End Of Innocence Britain:

The End of Innocence Simon Garfield, 2021-11-30 With a new introduction by Russell T Davies A new edition of the award winning ground breaking account of the early AIDS crisis in Britain Masterful Jonathan Dean Sunday Times A remarkable journalistic achievement Time Out Powerful Indispensable Observer Superb London Review of Books Winner of the Somerset Maugham Prize How does a country control a virus that is killing increasing numbers of people How does a government contain an epidemic spread by sex drug use and blood products And how does a population react when told that everyone is at risk from infection By 1986 when the British Government woke up to the problem of AIDS it estimated that 30 000 people had already been infected with HIV Why did it act so late Would the situation have been different if most of those affected had not been gay men Award winning journalist Simon Garfield presents a story of political intrigue of panic and hysteria of wasted opportunities and of a medical battle conducted against seemingly impossible odds Including interviews with key figures in the fight against the virus as well as those facing personal devastation and prejudice The End of Innocence is an important and powerful story compellingly told Features a new afterword by the author **Theatre Censorship in Britain** H. Freshwater, 2009-04-08 This exploration of the wide variety of censorship that has shaped theatrical performance in twentieth and twenty first century Britain examines the unpredictable outcomes of censorship deep seated anxieties about the performative influence of the stage and the complex questions raised by acts of theatrical censorship *Economics and Economic Policy in Britain* T.W. Hutchison, 2013-10-28 The first part of the book is devoted to an historical survey of what has been written regarding Britain's policy problems since 1946 problems such as full employment the sources and methods of controlling inflation and the measures to promote economic growth At an international level issues such as economic relations with Europe and the question of devaluation are considered The subsequent part of the book considers how far economists recommendations regarding policies have been derived from well tested theories or how far they have been based on speculation guesswork or judgement **HIV in the UK** Jose Catalan, Barbara Hedge, Damien Ridge, 2020-12-21 This book explores the thoroughly human dimension of the health care and prevention responses to the HIV crisis in the UK and the impact that such initiatives had on the progression of the epidemic This book presents a compelling account of the unfolding of the epidemic and the initiatives that made all the difference in the care and prevention of HIV in the UK from the early 1980s to the present time Drawing on interviews with people with HIV doctors and nurses involved in their care leaders of AIDS charities activists and politicians it identifies and describes the models of care developed in response to the onset of the HIV epidemic and its impact on NHS and voluntary organisations It goes on to explore the political responses the evolution of HIV stigma and the personal impact of the early high mortality rates Finally it discusses recent organisational changes in the provision of care and prevention services In doing so this volume identifies the lessons learnt from the care and prevention of HIV both in relation to HIV infection and other

conditions such as COVID 19 and discusses future challenges This book will be of great value to those working in services dealing with HIV charities and Clinical Commissioning Groups and GP organisations as well as social historians and medical sociologists

The Way Out Sebastian Buckle, 2015-05-21 In 1957 there were over a thousand men in prison for homosexual offences A little over half a century later homosexuality is an active part of the mainstream Homosexuality has a public profile on TV in film and in literature and popular culture When did today's fairly open discourse on homosexuality begin Sebastian Buckle argues that homosexuality as a public identity began after the Second World War on the release of the Wolfenden Report which recommended gay sex be decriminalised and tells the story of homosexuality in the public eye Buckle takes us through early images of homosexuality in the 1950s the founding of the Gay Liberation Front Section 28 and community radicalism under Margaret Thatcher's government the AIDS crisis of the 1980s the expanding musical and cultural influence of gay subcultures and the resulting partial acceptance into the mainstream of queer identities The result is a complex and nuanced history of gay movements society and the media and a fresh look at how the struggle for acceptance and equality has been fought

AIDS in the UK Virginia Berridge, 1996-03-29 Fifteen years ago the AIDS epidemic did not exist on the public agenda In just over a decade the public and official response to the disease has resulted in the development of a whole network of organizations devoted to the study containment and practical treatment of AIDS In this important and original analysis of AIDS policy Virginia Berridge examines the speed and nature of the official and unofficial response to this new and critical historical event The policy reaction in Britain passed through three stages From 1981-1986 the outbreak of a new contagious disease led to public alarm and social stigmatization with a lack of scientific certainty about the nature of the disorder AIDS was a new and open policy area there were no established departmental local or health authority mechanisms for dealing with the problem This was a period of policy development from below with relatively little official action and many voluntary initiatives behind the scenes This phase was succeeded in 1986-1987 by a brief stage of quasi wartime emergency in which national politicians and senior civil servants intervened and a high level political response emerged The response was a liberal one of safe sex and harm minimization rather than draconian notification or isolation of carriers The author demonstrates that despite the Thatcher revolution in government in the 1980s crisis could still stimulate a consensual response The current period of normalization of the disease sees panic levels subsiding as the rate of growth slows and the fear of the unknown recedes Official institutions have been established and formal procedures adopted and reviewed paid professionals have replaced the earlier volunteers The 1990s have seen change in the liberal consensus towards a harsher response and the partial repoliticization of AIDS In this fascinating and scholarly account Virginia Berridge analyses a remarkable period in contemporary British history and exposes the reaction of the British political and medical elites and of the British public to one of the most challenging issues of this century

The Wrestling Simon Garfield, 2013-03-21 A brilliant oral history of the golden age of British wrestling and magnificent wider

social history Richard Osman The classic account of the men and women who used to fight each other for pride and money Simon Garfield brings them to life in one last glorious bout of jealousy myth revenge passion and deep devotion When British wrestling was dropped from the ITV schedules in the mid 80s it left the giants of the ring Big Daddy Giant Haystacks Kendo Nagasaki bereft This is the true story of the circuit the big names and their rivalries told with humour warmth and affection This edition features a new afterword by the author

The Psychology of Food Choice Richard Shepherd, Monique Raats, 2006 One of the central problems in nutrition is the difficulty of getting people to change their dietary behaviours so as to bring about an improvement in health What is required is a clearer understanding of the motivations of consumers barriers to changing diets and how we might have an impact upon dietary behaviour This book brings together theory research and applications from psychology and behavioural sciences applied to dietary behaviour The authors are all international leaders in their respective fields and together give an overview of the current understanding of consumer food choice

A Gay History of Britain Matt Cook, Robert Mills, Randolph Trumbach, H.G. Cocks, 2007-06-30 A Gay History of Britain tells the extraordinary history of male male sex and love in Britain in all its diversity from the Middle Ages to the present

St Mary's E.A. Heaman, 2003-05-08 Focusing on St Mary's hospital London's great teaching hospital and traditionally the pre eminent site for medical education in England E A Heaman traces the emergence of the modern scientific teaching hospital and the intellectual social and political forces shaping it Examining the social problems connected with health and the political debates around these problems at both the local parish level and on the national stage Heaman explains how and why hospitals like St Mary's originally charitable institutions for the poor began to admit middle class patients and eventually came under a national health insurance scheme

Masculinity in Fiction and Film Brian Baker, 2008-06-08 Covers wide range of popular British and American fiction and film including Westerns spy

fiction science fiction and crime narratives *Radical Acts* George Severs, 2024-05-02 Drawing on activist campaign literature and materials broadcast media and new oral history interviews Severs reconstructs and discusses the overlooked world of radical AIDS activism in England This book provides one of the first detailed histories of the radical HIV AIDS movement in England following ACT UP s travels from New York to London via prominent queer intellectuals and reconstructing the vibrant theatrical campaigns staged by ACT UP groups across England *Radical Acts* explores expressions of activism that were far more common than demonstrations and marches Manifestations of a political commitment to ameliorating the injustices facing people living with HIV permeated most aspects of everyday life These forms of everyday activism played out in workplaces universities and church halls across England as well as through networks that stretched across Europe and North America This book breaks new ground by studying the radical alongside the everyday presenting a diverse constellation of activist responses to the epidemic **House of Nutter** Lance Richardson, 2018-05-01 The strange illuminative true story of Tommy Nutter the Savile Row tailor who changed the silhouette of men s fashion and his rock photographer brother David who captured it all on film From an early age there was something different about Tommy and David Nutter Growing up in an austere apartment above a caf catering to truck drivers both boys seemed destined to lead rather humble lives in post war London Tommy as a civil servant David as a darkroom technician Yet the strength of their imagination plus a little help from their friends transformed them instead into unlikely protagonists of a swinging cultural revolution In 1969 at the age of twenty six Tommy opened an unusual new boutique on the golden mile of bespoke tailoring Savile Row While shocking a haughty establishment resistant to change Nutters of Savile Row became an immediate sensation among the young rich and beautiful beguiling everyone from Bianca Jagger to the Beatles who immortalized Tommy s designs on the album cover of *Abbey Road* Meanwhile David s innate talent with a camera vaulted him across the Atlantic to New York City where he found himself in a parallel constellation of stars Yoko Ono Elton John who enjoyed his dry wit almost as much as his photography *House of Nutter* tells the stunning true story of two gay men who influenced some of the most iconic styles and pop images of the twentieth century Drawing on interviews with more than seventy people and taking advantage of unparalleled access to never before seen pictures letters sketches and diaries journalist Lance Richardson presents a dual portrait of brothers improvising their way through five decades of extraordinary events their personal struggles playing out against vivid backdrops of the Blitz an obscenity trial the birth of disco and the devastation of the AIDS crisis A propulsive deftly plotted narrative filled with surprising details and near operatic twists *House of Nutter* takes readers on a wild ride into the minds and times of two brilliant dreamers *Luminous presence* Alexandra Parsons, 2021-11-02 *Luminous presence* Derek Jarman s life writing is the first book to analyse the prolific writing of queer icon Derek Jarman Although he is well known for his avant garde filmmaking his garden and his AIDS activism he is also the author of over a dozen books many of which are autobiographical Much of Jarman s exploration of post war queer identity

and imaginative response to HIV AIDS can be found in his books such as the lyrical AIDS diaries *Modern Nature* and *Smiling in Slow Motion*. This book fully explores for the first time the remarkable range and depth of Jarman's writing. Spanning his career, Alexandra Parsons argues that Jarman's self-reflexive response to the HIV AIDS crisis was critical in changing the cultural terms of queer representation from the 1980s onwards. Luminous presence is of great interest to students, scholars and readers of queer histories in literature, art and film.

World Authors, 1995-2000 Mari Rich, Olivia J. Smith, Clifford Thompson, 2003. Representing a broad range of ethnic diversity, these in-depth profiles present fascinating accounts of lives and careers, the circumstances under which works were produced and their literary significance. Each profile also includes critical evaluation, a list of the author's principal works with date first published, a list of major critical works and a portrait or photograph where available.

The Circuit of Mass Communication David Miller, 1998-01-28. This book moves beyond the narrow focus of much of the work on media and cultural studies to examine the whole process of interaction between the media and the social world. Rejecting approaches which focus only on ownership or discourse or audience reception, this new book from the Glasgow Media Group examines promotional strategies, media production, representation and audience responses as well as broader impacts on policy, culture and society. Using a detailed analysis of the struggle over representation during the AIDS crisis as point of departure, *The Circuit of Mass Communication* reveals the power of the media to influence public opinion and the complex interaction between media coverage and audience response.

God and Mrs Thatcher Eliza Filby, 2015-02-24. A woman demonised by the left and sanctified by the right, there has always been a religious undercurrent to discussions of Margaret Thatcher. However, while her Methodist roots are well known, the impact of her faith on her politics is often overlooked. In an attempt to source the origins of Margaret Thatcher's conviction politics, Eliza Filby explores how Thatcher's worldview was shaped and guided by the lessons of piety, thrift and the Protestant work ethic learnt in Finkin Street Methodist Church, Grantham, from her lay preacher father. In doing so, she tells the story of how a Prime Minister steeped in the Nonconformist teachings of her childhood entered Downing Street determined to reinvigorate the nation with these religious values. Filby concludes that this was ultimately a failed crusade. In the end, Thatcher created a country that was not more Christian but more secular and not more devout but entirely consumed by a new religion: capitalism. In upholding the sanctity of the individual, Thatcherism inadvertently signalled the death of Christian Britain. Drawing on previously unpublished archives, interviews and memoirs, Filby examines how the rise of Thatcher was echoed by the rebirth of the Christian right in Britain, both of which were forcefully opposed by the Church of England. Wide-ranging and exhaustively researched, *God and Mrs Thatcher* offers a truly original perspective on the source and substance of Margaret Thatcher's political values and the role that religion played in the politics of this tumultuous decade.
