Engendering Social Policy:

Engendering Social Policy Sophie Watson, Lesley Doyal, 1999 Engendering Social Policy brings new and fresh perspectives to the question of how social policy constructs gendered social relations With the restructuring of welfare firmly back on the political agenda in the context of a reassertion that traditional families are the backbone of society this book raises important issues for students academics and practitioners grappling with social policy issues at the end of the millennium

EBOOK: Reconceptualizing Social Policy: Sociological Perspectives on Contemporary Social Policy Amanda Coffey, 2004-09-16 How can sociological perspectives help us make sense of contemporary social policy How has the discipline of social policy engaged in recent sociological debates and developments This book provides a variety of sociological frameworks for understanding contemporary social policy It explores how sociological perspectives may be used to theorize conceptualize and research social policy Amanda Coffey captures the different ways in which social policy can be understood as academic discipline policy process service provision and lived experience The book engages with a range of policy areas and client groups and pays attention to sociodemographic categories such as gender race class and age Themes include The body and processes of embodiment Citizenship and identity Equality and differences Space and time Research and representation Reconceptualizing Social Policy is a key text for students and lecturers in sociology and social policy

Modernising Social Policy Tom Burdon, Charlie Cooper, Steph Petrie, 2017-11-22 This title was first published in 2000 The 1997 election marked the prospect of a new era in social welfare the possibility of establishing a third phase in the post war history of the welfare state the first being the creation of the Keynesian welfare state the second the Thatcher Major neo liberal reforms The key aim of this book is to critically explore the options for the future of welfare under New Labour The welfare state that the government inherited from the Conservatives is widely believed to be in a critical condition At the same time there is evidence of widening social inequality in Britain which existing social policy measures fail to address Whilst acknowledging that future welfare strategies are likely to operate within a market paradigm the key argument of this book is that welfare providers should operate within a more accountable and democratic environment where service users have the right to participate in decision making processes affecting their welfare regardless of the ability to pay The book concludes that the dominant discourse shaping social policy in Britain must be recognized and should not be accepted uncritically and that there are very real economic as well as social benefits from taking measures to address social disadvantage

The Student's Companion to Social Policy Pete Alcock, Margaret May, Sharon Wright, 2012-01-30 These essays convey the immediacy of social policy's intellectual and political engagements with the world and its practical applications in research and employment They also provide an overview of resources available to students

Gender and Interpersonal Violence K. Throsby, F. Alexander, 2008-10-24 Drawing on research from a variety of disciplines this edited collection challenges conventional understandings of gendered interpersonal violence and identifies emerging sites and forms of resistance to it

Women and Housing Patricia Kennett, Kam Wah Chan, 2010-12-07 In the context of contemporary economic political social and cultural transformations this book brings together contributions from developed and emerging societies in Europe the USA and East Asia in order to highlight the nature extent and impact of these changes on the housing opportunities of women The collection seeks to contribute to comparative housing debates by highlighting the gendered nature of housing processes locating these processes within wider structured and institutionalized relations of power and to show how these socially constructed relationships are culturally contingent and manifest and transform over time and space The international contributors draw on a wide range of empirical evidence relating to labour market participation wealth distribution family formation and education to demonstrate the complexity and gendered nature of the interlocking arenas of production reproduction and consumption and the implications for the housing opportunities of women in different social contexts Worldwide examples are drawn from Australia China Great Britain Hong Kong Japan Spain Sweden Taiwan and the USA

Criminology Eamonn Carrabine, Pamela Cox, Pete Fussey, Dick Hobbs, Nigel South, Darren Thiel, Jackie Turton, 2014-03-21 Building on the success of the second edition Criminology A Sociological Introduction offers a comprehensive overview of the study of criminology from early theoretical perspectives to pressing contemporary issues such as the globalization of crime crimes against the environment and state crime Authored by an internationally renowned and experienced group of authors in the Sociology department at Essex University this is a truly international criminology text that delves into areas that other texts may only reference This new edition will have increased coverage of psychosocial theory as well as more consideration of the social political and economic contexts of crime in the post financial crisis world Focusing on emerging areas in global criminology such as green crime state crime and cyber crime this book is essential reading for criminology students looking to expand their understanding of crime and the world in which they live *India Higher Education Report 2015* N. V.

Varghese, Garima Malik, 2015-12-22 The unprecedented expansion of higher education in India and the proliferation of providers in turn have posed enormous challenges to equity quality and financing of the sector The India Higher Education Report 2015 traces the evolution of higher education and discusses the key role of committees and commissions whose reports and recommendations form the backdrop of contemporary developments Authoritative and comprehensive the volume examines a range of themes including equity financing employment quality and governance It also engages with new and recent data as well as current issues and debates The volume will be an important resource for academics policy makers civil society organisations media and those concerned with higher education It will also be useful to scholars and researchers of public policy sociology and economics

Remaking Citizenship in Hong Kong Agnes S. Ku, Ngai Pun, 2011-02-22 This book provides a detailed comparative account of the development of citizenship and civil society in Hong Kong from its time as a British colony to its current status as a special autonomous region of China Girls' Violence Christine Alder, Anne Worrall, 2010-03-18 This critical collection brings together some of the best contemporary research on the perceived increase

in girls violence With perspectives from the United States Canada Australia and the United Kingdom the work challenges official definitions and media representations of girls and violence Contributors discuss whether violence by girls has actually increased what kind of behavior by girls is classified as violent how attitudes toward girls behavior have changed in what contexts girls behave violently and look at the links between girls violence and the broader issues of the social construction and social control of adolescent femininities With diverse essays representing different geographical and disciplinary perspectives this book offers at times contradictory evidence and conflicting views However common concerns are clear and the reader is rewarded with a rich exploration of the struggles of girls and young women to take control of their lives in material and ideological conditions that continue to restrict their options and opportunities

International Human Rights Law and Domestic Violence Ronagh J.A. McQuigg, 2011-04-06 This book examines the effectiveness of international human rights law through the case study of domestic violence This book asks whether international human rights law can only be effective in traditional cases of human rights abuse or whether it can rise to the challenge of being used in relation to such an issue as domestic violence The book focuses primarily on the question of how international human rights law could be used in relation to domestic violence in the United Kingdom The book considers recent case law from the European Court of Human Rights on domestic violence and whether the UK courts could use the Human Rights Act 1998 to assist victims of domestic violence The book goes on to look in detail at the statements of the international human rights bodies on domestic violence with particular focus on those made by the United Nations Committee on the Elimination of Discrimination against Women and the Special Rapporteur on Violence against Women The book explores the impact that the statements have had so far on the UK government's policy in relation to domestic violence

Unruly Cities? Chris Brook, Gerry Mooney, Steve Pile, 2006-02-01 The text argues that cities are open to many forms of order and disorder both from within the city and outside They represent cities potentials as well as their problems It challenges the assumption that cities are threatened by disorder from below and that they might be ruled by order imposed from above

Engendering Transformation Heike Kahlert, Sabine Schäfer, 2011-12-09 Gender relations in post socialist countries Even more than 20 years after turning away from socialism Eastern European and Central Asian states are still characterized by the regime change in the fields of work politics and culture What are the effects and implications that this change has produced for gender relations in post socialist countries And what does this mean for the situation of women and men living there today In this context gender relations are especially interesting since gender equality was perceived as a political goal and moreover a given reality in socialism The articles in this volume show the changes as well as the stability of gender relations and power structures during the transformation process and in post socialist times They shed light on topics like labour market policies fertility political representation of women or male artists concerned with gender issues covering the geographical space from Hungary and Poland over Bulgaria and Romania to Ukraine and Uzbekistan Beyond that some of the descriptions and analyses challenge

understood certainties about how to create gender equality and about the women and men living in post soviet regions today

Women and Work Liz Sperling, Mairead Owen, 2018-02-05 This title was first published in 2000 The 1990s have been heralded as the age of women based on the facts that globally more women are benefiting from formal education and are in paid employment in greater numbers than ever As such the possibility that an age of post feminism has been reached in which battles for women s basic rights have largely been won is implied This book based on research across academic disciplines challenges such claims Using women and work as the basis analysis the authors consider whether such things as flexible working equal opportunities initiatives and even contemporary conceptions of citizenship are universally beneficial to women The book presents research ranging from issues of immigrant sex workers in Japan to the implementation of EU equality policies and raises the ironic question that as the global economy increasingly depends on women could a growing but uneasy alliance be developing between capitalism and feminism

Children and Their Families Andrew Bainham, Bridget Lindley, Martin Richards, Liz Trinder, 2003-09-07 This book is concerned with the regulation of family relationships in particular the issue of openness and contact in the many different family situations in which it may arise The shift towards a presumption of contact and its articulation within diverse fields of family law and practice raises a whole series of questions which this book seeks to explore For example Why has the contact presumption emerged What is meant by contact and with whom What is the value and purpose of it What makes it work or not work What is the role of law and other forms of external intervention in promoting regulating or facilitating contact and to what extent should familial relationships be subject to state regulation More broadly what can we infer about current conceptualisations of family parenting and the relative importance of social and biological parenthood and childhood from policy and practice towards contact These and other questions were explored in a series of seminars organised by the Cambridge Socio Legal Group in 2002 The book is the product of these seminars Andrew Bainham Belinda Brooks Gordon Ann Buchanan Shelley Day Sclater Judy Dunn John Eekelaar Bob Geldof Jonathan Herring Claire Hughes Joan Hunt Adrian James Julie Jessop Felicity Kaganas Bridget Lindley Mavis Maclean Joanna Miles Katrin Mueller Johnson Elsbeth Neil Jan Pryor Martin Richards Bob Simpson Donna Smith Liz Trinder
