformation makes the novel a rare work in the literature being written there.

Vir Bharat Talwar, Jawaharlal Nehru University, CIL Hindi SSS, to pace along treating oneself as a part of it, one who could smile in the company of the flowers. One who could hear the call that comes from the innermost chamber of the ocean, deep heart, and could spread like the golden rays of the sun. One hand touching the sky when the other touching the earth. Germinate and grow even out of a handful of dust found on the top of a rocky hill. Bloom for an instant and die. A wild flower flourishes and smells wonderfully well even in the absence of moonshine and the light of the sun. It blooms in places unfathomable by human eye and beyond our imagination. This is a continuous flow like a river. The courage to stroll and march ahead the newest possible ways and the courage to face fearlessly is the nature of the wild. The forest is never partial. Life is non-aligned there. The flowers that flourish here have their own will and wish. They have neither attachment nor detachment, neither selection nor rejection. Jungle is the name of liberty from all types of bondage and burden. That liberty emanates from ultimate discipline. Though the forest is for all yet it is not the property of any one. That is why it is jungle, the forest. Tani was the flower of the forest. That is why he was called father. That is why he could experience love. Let me say this way he declared love. No impediment, no imperative, no fright could stop him. He sprouted again and again in any circumstances. Sprout into flower was his ultimate intent. There was life in his bloom.

An excerpt from the novel The Coupling Convention : Sex, Text, and Tradition in Black Women's Fiction Ann duCille, Associate Professor of English and African American Studies, Wesleyan University, 1993-10-19. What does the tradition of marriage mean for people who have historically been deprived of its legal status? Generally thought of as a convention of the white middle class, the marriage plot has received little attention from critics of African American literature. In this study, Ann duCille uses texts such as Nella Larsen's *Quicksand* (1928) and Zora Neale Hurston's *Their Eyes Were Watching God* (1937) to demonstrate that the African American novel, like its European and Anglo-American counterparts, has developed around the marriage plot, what she calls the coupling convention. Exploring the relationship between racial ideology and literary and social conventions, duCille uses the coupling convention to trace the historical development of the African American women's novel. She demonstrates the ways in which black women appropriated this novelistic device as a means of expressing and

reclaiming their own identity More than just a study of the marriage tradition in black women s fiction however *The Coupling Convention* takes up and takes on many different meanings of tradition It challenges the notion of a single black literary tradition or of a single black feminist literary canon grounded in specifically black female language and experience as it explores the ways in which white and black male and female mainstream and marginalized traditions and canons have influenced and cross fertilized each other Much more than a period study *The Coupling Convention* spans the period from 1853 to 1948 addressing the vital questions of gender subjectivity race and the canon that inform literary study today In this original work duCille offers a new paradigm for reading black women s fiction **Science Fiction in India** ,2022-05-30

Shortlisted for the British Society for Literature and Science BSLS Book Prize 2023 Nominated 2023 Teaching Literature Book Award Indian Science Fiction has evolved over the years and can be seen making a mark for itself on the global scene Dalit speculative fiction writer and editor Mimi Mondal is the first SF writer from India to have been nominated for the prestigious Hugo award In fact Indian SF addresses themes such as global climate change Debates around G C C are not just limited to science fiction but also permeate in critical discussions on SF This volume seeks to examine the different ways by which Indian SF narratives construct possible national futures For this looking forward necessarily germinates from the current positional concerns of the nation While some work has been done on Indian SF there is still a perceptible lack of an academic rigor invested into the genre primarily perhaps because of not only its relative unpopularity in India but also its employment of futuristic sights Towards the same among other things it proposes to study the growth and evolution of science fiction in India as a literary genre which accommodates the duality of the national consciousness as it simultaneously gazes ahead towards the future and glances back at the past In other words the book will explore how the tensions generated by the seemingly conflicting forces of tradition and modernity within the Indian historical landscape are realized through characteristic tropes of SF storytelling It also intends to look at the interplay between the spatio temporal coordinates of the nation and the SF narratives produced within to see firstly how one bears upon the other and secondly how processes of governance find relational structures with such narratives Through these the volume wishes to interrogate how postcolonial futures promise to articulate a more representative and nuanced picture of a contemporary reality that is rooted in a distinct cultural and colonial past **Britain and World War One** Alan G. V. Simmonds,2013-03-01

The First World War appears as a fault line in Britain s twentieth century history Between August 1914 and November 1918 the titanic struggle against Imperial Germany and her allies consumed more people more money and more resources than any other conflict that Britain had hitherto experienced For the first time it opened up a Home Front that stretched into all parts of the British polity society and culture touching the lives of every citizen regardless of age gender and class vegetables were even grown in the gardens of Buckingham Palace Britain and World War One throws attention on these civilians who fought the war on the Home Front Harnessing recent scholarship and drawing on original documents oral testimony and historical texts this book

casts a fresh look over different aspects of British society during the four long years of war It revisits the early war enthusiasm and the making of Kitchener s new armies the emotive debates over conscription the relationships between politics government and popular opinion women working in wartime industries the popular experience of war and the question of social change This book also explores areas of wartime Britain overlooked by recent histories including the impact of the war on rural society the mobilization of industry and the importance of technology responses to air raids and food and housing shortages and the challenges to traditional social and sexual mores and wartime culture Britain and World War One is essential reading for all students and interested lay readers of the First World War
