End Of Emerald Woods:

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

The Chicago of Fiction James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included

Elden Deathwalk, [All the Dead Fathers](#) David J. Walker, 2014-05-27 Two years ago Father Michael Nolan was sued by the family of a seventeen year old girl who had committed suicide years ago after confessing to having an affair with Father Nolan The lawsuit was thrown out but all of Michael's secrets came out resulting in the end of his life as a priest and ruining his relationship with his niece Kirsten

Michael and Kirsten a private investigator and the lead character along with her lawyer husband Dugan of David J Walker's acclaimed Wild Onion mystery series were quite close especially after Michael helped her out of a big jam when she was in college and Kirsten is devastated by the revelations about her uncle She still feels obligated to him though after everything they've been through together and when a list of priests who have been accused of abuse appears in the Chicago newspaper she is sympathetic Unlike Dugan who defended him against the lawsuit but since then would rather have less than nothing to do with him But Kirsten's sympathy turns to real fear when one of the priests on the list turns up dead murdered and his body mutilated Has the list in the newspaper ignited a killer or is it someone seeking revenge for a more personal reason Before they can get anywhere on the first murder another priest turns up dead In *All the Dead Fathers* the latest intricately constructed novel by the award winning author of the Mal Foley mysteries Kirsten and Dugan try to find a killer amid the rising danger

The End of Emerald Woods David J. Walker, 2000-12-12 Chicago investigator and lawyer wife and husband team Kirsten and Dugan are working together again to investigate what looks like a penny ante problem the theft of 2112 50 donations to the Committee to Rescue Emerald Woods from the grassroots organization's treasurer It seems like an open and shut case But when it becomes clear that one group who might take offense by CREW's activities is a powerful Chicago land developer and that the supposedly small time theft of the money has been accompanied by some very serious threats the case gets complicated and deadly in a hurry Edgar Award nominee David J Walker's Wild Onion series which includes *A Ticket to Die For* and *A Beer at a Bawdy House* features two of the most appealing and creative series characters in mystery fiction today and this cleverly drawn new installment is sure to be a success with longtime fans as well as those new to Walker's fine work

No Show of Remorse David J. Walker, 2016-02-09 Chicago private eye Mal Foley was a lawyer once Then he disobeyed a court order requiring him to reveal a client's role in a shootout that left three people dead one of them a cop and his law license was revoked Now years removed from that fateful day Mal is filing a petition to get his license reinstated It quickly becomes a problem however as Mal is expected to express remorse for his misconduct in order to satisfy the court something he steadfastly refuses to do In fact he would withdraw the petition if people would only stop trying to frighten him into doing just that Anonymous notes turn into death threats then into savage beatings and finally into murder It seems no one wants Mal's petition to lead to a hearing where testimony might reveal what really led to the shooting so many years ago The person with the most to lose should the truth come out seems to be Jimmy Coletta a second cop shot that night Coletta survived but has spent his life since in a wheelchair Whatever part he played in the shootout he seems a good man now spending his life helping minority kids who have disabilities Mal doesn't want to bring Jimmy down but soon an innocent man's life depends on Mal pressing ahead with his petition no matter who gets destroyed in the process Set in Chicago *No Show of Remorse* is a startling novel about crime corruption and their devastating consequences
