**The Last Stand of the Gorilla** C. Nellemann, Ian Redmond, Johannes Refisch, 2010 Gorillas the largest of the great apes are under renewed threat across the Congo Basin from Nigeria to the Albertine Rift Poaching for bushmeat loss of habitat due to agricultural expansion degradation of habitat from logging mining and charcoal production are amongst these threats in addition to natural epidemics such as ebola and the new risk of diseases passed from humans to gorillas Alarming parts of the region are experiencing intensified exploitation and logging of its forest in some cases even within protected areas In the DRC many of these activities are controlled by militias illegally extracting natural resources such as gold tin and coltan as well as producing charcoal for local communities urban areas camps for people displaced by fighting and sometimes even to communities across the border These militias are located motivated armed and financed directly by this illegal extraction of minerals timber and charcoal A network of intermediaries including multinational companies or their subsidiaries

neighbouring countries and corrupt officials are involved in the transportation and procurement of resources which stem from areas controlled by militia or for which no legal exploitation permission exists      **Resources in Education** ,1987  
 Serves as an index to Eric reports microform      *Texas* Tatiana Ryckman,Linda Jacobs Altman,Tea Benduhn,2019-07-15  
 Texas is known for cowboys and chili rodeos and ten gallon hats but the Lone Star State also has a rich history and holds an important place in the development of the United States Filled with photographs and fascinating facts this book provides a perfect introduction to the history geography and culture of Texas It features information about the origins of the nation s second largest state the people who live there and the government that makes Texas run From Sam Houston to the Houston Astros this book showcases Texas from every angle      *What's Hecuba to Him?* Eva M. Dadlez,1997-01-01 Fiction transports us We inhabit new worlds in our imagination adopt perspectives not our own and even respond emotionally to persons and events that we know are not real The very nature of our emotional engagement with fiction says E M Dadlez attests to the possibility of its moral significance just as the nature of our imaginative engagement makes us collaborators in the creation of the worlds we imagine This book engages contemporary debate over the seeming irrationality or inauthenticity of our emotional response to fiction examining the many positions taken in this debate and arguing that we can understand the relation between cognition and emotion without devaluing our emotional responses to fiction It takes Hamlet s famous query as the first step in an analytic philosophical inquiry and by considering some of the answers that derive from that question arrives at a set of necessary conditions for an emotional response to fiction What Hamlet s player feels for Hecuba proposes Dadlez is no more illusory than what we feel for Hamlet that the actor weeps for Hecuba reflects both our capacity to envision and understand a seemingly limitless variety of human situations to empathize with others and the capacity of fiction to facilitate such understanding What s Hecuba to Him is an enticingly written work that opens an entire philosophical arena to literary scholars and illuminates the significance that literature has for our moral life      **Goddyssey Museum of Poetry Presents** Tara Shenéa Gause,2010-06 Enter into the Goddyssey Museum of Poetry the poetic realm and sanctuary of the immortal Poetic Goddess Tara Shen a In this artistic collection of poetry the reader will journey through the corridors of creativity and become supernaturally exposed to feelings of inspiration love laughter power faith filled encouragement and so much more The Goddess absorbs the reader with her engaging rhythmic style and diverse content to meet every reader s needs Wonder and amazement awaits in the featured Exhibition Hall corridor where she captivates and awes the reader with phenomenal expression using international as well as American traditional and contemporary poetry form styles      *The New Better Off* Courtney E. Martin,2016-10-04 Are we living the good life and what defines good anyway Americans today are constructing a completely different framework for success than their parents generation using new metrics that TEDWomen speaker and columnist Courtney Martin has termed collectively the New Better Off The New Better Offputs a name to the American phenomenon of rejecting the traditional dream of a 9 to 5 job home ownership and a nuclear family structure

illuminating the alternate ways Americans are seeking happiness and success Including commentary on recent changes in how we view work customs and community marriage rituals money living arrangements and spirituality The New Better Off uses personal stories and social analysis to explore the trends shaping our country today Martin covers growing topics such as freelancing collaborative consumption communal living and the breaking down of gender roles The New Better Off is about the creative choices individuals are making in their vocational and personal lives but it is also about the movements formal and informal that are coalescing around the New Better Off idea people who are reinventing the social safety net and figuring out how to truly better their own communities
