Endless Battle Between Good And Evil:

Endless Battle Between Good and Evil Bernard J. Ficarra, 2003-06-30 Refining of civilization over the centuries has not diminished the rages and ravages of evil In this book Dr Ficarra presents like a legal citation evil versus good The message of the book is the best way to combat evil is to understand its perilous side effects painful complications and degrading aftermaths *The Shostakovich Wars* , **The Book of Three** Diana G. Gallagher, Paul Ruditis, Phyllis Ungerleider, 2006-11-28 This the second volume of the only authorized companion guide to charmed contains everything you need to know about the sexiest supernatural show of all time Faustus and the Promises of the New Science, c. 1580-1730 Christa King, 2016-12-05 Having identified the literary origins of the Faustus legend in the German Faust Book 1587 and its English translation 1592 this book argues that these works transformed a simple rogue s tale into an incisive study of morality and beliefs The chapbooks contrastive portrayal of an imaginary experience of hell and a pseudo scientific journey through the cosmos is interpreted as an unconventional approach to the questions of an inquiring mind This study offers the first analysis of the chapbooks as literary works in their own right as opposed to simply being sources for Christopher Marlowe s play It is also the first study to describe the Faustus typology as a vehicle by which uncompromising thinkers of early modernity and the Enlightenment questioned contemporary views about religion morality and the possibility of experiencing transcendence While arguing that Marlowe s Doctor Faustus primarily examines the imaginary foundations of religious rules and standards the author suggests that the 1616 version of the play revived the chapbooks accounts of spiritual ravishment and intellectual ecstasy Imaginary explorations of cosmic space became popular in the seventeenth century and gave rise to strongly diverging works of literature embracing the arcane spirituality of Milton s Paradise Lost as well as Fontenelle s sociable but essentially secular fantasy of cosmic travel This book shows that contemporary responses to early modern science also tended to address the most urgent concerns of the Faustus legend explaining the re emergence of the typology in Mountfort s late seventeenth century farcical Faustus play and early eighteenth century harlequinades about Doctor Faustus **Bodies Under Siege** Sian Norris, 2023-06-06 An expos of how far right extremists across Europe use attacks on abortion to introduce broader fascist politics and their connections to the American far right from a leading investigative journalist Think today s anti abortion ideas are rooted in religious prohibitions or arguments about where life begins Wrong today s anti abortion movement is largely financed and planned by far right extremists Many of them are avowedly fascist and white supremacist afraid of a great replacement of the world s white population by other races who are working hard to reshape governments and policies across Europe North America and around the world Much of this far right organizing and funding network however has been overlooked by today s feminist and left movements As investigative journalist Sian Norris uncovers here it is through attacking abortion rights that fascist ideas from the dark web incel chat boards and fringe organizations comes to enter mainstream debate and to then shape governmental policy across Europe

from authoritarian regimes like Hungary to liberal democracies like Britain As Norris goes undercover at anti abortion activist meetings and pieces together the money trail linking American think tanks to far right fascist groups she maps out the pipeline by which fascism has become respectable across the Global North by taking away women s reproductive rights and autonomy

The Revolutionary Guards in Iranian Politics Bayram Sinkaya,2015-06-19 The Islamic Revolutionary Guards Corps IRGC has been dubbed the kingmaker in recent studies of Iranian politics precipitating heated

debates surrounding the potential militarization of the Iranian regime and giving rise to paradoxical understandings of the IRGC whether as a military institution entering politics or a political institution with a military history Revolutionary Guards in Iranian Politics offers a way out of this paradox by showing that the IRGC is not a recently politicized institution but has instead been highly politicized since its inception It identifies the ways in which the IRGC relates to national political dynamics examines the factors contributing to this relationship and its implications on Iranian politics from the revolution up to the present day The book examines the three decades following the revolution uncovering the reasons behind the rise of the Revolutionary Guards and tracking the organization s evolving relationship with politics Establishing a theoretical framework from revolution and civil military relations theories this book provides new perspectives on the relationship between the IRGC and Iranian politics This book would be of interest to students and scholars of Middle East Studies and Iranian Studies in particular Iranian Politics **Ancient history** Israel Smith Clare,1906
