The weird hobby of being a lost soul ... an amazing journey on beautiful pathless paths Adrian Gabriel Dumitru, Experiencing a path that takes us to nowhere it's not useless We should understand and accept that not the destination is important cause life has no real destination but what it is really important is maybe the experience itself Good bad however it is it all has the meaning to reveal to us the dance of energies beyond the scene of reality making us aware that all is energy Into the end maybe there is only one conclusion but I hate saying it Well we could choose to connect just on the beautiful vibrations of life and totally ignore negativity But we can't

I can't Maybe I'll never be able to do it So life continues revealing new and new experiences and I still don't really understand the energies the amazing dance of energies Looking like a cocktail of elements which induces us the illusion of the abstract I smile and I stop being annoyed I allow life to continue and I finally accept that in fact life would continue anyway with or without my approval And all I have to do is just to experience it with or without joy even if I know that the only purpose is to evolve spiritually So The Redeemer's Tears Wept Over Lost Souls; and Two Discourses, on Self-dedication and on Yielding Ourselves to God John Howe (of Magdalen College, Oxford.), 1837 **the lost souls**
