Destiny's Heir Y. M. Roger, 2013-10-29. Chicalia Prime a planet whose population is divided between the Light and the Dark designations denoting physical attributes and nothing else. It is a small and insignificant planet with a plethora of political problems. However the intricate aftermath to the climax of those problems has spent the last fifty years or so weaving itself into the fabric of the overarching authority the Galactic Fleet and the purviews thereof. And while it is becoming increasingly evident that there are other forces working against the Fleet yet simultaneous to those intricacies it is clear that the offspring of Chicalia's political problems and those loyal to them and their causes will completely re shape the government of the Fleet transferring the Fleet's seat of power from Galactica Triune to the soon to be not so insignificant Chicalia Prime. One of those intricacies Captain Shanteela Ka Lantrel or Kaylen to her close friends in command of the Fleet's crown jewel Destiny knows nothing of the Royal blood that runs through her veins. But Kaylen's destiny along with those under her command have become entwined with that of another the exiled Overlord Assassin Thetuderal Thetu Shaliagn and his many brothers in arms. So as life still continues back on Chicalia Prime it seems the future of the Fleet and therefore the galaxy is being prophetically and passionately unlocked with Thetu and Kaylen at its epicenter.
