End Of Time The Provocation Of Talking About God:

A Sacramental-prophetic Vision Matthew T. Eggemeier, 2014 In *A Sacramental Prophetic Vision The Praxis of Christian Spirituality in a Suffering World* Matthew Eggemeier argues that the sacramental and prophetic traditions of Christian spirituality possesses critical resources for responding to the contemporary social crises of widespread ecological degradation and the innocent suffering of a crucified people Eggemeier maintains that the vital key for cultivating these sacramental and prophetic traditions in the present is to situate these spiritualities in the context of spiritual exercises or ascetical practices that enable Christians to live more deeply coram Deo and in turn to make this presence visible in a suffering world

Gustavo Gutiérrez and the Liberative Sight of Christ Luke Foster, 2024-06-28 How can we speak of God as Father in a world that is inhumane While many engagements with Gutiérrez's theology centre on such themes as the option for the poor the role of praxis or the Kingdom of God in Gustavo Gutiérrez and the Liberative Sight of Christ Luke Foster explores the underlying theological convictions and commitments within which these concepts cohere By developing an analysis that is attentive to the unity and coherence of Gutiérrez's thought Foster resources a critique that is distinctive not only in its pertinence but also in the possibilities that it opens for the development of his project in the future Innovatively offering a systemic account of Gutiérrez's theology this book offers both an indispensable overview for those who are engaging with Gutiérrez for the first time and a distinctive analysis for those who are seeking to deepen their understanding of his work

Visions of Hope Kevin Ahern, 2013 Fifty years after the Second Vatican Council emerging theologians are in a unique position to offer hopeful visions for the next fifty years of the Church in light of the pressing internal and external challenges it faces today Rooted in the texts of Vatican II and a commitment to the church *Visions of Hope* brings together the research of leading young scholars around five important topics dialogue ecclesiology ethics liturgy and ministry These ideas represent the future shape of the Church because they are from the theologians who are planting the seminal ideas of Church

The End of Time? Tiemo Rainer Peters, Claus Urban, James Matthew Ashley, 2004 An opportunity to listen in on what was an important forum for theological discussion and an experiment in church politics this work makes available the proceedings from this significant meeting Of particular interest is the appearance here of Metz and Ratzinger two theologians who had clashed in the past and who are theologically poles apart

The End of Time? Joseph Cardinal Ratzinger, 2004

What Kind of God? Terence E. Fretheim, 2015-04-10 Terence E Fretheim has long been a leading voice in Old Testament theology In this volume thirty of his classic studies have been gathered together for the first time under the rubrics God and the World God and Suffering God Wrath and Divine Violence God and the Pentateuch God and the Prophets and God and the Church's Book Here readers can find a compelling answer to the question that has motivated Fretheim's work for more than forty years namely what kind of God is the God of Scripture The studies are introduced by a critical overview of Fretheim's career and theology by the editors and a retrospective by Fretheim himself

The Suffering of God, 1984-10-01 In this comprehensive and thought provoking study Terence Fretheim focuses on the theme of divine suffering an aspect of our understanding of God which both the church and scholarship have neglected Maintaining that metaphors matter Fretheim carefully examines the ruling and anthropomorphic metaphors of the Old Testament and discusses them in the context of current biblical theological scholarship His aim is to broaden our understanding of the God of the Old Testament by showing that suffering belongs to the person and purpose of God

Phenomenologies of the Stranger Richard Kearney, Kascha Semonovitch, 2011 What is strange Or better who is strange When do we encounter the strange This volume takes the question of hosting the Stranger to the deeper level of embodied imagination and the senses It asks How does the embodied imagination relate to the

Stranger in terms of hospitality or hostility given the common root of hostis as both host and enemy How do humans sense the dimension of the strange and alien in different religions arts and cultures How do the five physical senses relate to the spiritual senses especially the famous sixth sense as portals to an encounter with the Other Is there a carnal perception of alterity which would operate at an affective prereflective preconscious level What exactly do embodied imaginaries of hospitality and hostility entail And what finally are the topical implications of these questions for an ethics and practice of tolerance and peace American Book Publishing Record, 2005

The Destruction of America Is Coming Soon

William R. Gray, 2011-07-01 The Destruction of America Is Coming Soon explores the position of America as seen in the Bible and from where the Anti Christ will rule Most notably it reveals the fact that America will be totally destroyed during the judgment of God as part of the Great Tribulation period Author William Gray has spent years studying the Bible to find answers to the questions surrounding what will happen at the end time Now in this new study he shares those answers with you Before beginning his own research he had counted on the prophecies of men who had studied and taught the teachings of earlier teachers He counted on their many degrees from major Bible colleges and seminaries to bring him the truth Sadly he discovered that these teachings were not based upon the Holy Bible the Word of God The Bible says that when a man of God teaches something concerning the word of God they are to do what the Berians did in the book of Acts 17:11 study the Bible to find the right answers Scripture based and vitally important The Destruction of America Is Coming Soon offers the result of countless hours of Bible study and the conclusions drawn from that study
