End Time Visions The Road To Armageddon:

End-time Visions Richard Abanes,1998 In this look at doomsday madness its history leaders followers and dogma Abanes cites historical antecedents from the Middle Ages and the Renaissance and discusses in detail the myriad of popular doomsday prophets including Japan s Aum Shinrikyo and other international movements Illustrations *End Times Fiction* Gary DeMar,2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society

Right-Wing Radicalism Today Sabine von Mering,Timothy Wyman McCarty,2013-06-19 This book highlights recent developments in the radical right providing comparative analysis of current extremist activity in Eastern and Western Europe and the United States It reveals the growing amount of connections and continuities of rightwing movements and ideologies across national borders Subjects covered include Who joins radical right parties and why Recent developments in parties in Eastern Western Europe The transatlantic cross fertilisation of ideological perspectives How the US extreme right has changed since the emergence of the Tea Party movement This will be essential reading for all students and scholars within an interest in the contemporary radical right and extremism **Oh, Your God!** Joshua Kelly,2016-01-05 This book is not just for atheists but for antitheists for people who celebrated the writing of Christopher Hitchens and miss his voice Making the provocative assertion that the entire enterprise of organized religion is a thing for which the world and our species would have been better without Oh Your God follows in the footsteps of the material observations of Lucretius Epicurus and Democritus and the more recent antitheistic arguments of Christopher Hitchens and Richard Dawkins Drawing from timeless philosophers modern debates historical events and current social climes Joshua Kelly illustrates the shameful and debilitating damage religion has caused and continues to cause whether to our psyches our bodies our societies or our world Citing the murders of Nigeria s witch children the subversion of sexual emancipation the tethers of slavery the attacks of September 11 the pseudomorality of monotheistic mythology the subjugation of women and much more he provides an abundance of damning evidence to back up his claims Only by acknowledging and grappling with the real and potential dangers of religion he argues will we be able to thrive and develop as a species **A History of the Apocalypse** Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such

beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history

Curious Obsessions in the History of Science and Spirituality ATF Press,2020-12-09 The frontiers of religion and science have always been pushed forward by curious and obsessed individuals like the monk who kept banned books in a secret library under the nose of the pope the explorers who searched for the lost tribes of Israel but found a new continent instead the eccentric doctor and a mad monk who intuited scientific truths well before future generations would prove their theories correct the archaeologists who discovered the goddess just in time for feminism the utopians who never quite found what they were looking for and a current flock of priests and nuns who go wherever knowledge takes them It is a delicious quirk of history that individuals dismissed by their contemporaries as eccentrics and troublemakers are often those with the most impact on the world Curious Obsessions in the History of Science and Spirituality is a captivating look at the famous and the forgotten who emerged in times of extreme change and social disruption to change science and spirituality for ever During our current Covid19 pandemic this collection is highly relevant to a world still seeking novel answers to the human condition and also drawn to old theories long ago debunked

Christianity: Endangered or Extinct, Volume 2 Thomas Kessler,2019-06-12 This book challenges some long held beliefs about Christianity as we know it detailing a great divide between Jesus of Nazareth s teachings and Christianity extending into the Middle Ages With comprehensive historical research over a twenty year period Thomas Kessler analyzes the power and class struggles in the church He shows how clergymen continued to choke life out of the Christian community The reality is insidious the horrors startling and some church officials even committed genocide No the church has not been perfect throughout its history Knowing the facts about it grounds us in reality the starting point of any true Christian commitment This is a true People s History of Christianity in the tradition of Howard Zinn s People s History of the United States and one that will have you seeing Christianity in a brand new light

Vision and Violence Arthur P. Mendel,1999 Arthur P Mendel argues that throughout history man has worried about the Apocalypse a phenomenon that has changed from God to reason to history and then to nature He calls for a more modest and humane philosophy with regard to the Earth

The Case for Zionism Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism

attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day

End-Timers Martin Ballard,2011-08-17 This fascinating history surveys apocalyptic religion through time setting it within a political and social context End Timers Three Thousand Years of Waiting for Judgment Day examines the high and low points of millennial expectation across the centuries It shows how and why such beliefs first developed in antiquity and it explores how end timers influenced events as varied as the persecutions of Hellenistic ruler Antiochus Epiphanes and Roman Emperor Nero the Crusades the settlement of North America and the 20th century debacles at Jonestown and Waco Suggesting that anyone who wishes to understand the Middle East today needs to penetrate the background of modern fundamentalism within the three Semitic religions the author illuminates the part played by Christian Zionists in promoting the return of the Jews to the promised land and the resulting formation of the state of Israel as well as subsequent fundamentalist reactions within both Judaism and Islam He also follows the birth of the Christian Right in 19th century Britain and its development and growing influence in the United States Finally the book examines how religious end timers confront the four horsemen of the 21st century apocalypse world population increase depletion of natural resources advanced weaponry and global warming

Encyclopedia of Fundamentalism: Volume 3 of Religion & Society Brenda Brasher,2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others

Understanding Apocalyptic Terrorism Frances L. Flannery,2015-08-20 This book explores a cross cultural worldview called radical apocalypticism that underlies the

majority of terrorist movements in the twenty first century Although not all apocalypticism is violent in its extreme forms radical apocalypticism gives rise to terrorists as varied as members of Al Qaeda Anders Behring Breivik or Timothy McVeigh In its secular variations it also motivates ideological terrorists such as the eco terrorists Earth Liberation Front or The Unabomber Ted Kaczynski This book provides an original paradigm for distinguishing between peaceful and violent or radical forms of apocalypticism and analyses the history major transformations and characteristics of the apocalyptic thought system Using an inter disciplinary and cross cultural approach this book discusses the mechanisms of radicalization and dynamics of perceived oppression and violence to clarify anew the self identities motivations and goals of a broad swath of terrorists As conventional counter terrorism approaches have so far failed to stem the cycle of terrorism this approach suggests a comprehensive cultural method to combating terrorism that addresses the appeal of radical apocalyptic terrorist ideology itself This book will be of much interest to students of apocalypticism political violence terrorism and counter terrorism intelligence studies religious studies and security studies

Letter to My Christian Family and Friends: Living without God Darrel Newkirk MD, MPH, 2016-04-04 Darrel D Newkirk MD MPH was a devoted Christian for over 55 years He believed God was calling him to be a medical missionary and subsequently he and his wife prepared to serve as foreign missionaries They served 5 years in Zaire Africa After returning to the United States from Africa he continued to serve actively in their Southern Baptist church He and his wife helped to start a new mission Southern Baptist church in which he was active for over 20 years But then he left not only that church but Christianity itself LETTER TO MY CHRISTIAN FAMILY AND FRIENDS Living Without God is the author s answer to the question Why Why did he leave the religion of his parents family and friends after devotedly serving God and His church for over 55 years The book reveals his answers to that question

Field Guide to the Wild World of Religion Pamela Dewey, 2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide

The Evangelical Dictionary of World Religions H. Wayne House, 2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them

How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today s religious landscape Apocalyptic Fever Richard G. Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more *The Prophecy That Is Shaping History* Jon Mark Ruthven,Jon Ruthven,2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entityeven to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it *The Prophecy That Is Shaping History* represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel s prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel s prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness *CHRISTIAN ZIONISM. THEOPOLITICS AND BIBLICAL MYTH-MAKING* BÜLENT ŞENAY,2021-01-01 This book is meant to serve as a reader material an instrument designed to help students of Christian Zionism regardless of their background age and ultimate interest find their way in existing literature
