Boyer, Clifford E. Clark, Jr., 1995 The Last Century of Sea Power, Volume 2 H. P. Willmott, 2010-03-22 An important contribution a thoughtful account of the years preceding the Second World War and at much greater length of the war itself History In this second volume of his history of naval power in the 20th century H P Willmott follows the fortunes of the established seafaring nations of Europe along with two upstarts the United States and Japan Emerging from World War I in command of the seas Great Britain saw its supremacy weakened through neglect and in the face of more committed rivals Britain's grand Coronation Review of 1937 marked the apotheosis of a sea power slipping into decline Meanwhile Britain's rivals and soon to be enemies were embarking on significant naval building programs that would soon change the nature of war at sea in ways that neither they nor their rivals anticipated By the end of a new world war the United States had taken command of two oceans having placed its industrial might behind technologies that further defined the arena of naval power above and below the waves where stealth and the ability to strike at great distance would soon rewrite the rules of war and of peace This splendid volume further enhances Willmott's stature as the dean of naval historians Praise for The Last Century of Sea Power series The author dean of naval historians provides a sweeping look at and analysis of the transformation of naval power Willmott is fearless in his judgments Seapower H P Willmott is the finest naval historian and among the finest historians of any discipline writing today Bernard D Cole author of The Great Wall at Sea Instructor's Guide to Accompany The Enduring Vision Robert B. Grant, 1996 **The Collected Writings of Sherman and Grace Coolidge** Sherman Coolidge, Grace Coolidge, 2023-05 2024 Dwight L Smith ABC CLIO Award Winner Sherman and Grace Coolidge were a remarkable couple in many respects Sherman Coolidge Runs On Top born in the early 1860s into the Northern band of Arapahos experienced the extreme violence of the Indian Wars including the death of his father as a young boy Grace Wetherbee Coolidge was born into wealth and privilege in 1873 only to reject her life as a New York heiress and become a missionary on the Wind River Reservation in Wyoming It was there that Sherman and Grace met and later married in 1902 After eight years together at Wind River both went on to achieve prominence Sherman as the president of the Native run

reform group the Society of American Indians 1911 1923 Grace as the author of *Teepee Neighbors* a book describing her time on the reservation that drew praise from critics such as H L Mencken Sherman was an Episcopal priest and a mesmerizing speaker who had the unique ability to blend his assimilated Western perspective with Arapaho values to educate the American public about the significant challenges facing Native peoples including endemic poverty racism and inequality Offering unprecedented entrance into the most significant writings and documents of a leading Native American advocate and his wife this volume is an intimate portrait of their life and contributes to our understanding of American Indian activism at a key moment of Indigenous resurgence against the settler state

Teaching the American Civil Rights Movement Julie Buckner Armstrong, 2002 The past fifteen years have seen renewed interest in the civil rights movement Television documentaries films and books have brought the struggles into our homes and classrooms once again New evidence in older criminal cases demands that the judicial system reconsider the accuracy of investigations and legal decisions Racial profiling affirmative action voting districting and school voucher programs keep civil rights on the front burner in the political arena In light of this there are very few resources for teaching the civil rights at the university level This timely and invaluable book fills this gap This book offers perspectives on presenting the movement in different classroom contexts strategies to make the movement come alive for students and issues highlighting topics that students will find appealing Including sample syllabi and detailed descriptions from courses that prove effective this work will be useful for all instructors both college and upper level high school for courses in history education race sociology literature and political science

The Life of Sherman Coolidge, Arapaho Activist Tadeusz Lewandowski, 2022-12 Sherman Coolidge's 1860 1932 panoramic life as survivor of the Indian Wars witness to the maladministration of the reservation system mediator between Native and white worlds and ultimate defender of Native rights and heritage made him the embodiment of his era in American Indian history Born to a band of Northern Arapaho in present day Wyoming Des che wa wah Runs On Top endured a series of harrowing tragedies against the brutal backdrop of the nineteenth century Indian Wars As a boy he experienced the merciless killings of his family in vicious raids and attacks surviving only to be given up by his starving mother to U S officers stationed at a western military base Des che wa wah was eventually adopted by a sympathetic infantry lieutenant who changed his name and set his life on a radically different course Over the next sixty years Coolidge inhabited western plains and eastern cities rode in military campaigns against the Lakota entered the Episcopal priesthood labored as missionary to his tribe on the Wind River Reservation fomented dangerous conspiracies married a wealthy New York heiress met with presidents and congressmen and became one of the nation's most prominent Indigenous persons as leader of the Native run reform group the Society of American Indians Coolidge's fascinating biography is essential for understanding the myriad ways Native Americans faced modernity at the turn of the century

Forgotten Veterans, Invisible Memorials Allison S. Finkelstein, 2021-08-10 Investigates the groundbreaking role American women played in commemorating those who served and sacrificed in World War I In *Forgotten Veterans Invisible Memorials* How American Women Commemorated the Great War 1917 1945 Allison S Finkelstein argues that American women activists considered their own community service and veteran advocacy to be forms of commemoration just as significant and effective as other more traditional forms of commemoration such as memorials Finkelstein employs the term veteranism to describe these women s overarching philosophy that supporting aiding and caring for those who served needed to be a chief concern of American citizens civic groups and the government in the war s aftermath However these women did not express their views solely through their support for veterans of a military service narrowly defined as a group predominantly composed of men and just a few women Rather they defined anyone who served or sacrificed during the war including women like themselves as veterans These women veteranists believed that memorialization projects that centered on the people who served and sacrificed was the most appropriate type of postwar commemoration They passionately advocated for memorials that could help living veterans and the families of deceased service members at a time when postwar monument construction surged at home and abroad Finkelstein argues that by rejecting or adapting traditional monuments or by embracing aspects of the living memorial building movement female veteranists placed the plight of all

veterans at the center of their commemoration efforts Their projects included diverse acts of service and advocacy on behalf of people they considered veterans and their families as they pushed to infuse American memorial traditions with their philosophy In doing so these women pioneered a relatively new form of commemoration that impacted American practices of remembrance encouraging Americans to rethink their approach and provided new definitions of what constitutes a memorial In the process they shifted the course of American practices even though their memorialization methods did not achieve the widespread acceptance they had hoped it would Meticulously researched *Forgotten Veterans Invisible Memorials* utilizes little studied sources and reinterprets more familiar ones In addition to the words and records of the women themselves Finkelstein analyzes cultural landscapes and ephemeral projects to reconstruct the evidence of their influence Readers will come away with a better understanding of how American women supported the military from outside its ranks before they could fully serve from within principally through action based methods of commemoration that remain all the more relevant today *Home Front U.S.A.* Allan M. Winkler, 2014-08-04 New scholarship on World War II continues to broaden our understanding With each passing year we know more about the triumphs and the tragedies of America's involvement in the momentous conflict Tapping into this greater awareness of the accomplishments of both soldiers and civilians and a better recognition of the consequences of decisions made Allan Winkler presents the third edition of his highly popular series volume Informed by the latest historical literature and featuring many new thoughtfully chosen photographs the third edition of *Home Front U S A* continues to ponder the question of the good war the moral implications of the use of the atomic bomb the implications of expanding wartime roles for women African Americans American Jews the imprisonment of Japanese Americans at the hands of the federal government and the experiences of the many other people who though relegated to the fringe of mainstream society contributed in important ways to the nation's successful prosecution of its greatest challenge

Parlor Ladies and Ebony Drudges Kibibi Voloria C. Mack, 1999 Focusing on the community of Orangeburg South Carolina from 1880 to 1940 *Parlor Ladies and Ebony Drudges* explores the often sharp class divisions that developed among African American women in that small semirural area **THE AMERICAN CENTURY** Walter LaFeber, Richard Polenberg, Nancy Woloch, 2013-07-22
