News as Entertainment Daya Kishan Thussu, 2008-01-09 Thussu brings to this project the passion for news of a socially committed former journalist the political economy of his international relations education and a formidable assembly of global detail examining the recent explosion of infotainment John Downing Southern Illinois University Thussu's account of war as infotainment the Bollywoodization of news and the emergence of a global infotainment sphere is as compelling as it is alarming This is a significant and essential book for anyone interested in exploring the connections between news journalism informed citizenship and democracy Bob Franklin The Cardiff School of Journalism Media and Cultural Studies Richly detailed and empirically grounded this first book length study of infotainment and its globalization by a leading scholar of global communication offers a comprehensive and critical analysis of this emerging phenomenon Going beyond both geographically and theoretically the dumbing down discourse largely confined to the Anglo American media the book argues that infotainment may have an important ideological role a diversion in which soft news masks the hard realities of neo liberal imperialism Chapters include a historical appraisal of infotainment the infrastructure for its globalization as well as coverage of recent wars on television news as high tech infotainment and the growing synergies between Hollywood and Bollywood originated infotainment A global infotainment sphere is emerging the book argues within which competing

versions of news from 24 7 news networks to bloggers coexist Accessible engagingly written and robustly argued the book combines analyses of theoretical debates on infotainment with extensive and up to date comparative data TV Futures Andrew T. Kenyon, 2007-01-01 TV Futures Digital Television Policy in Australia brings together leading writers from both law and media studies to examine the implications of the shift to digital television for the platforms and audiences copyright law and media regulation The book combines writers with expertise in media law and copyright law with those skilled in media policy and social and cultural research Through its scope and topicality the book substantially develops the literature on digital television to serve readers from across the fields of law the humanities and social sciences Politics, Media and Democracy in Australia Brian McNair, Terry Flew, Stephen Harrington, Adam Swift, 2017-02-10 In Australia as in many comparable democracies the role of the media in the political process is high on the public agenda There is a perception of widespread disillusionment with and disengagement from politics amongst voters and criticism of the media for failing to fulfil their democratic responsibilities adequately This book evaluates public perceptions of the performance of the political media in the context of the declared aims and objectives of media producers From there the authors present findings for improving the capacity of political media to engage and inform their audiences in ways which enhance the quality and popular legitimacy of the democratic process These conclusions are of import not only to Australians but to observers of mediated politics in the UK the US and other countries where similar debates around the crisis of public communication are on going **Fields, Capitals, Habitus** Tony Bennett, David Carter, Modesto Gayo, Michelle Kelly, Greg Noble, 2020-07-21 Fields Capitals Habitus provides an insightful analysis of the relations between culture and society in contemporary Australia Presenting the findings of a detailed national survey of Australian cultural tastes and practices it demonstrates the pivotal significance of the role culture plays at the intersections of a range of social divisions and inequalities between classes age cohorts ethnicities genders city and country and the relations between Indigenous and non Indigenous Australians The book looks first at how social divisions inform the ways in which Australians from different social backgrounds and positions engage with the genres institutions and particular works of culture and cultural figures across six cultural fields the visual arts literature music heritage television and sport It then examines how Australians cultural preferences across these fields interact within the Australian space of lifestyles The close attention paid to class here includes an engagement with role of middlebrow cultures in Australia and the role played by new forms of Indigenous cultural capital in the emergence of an Indigenous middle class The rich survey data is complemented throughout by in depth qualitative data provided by interviews with survey participants These are discussed more closely in the final part of the book which explores the gendered political personal and community associations of cultural tastes across Australia s Anglo Celtic Italian Lebanese Chinese and Indian populations The distinctive ethical issues associated with how Australians relate to Indigenous culture are also examined In the light it throws on the formations of cultural capital in a multicultural settler colonial society Fields

Capitals Habitus makes a landmark contribution to cultural capital research **Young People and the Future of News** Lynn Schofield Clark, Regina Marchi, 2017-09-21 This book examines youth media practices on social media introducing the concept of connective journalism as a precursor to collective political action **Cultural Studies Review** Chris Healy and Stephen Muecke (eds), 2009-03-01 This edition of Cultural Studies Review brings together a diverse set of essays and new writing that identify particular national tendencies notions of family epistemological worries about postmodernity s represented purpose and queries about cultural studies as it is taught and as it could be understood There is also some careful exploring of where and why we might be at home in our differences and what a felt homelessness might be To gather these varied strands beneath the heading Homefronts acknowledges as always the plurality of the environments that we call home and the battles of representation and being that make up the experiences of nation family philosophy and academic discipline that render those sites particular and so personal to us *Ordinary People and the Media* Graeme Turner, 2009-12-04 The demotic turn is a term coined by Graeme Turner to describe the increasing visibility of the ordinary person in the media today In this dynamic and insightful book he explores the whys and hows of the everyday individual s willingness to turn themselves into media content through Celebrity culture Reality TV DIY websites Talk radio User generated materials online Initially proposed in order to analyse the pervasiveness of celebrity culture this book further develops the idea of the demotic turn as a means of examining the common elements in a range of hot spots in debates within media and cultural studies today Refuting the proposition that the demotic turn necessarily carries with it a democratising politics this book examines the political and cultural function of the demotic turn in media production and consumption across the fields of reality TV print and electronic news and current affairs journalism citizen and online journalism talk radio and user generated content online It examines these fields in order to outline a structural shift in what the western media has been doing lately and to suggest that these media activities represent something much more fundamental than contemporary media fashion Restyling Factual TV Annette Hill, 2007-06-11 Addressing the wide range of programmes and formats from news to documentary to popular factual genres Annette Hill s new book examines the ways viewers navigate their way through a busy noisy and constantly changing factual television environment Restyling Factual TV addresses the wide range of programmes that fall within the category of factuality from politics to natural history to reality entertainment Based on research with audiences of factual TV primarily in Sweden and the UK but with reference to other countries such as the US this book tackles issues such as legitimacy ethics and value in contemporary news and current affairs documentary and reality programming Drawing on the ethics of truth telling and notions of quality this wide ranging authoritative book expands the debate on popular factual entertainment and will be a welcome addition to the current literature *The Shrinking Nation* Graeme Turner, 2023-08-01 Over the past two decades Australia has been experiencing a sustained period of accelerated socio cultural change accompanied by existential threats from natural disasters and the

Covid pandemic and punctuated by repeated cycles of political upheaval The divisive and hyper partisan version of party politics that has accompanied these events has hamstrung the nation s capacity to respond to the challenges of the day from dealing with climate change to advancing gender equity or to renovating the buckling structures of social welfare At the same time we have seen the quality of our democracy compromised In *The Shrinking Nation* leading cultural historian Graeme Turner examines a wide range of social and cultural change including the role played by a media environment swamped by misinformation the social consequences of neoliberal economic policy and the divisive legacy of the culture wars before considering how we might strengthen the bonds of community and belonging that tie our nation together

Television Studies After TV Graeme Turner, Jinna Tay, 2009-03-27 Television studies must now address a complex environment where change has been vigorous but uneven and where local and national conditions vary significantly Globalizing media industries deregulatory policy regimes the multiplication convergence and trade in media formats the emergence of new content production industries outside the US UK umbrella and the fragmentation of media audiences are all changing the nature of television today its content its industrial structure and how it is consumed *Television Studies after TV* leads the way in developing new ways of understanding television in the post broadcast era With contributions from leading international scholars it considers the full range of convergent media now implicated in understanding television and also focuses on large non Anglophone markets such as Asia and Latin America in order to accurately reflect the wide variety of structures forms and content which now organise television around the world
