## **Ending The Ldp Hegemony:**

*Ending the LDP Hegemony* Ray Christensen, 2000-01-01 From its founding in 1955 and for the next thirty eight years Japan's conservative Liberal Democratic Party LDP won all but one national election and selected every prime minister and nearly every cabinet member Other democracies have had similarly dominant parties but none approaches the LDP for longevity in power and complete dominance of the political scene Then in 1993 a political earthquake transformed Japan from a country of unchanging one party rule into a nation of ever changing and free flowing political coalitions For the rest of the decade the LDP struggled to regain its position of dominance and for the most part succeeded At the end of the millennium the LDP lacked a majority in the House of Councillors the upper house of the Japanese Diet but it was nevertheless strong and confident once again while the opposition was in disarray The LDP's loss of control in 1993 however brief made obsolete much of what had been written on Japanese politics *Ending the LDP Hegemony* answers the need for an up to date analysis of the political scene providing both the information and framework needed to unravel the tangle of coalition politics in the 1990s and anticipate the composition and policies of future Japanese governments It is the first study in English to focus on and put into historical context interparty relations in Japan Western scholars and media heretofore have focused either on the LDP's successes or the peculiarities of the individual opposition parties ignoring interparty relations that are well known to the Japanese Ray Christensen offers here a new perspective on the interaction among members of the Democratic New Frontier Japan Socialist Japan Communist Democratic Socialist and Clean Government parties as well as on their general political orientation and tactics He challenges the assumption that the LDP's accomplishments can be attributed to its being the most efficient capable and intelligent party and describes in detail the strategies of the opponents demonstrating the political savvy of their leaders His analysis of key data on cooperation and elections reveals that opposition parties actually outperformed the LDP This study not only fills a gap in our understanding of modern Japanese politics it also adds a critical non European perspective to analyses of opposition politics and social democracy It argues that the Japanese experience requires a modification of analytical frameworks which are based almost exclusively on Western European examples and questions those who support a more authoritarian Asian model of democracy by revealing the vibrancy of the opposition in Japan and the technical reasons for the LDP's success *Ending the LDP Hegemony* amply demonstrates that democracy indeed Western style democracy can take root and flourish in the fertile soil of East Asia and offers the experience of Japan's opposition parties as crucial evidence of Japanese democracy It will be essential reading for all those interested in the functioning of democracy in Asia and other non Western settings [Critical Readings on the Liberal Democratic Party in Japan](#) Robert Pekkanen, 2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the

most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party s evolution since its founding in 1955 key facets of the LDP s internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe The Changing Japanese Political System Harumi Hori,2006-03-20 Japan s political stability was shattered after the general election of July 1993 when the conservative Liberal Democratic Party s thirty eight year domination ended in defeat This book examines the impact the 1993 general election had on Japanese politics Although the LDP regained the position of a ruling party within a year Hori questions whether the Japanese political system has managed to maintain the same efficacy as it had prior to 1993 Using institutional analysis Hori argues that this fundamental change caused major institutional transformations a decline in the importance of LDP organisations in the decision making process of the government and the Diet weakened management of the LDP through factions and detached attitudes of LDP members to MOF bureaucrats Hori analyzes three cases one prior to and two after the 1993 election illustrating just how ineffective the close cooperation between MOF bureaucrats LDP executives and faction leaders became *A Companion to Japanese History* William M. Tsutsui,2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan s history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies **Religion and Politics in Contemporary Japan** Anne Mette Fisker-Nielsen,2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level **Democracy Without Competition in Japan** Ethan Scheiner,2006 This book explains why no opposition party has been able to offer itself as a sustained challenger in Japan **East and Southeast Asia 2020-2022** James E. Hoare,2021-09-15 The World Today Series East Southeast Asia provides historical background on the evolution of Modern East Southeast Asia to help readers gain a thorough understanding of contemporary developments in this vital region Broad introductory regional chapters are followed by sections on each country in the region The combination of factual accuracy and up to date detail make this an outstanding resource for researchers practitioners in international development media

professionals government officials potential investors and students to understand the immediate background of contemporary developments

**The SAGE Handbook of Modern Japanese Studies** James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

**Dominant Political Parties and Democracy** Matthijs Bogaards, Françoise Boucek, 2010-06-10 This book examines dominant parties in both established democracies and new democracies and explores the relationship between dominant parties and the democratic process Combining theoretical and empirical research and bringing together leading experts in the field it features case studies on Japan Canada Germany Mexico Italy France and South Africa

**Japanese Democracy and Lessons for the United States** Ray Christensen, 2020-02-25 This book presents a collection of lessons on how best to run elections and politics using examples from the Japanese experience and showing how elections operate in a non Western democracy Featuring extensive data and evidence from both Japan and the United States the themes covered include one party rule ballot security and voting procedures election regulations malapportionment and gerrymandering court interventions voter attachments and distortions of the public will by election rules In so doing the analysis challenges conventional wisdom in both Japan and the United States highlighting surprising and counterintuitive findings from decades of observation This book also explicitly compares Japan to other similarly situated democracies Japan is therefore not treated as a standalone case but rather the lessons from Japan are contextualized for greater understanding and can be used to inform discussions about comparative elections and democracy Offering practical advice in relation to elections and the functions of democracy Japanese Democracy and Lessons for the United States will be useful to students and scholars of Japanese US and comparative politics

**Modern Japan** Mikiso Hane, 2018-03-09 Integrating political events with cultural economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A summary of Japan s early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of Modern Japan is updated throughout to include the latest information on Japan s international relations including secret diplomatic correspondence recently disclosed on WikiLeaks This edition

brings Japanese history up to date in the post 9 11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous change of political leadership and Japan's current economic and global status An updated chronological chart list of prime ministers and bibliography are also included

**Introduction to Japanese Politics** Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics

**The Left in the Shaping of Japanese Democracy** David Williams, Rikki Kersten, 2004-03-01 Leftist thought and activism stands as a defining force in the articulation of political culture and policy in modern Japan Operating from the periphery of formal political power for the most part the Japanese Left has had an impact that extends far beyond its limited success at the ballot box The essays that compose this Oxford Festschrift range over a wide set of themes including the tragic careers of two prewar left wing martyrs Goto Jones Hisashi As the great Socialist apostate Kersten the Left's evasion of constitutional sovereignty Williams the rise and fall of Nikky's Aspinall the Left's impact on privatization and bureaucratic reform Nakano the demise of parliamentary Socialism Hyde the Left's recent embrace of free market principles Schoppa critical Japan studies and American empire since 9 11 Williams and history's final judgment on the fate of this great political movement Banno

**Populism and Patronage** Paul D. Kenny, 2017 Populist rule is bad for democracy yet in country after country populists are being voted into office Populism and Patronage shows that the populists such as Indira Gandhi and Narendra Modi win elections when the institutionalized ties between non populist parties and voters decay Yet the explanations for this decay differ across different types of party system Populism and Patronage focuses on the particular vulnerability of patronage based party systems to populism Patronage based systems are ones in which parties depend on the distribution of patronage through a network of brokers to mobilize voters Drawing on principal agent theory and social network theory this book argues that an increase in broker autonomy weakens the ties between patronage parties and voters making latter available for direct mobilization by populists Decentralization is thus a major factor behind populist success in patronage democracies The volume argues that populists exploit the breakdown in national patronage networks by connecting directly with the people through the media and mass rallies avoiding or minimizing the use of deeply institutionalized party structures This book not only reinterprets

the recurrent appeal of populism in India but also offers a more general theory of populist electoral support that is tested using qualitative and quantitative data on cases from across Asia and around the world including Indonesia Japan Venezuela and Peru     Dictionary of the Modern Politics of Japan Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 The politics of Japan are less widely reported than its economics Most people are aware of the economic miracle following the Second World War whereby Japan became the second largest economy in the world after the United States and the economic stagnation of the early 1990s is also well known But it is difficult to make sense of these phenomena without a knowledge of the political system and the ways in which it works in practice Containing an introductory essay an essay on theories of Japanese politics and over 250 A Z entries the Dictionary of the Modern Politics of Japan remedies this imbalance and answers the need for an accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system Including a fully annotated bibliography to guide the user to further reading the entries are thoroughly cross referenced and indexed and are supplemented with maps and tables to ensure that the Dictionary of the Modern Politics of Japan is essential reading for all scholars and students of the politics and international relations of Japan

*Japan Decides 2012* R. Pekkanen, S. Reed, E. Scheiner, 2013-07-25 The 2012 election in Japan ejected the governing DPJ and returned the LDP overwhelmingly to power while brand new parties pulled in millions of voters This book explains what happened why it happened and what it means International experts analyze the election results parties strategies gender issues policy implications and more     *Japanese Foreign Intelligence and Grand Strategy* Brad Williams, 2021-03-01

*Japanese Foreign Intelligence and Grand Strategy* probes the unique makeup of Japanese foreign intelligence institutions practices and capabilities across the economic political and military domains Williams shows how Japanese intelligence has changed over time from the Cold War to the reassessment of national security strategy in the Abe Era     **Historical**

**Dictionary of Postwar Japan** William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan     **Sovereignty and Status in East Asian International Relations** Seo-Hyun Park, 2017-05-11 This book

shows how historical experiences have affected East Asian security debates as reflected in enduring concerns with sovereign autonomy     **The ^AOxford Handbook of Japanese Politics** Robert J. Pekkanen, Saadia Pekkanen, 2021-10-11 Through

more than 40 chapters by leading specialists the Oxford Handbook of Japanese Politics examines major aspects of both domestic politics and international relations In addition to providing a broad overview of contemporary Japanese politics the chapters are united by a shared question what is the nature and quality of Japanese democracy Contributors consider this matter alongside their individual subjects which together comprehensively address the central research topics of the field

### **Ending The Ldp Hegemony Introduction**

In today's digital age, the availability of Ending The Ldp Hegemony books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ending The Ldp Hegemony books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ending The Ldp Hegemony books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ending The Ldp Hegemony versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ending The Ldp Hegemony books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ending The Ldp Hegemony books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ending The Ldp Hegemony books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ending The Ldp Hegemony books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ending The Ldp Hegemony books and manuals for download and embark on your journey of knowledge?

### **FAQs About Ending The Ldp Hegemony Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ending The Ldp Hegemony is one of the best book in our library for free trial. We provide copy of Ending The Ldp Hegemony in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ending The Ldp Hegemony. Where to download Ending The Ldp Hegemony online for free? Are you looking for Ending The Ldp Hegemony PDF? This is definitely going to save you time and cash in something you should think about.
