Glasberg,2024-09-30 Asserting a critical sociological perspective *Human Rights Praxis and the Struggle for Survival* reveals the contested historical processes through which fundamental human needs are constructed as rights under international law and how those rights are confronted by the ruling relations and crises inherent to contemporary global capitalism and the waning American hegemonic world order Put simply the book explores why human rights as a formal legal project has failed to deliver on guaranteeing human survival let alone universal human dignity Rather than stopping at critique the authors propose a specific materialist intellectual and political agenda for the preservation of collective human survival that can achieve the historically unique notions of common humanity and human emancipation The authors build on previous work further developing the sociology of human rights as a distinct field at the intersection of Social Sciences and International Law They take on several provocative theoretical debates such as those over connections between racism and

capitalism the existence of a global or transnational police state the control growth and exploitation of migrants migration and the complex relationship between political repression and various forms of domination Human Rights Praxis and the Struggle for Survival offers critical analysis of contemporary politics and options for students scholars organizers and stakeholders to grapple with some of the most pressing social problems of human history [Listen to us at last!](#) Natalie Christine Walther,2025-01-17 What remains when the space for our children becomes increasingly limited and creativity curiosity and playful learning no longer have a place When Artificial Intelligence is suddenly supposed to be our future This book is a passionate plea for all children It makes the silent cries for help of our children and adolescents audible who struggle daily with physical and mental challenges In 37 works from conception to 18 years from desire for children birth or adoption to topics such as school neurodermatitis ADHD autism depression vaccinations or ChatGPT a deep look behind the scenes is taken This book is also addressed to all those who are searching for the causes of their own childhood wounds and want to understand how we can together create a worthwhile future with our children **The Enlightened Coach** Raimon Samsó,2020-03-09 Awaken Your Inner Light The Enlightened Coach Your Guide to Spiritual Liberation Picture this you set an alarm clock within the dream of your life designed to awaken your true self The Enlightened Coach is that very alarm clock crafted to bring about your immediate spiritual awakening In this groundbreaking book Raimon transcends his previous works guiding you on a journey to liberation from your ego limitations suffering separation and dualism Drawing inspiration from the Advaita tradition this eye opening guide presents a clear concise and easily understandable path to self realization Free yourself from the need for gurus teachers myths rituals retreats or sacrifices Raimon offers an accessible low cost and Western adapted approach to immediate enlightenment Embrace a life of pure uncaused gratitude unlocking the state of Grace in which anything becomes possible for you Through The Enlightened Coach you will witness the end of the collective dream that has defined your life and finally gain clarity on your true self and singular mission on this planet Discover your purpose and the one choice that will set you free from all limitations Begin your transformative journey today with The Enlightened Coach your roadmap to spiritual liberation and boundless freedom [Fictions of Home](#) Martin Mühlheim,2018-04-23 This study aims to counter right wing discourses of belonging It discusses key theoretical concepts for the study of home focusing in particular on Marxist feminist postcolonial and psychoanalytic contributions The book also maintains that postmodern celebrations of nomadism and exile tend to be incapable of providing an alternative to conservative xenophobic appropriations of home In detailed readings of one film and six novels a view is developed according to which home as a spatio temporal imaginary is rooted in our species being and as such constitutes the inevitable starting point for any progressive politics **By Death Set 1-3** Dale Mayer,2016-07-10 This collection is the first 3 books in the By Death series Those books are Touched By Death Death had touched anthropologist Jade Hansen in Haiti once before costing her an unborn child and perhaps her very sanity A year later determined to face her own issues she returns to Haiti with a
