*A History of Cyprus* George Hill, 2010-09-23 A rich varied history of conquerors and colonizers which recognizes the centrality of Cyprus to the Mediterranean world      **Cyprus And Its People** Vangelis Calotychos, 2021-11-28 This edited volume of interdisciplinary essays considers the aspects of nation identity and collective experience in the notoriously divided island of Cyprus The contributors examine the role of international politics particularly the involvement of Greece and Turkey and examine the changing relationship between the Greek and Turkish Cypriot communities since 1955 The book challenges prevailing assumptions about political and cultural identity in Cyprus and theorizes on the prospects for mobilizing more multi dimensional and workable formations of community on Cyprus The result is a tightly conceived volume divided into sections of national identity political possibilities the location of culture and social and psychological perspectives      **Cyprus Bulletin** ,1994      British Cyprus and the Long Great War, 1914-1925 Andrekos Varnava, 2019-06-14 Most of the Cypriot population especially the lower classes remained loyal to the British cause during the Great War and the island contributed significantly to the First World War with men and materials The British acknowledged this yet failed to institute political and economic reforms once the war ended The obsession of Greek Cypriot elites with enosis union with Greece which only increased after the war and the British dismissal of increasing the role of Cypriots in government bringing the Christian and Muslim communities closer and expanding franchise to all classes and sexes led to serious problems down the line not least the development of a democratic deficit Andrekos Varnava studies the events and the impact of this crucial period

Travels in the Island of Cyprus Giovanni Mariti, 2009      **Travels in the Island of Cyprus** Giovanni Mariti, 1909      **The Living Age** ,1885      *The Official History of Australia in the War of 1914-1918: The Australian imperial force in Sinai and Palestine 1914-1918, by H.S. perpetuation of the Cyprus conflict as well as to prejudices inter ethnic stereotypes and misperceptions The book also discusses how education could contribute to conflict transformation empathy and peaceful coexistence amongst the different Cypriot communities and how this has been possible in other multi ethnic societies The volume will be of interest to students practitioners and researchers interested in peace education multiculturalism and conflict transformation *Macariae Excidium, Or, The Destruction of Cyprus* Charles O'Kelly, John Cornelius O'Callaghan, 1850 **Macariae Excidium, Or the Destruction of Cyprus; Being a Secret History of the War of the Revolution in Ireland, by Colonel Charles O'Kelly ... Sweet and Bitter Island Tabitha Morgan, 2010-07-12 On a sweltering day in July 1878 the men of the 42nd Royal Highlanders the Black Watch waded ashore at Larnaca Bay to begin the British occupation of Cyprus Today Britons on sunbeds colonise the same stretch of sand the latest visitors to an island which has long held a special place in the English imagination and a controversial role in British imperial ambitions Drawing on largely unpublished material Tabitha Morgan reflects on why successive administrations failed so catastrophically to engage with their Cypriot subjects and how social segregation confusion about Cypriot identity and the poor calibre of so many administrators all contributed to the bloody conflict that led finally to Cypriot independence in 1960 Sweet and Bitter Island explores for the first time the unique bond between Britain and Cyprus and the complex sometimes tense relationship between the two nations which endures to the present day Extensively researched and lyrically written this is the definitive portrait of British colonial life on the Mediterranean island **The Sieges of Nicosia and Famagusta in Cyprus** Uberto Foglietta, 1899 A History of the Orthodox Church of Cyprus from the Coming of the Apostles Paul and Barnabas to the Commencement of the British Occupation (A. D. 45-A. D. 1878) Together with Some Account of the Latin and Other Churches Existing in the Island John Hackett, 1901 **Propaganda and the Cyprus Revolt** Maria Hadjiathanasiou, 2020-05-14 During the EOKA period of Greek Cypriot revolt against British colonial rule the Greek Cypriots and the British deployed propaganda as a means of swaying allegiances both within Cyprus and on the international scene Propaganda and the Cyprus Revolt places new emphasis on the vital role propaganda played in turning the tide against British colonial control over Cyprus Examining the increase of violence and coercion during this period of revolt this book examines how the opposing sides mobilization of propaganda offered two alternative visions for the future of Cyprus that divided opinion to the ultimate detriment of British counterinsurgency efforts Detailing the deployment of propaganda by both parties across radio television and print channels the book draws upon previously unpublished archival material in order to paint a detailed picture of how the British Empire lost control over the hearts and minds of the Greek Cypriot people This study shines new light on a crucial period of Cypriot history and contributes to wider transnational debates around the use of propaganda and the end of empire This will be an essential read for students of Cyprus history and British colonial history **A Chronology of Cyprus** Sir Ronald

Storrs, 1930
