Enduring Liberalism American Political Thought Since The 1960s Modern War Studies

Robert Booth Fowler

Enduring Liberalism American Political Thought Since The 1960s Modern War Studies:

Enduring Liberalism Robert Booth Fowler, 2021-10-29 Has the United States become more pluribus than unum In terms of the nation's political beliefs Robert Booth Fowler answers both yes and no While his study affirms significant diversity among an elite cadre of public intellectuals it vigorously denies it in a general public that collectively adheres to the same set of liberal core values *Enduring Liberalism* pursues two objectives One it explores the political thought of public intellectuals and the general public since the 1960s Two it assesses contemporary and classic interpretations of American political thought in light of the study's findings Fowler interprets the writings of public intellectuals like Robert Bellah Jean Bethke Elshtain Michael Walzer William Bennett Seymour Martin Lipset William Galston and others as well as survey data of American political attitudes to spotlight this oft ignored divide between citizens and high profile commentators whose contentious debates are mistakenly assumed to reflect countrywide rifts Fowler's argument is straightforward but the interpretation is controversial He recounts how the consensus liberal view in post World War II American political thought collapsed among public intellectuals during the tumult of the 1960s and remains so to this day His book examines the resultant diversity among contemporary public intellectuals focusing on three predominant themes concern for community worry about the environment and interest in civil society In marked contrast to these disputatious commentators Fowler finds the realm of popular opinion to be characterized by much greater consensus Indeed there seems to be a trend toward an even more general embrace of the liberal values that characterize our attitudes toward the individual individual liberty political equality economic opportunity and consent of the governed Liberal values above all the celebration of the individual and individual rights have revolutionized the so called private realms of life like family and religious communities to an extent unimagined in the 1950s From these conclusions Fowler demonstrates that most interpretations of American political thinking have exaggerated the extent of conflict and diversity in our nation's often raucous policy disputes But he also cautions us not to overstate the public's widely shared liberal values and by doing so miss opportunities to facilitate problem solving or to recognize the ways in which our reform efforts may be constrained

Conservative Christians and Political Participation Glenn H. Utter, James L. True, 2004-11-23 A timely exploration of the political history growth and impact of one of the most powerful religious groups in the United States *Conservative Christians and Political Participation* examines the involvement and influence of the growing number of Conservative Christians in America A historical overview of the interaction of religion and politics from colonial times to today sets the stage for a deeper exploration into the demographics of this group the concerns they share and the creative methods they employ to achieve their goals through protests political activity leadership and group organization Case studies tackle highly emotional issues like same sex marriage decency in the mass media school prayer euthanasia and American foreign policy toward Israel The book also covers leaders such as Pat Buchanan and Ralph Reed and discusses how they have been effective in their lobbying efforts through organizations like the

Christian Action Network and the American Family Association Climate Change and Its Impacts Colleen Murphy, Paolo Gardoni, Robert McKim, 2018-06-30 Responding to a need for a deeper and more nuanced understanding of the consequences of climate change this book brings experts in climate science engineering urban planning and conservation biology into conversation with scholars in law geography anthropology and ethics It provides insights into how climate change is conceptualized in different fields The book also aims to contribute to developing successful and multifaceted strategies that promote global intergenerational and environmental justice Among the topics addressed are the effects of climate change on the likelihood and magnitude of natural hazards an assessment of civil infrastructure vulnerabilities resilience assessment for coastal communities an ethical framework to evaluate behavior that contributes to climate change as well as policies and cultural shifts that might help humanity to respond adequately to climate change America, History and Life ,2006 Article abstracts and citations of reviews and dissertations covering the United States and Canada **The Routledge History of Twentieth-Century United States** Jerald Podair, Darren Dochuk, 2018-05-02 The Routledge History of the Twentieth Century United States is a comprehensive introduction to the most important trends and developments in the study of modern United States history Driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the United States in the twentieth century The chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies Dynamic and flexible in its possible applications The Routledge History of the Twentieth Century United States offers an exciting new resource for the study of modern American history **From Power to Prejudice** Leah N. Gordon, 2015-05-20 Gordon provides an intellectual history of the concept of racial prejudice in postwar America In particular she asks what accounts for the dominance of theories of racism that depicted oppression in terms of individual perpetrators and victims more often than in terms of power relations and class conflict Such theories came to define race relations research civil rights activism and social policy Gordon s book is a study in the politics of knowledge production as it charts debates about the race problem in a variety of institutions including the Rockefeller Foundation the University of Chicago s Committee on Education Training and Research in Race Relations Fisk University s Race Relations Institutes Howard University s Journal of Negro Education and the National Conference of Christians and Jews University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects University of California (System). Institute of Library Research, University of California, Berkeley, 1972 Progressive Intellectuals and the Dilemmas of Democratic Commitment Leon Fink, 1997 The long standing dilemma for the progressive intellectual how to bridge the world of educated opinion and that of the working masses is the focus of Leon Fink s penetrating book the first social history of the progressive thinker caught in the middle of American political culture American Studies Jack

Salzman,1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00

The Sixties: Radical Change in American Religion James M. Gustafson,1970

U.S. Army War College Guide to National Security Issues: National security policy and strategy J. Boone Bartholomees,Army War College (U.S.). Strategic Studies Institute,2012 Volume II continues the analyses and discussion of national security policy and strategy

Making Liberalism New Ian Afflerbach,2021-11-02 A revisionist history of American liberalism from the Great Depression to the Cold War Finalist of the MSA First Book Prize by The Modernist Studies Association In Making Liberalism New Ian Afflerbach traces the rise revision and fall of a modern liberalism in the United States establishing this intellectual culture as distinct from classical predecessors as well as the neoliberalism that came to power by century s end Drawing on a diverse archive that includes political philosophy legal texts studies of moral psychology government propaganda and presidential campaign materials Afflerbach also delves into works by Tess Slesinger Richard Wright James Agee John Dewey Lionel Trilling and Vladimir Nabokov Throughout the book he shows how a reciprocal pattern of influence between modernist literature and liberal intellectuals helped drive the remarkable writing and rewriting of this keyword in American political life From the 1930s into the 1960s Afflerbach writes modern American fiction exposed and interrogated central concerns in liberal culture such as corporate ownership reproductive rights color blind law the tragic limits of social documentary and the dangerous allure of a heroic style in political leaders In response liberal intellectuals borrowed key values from modernist culture irony tragedy style to reimagine the meaning and ambitions of American liberalism Drawing together political theory and literary history Making Liberalism New argues that the rise of American liberal culture helped direct the priorities of modern literature At the same time it explains how the ironies of narrative form offer an ideal medium for readers to examine conceptual problems in liberal thought These problems from the abortion debate to the scope of executive power remain an indelible feature of American politics

Islam and International Relations Mustapha Kamal Pasha,2017-04-21 Islam and International Relations Fractured Worlds reframes and radically disrupts perceived understanding of the nature and location of Islamic impulses in international relations This collection of innovative essays written by Mustapha Kamal Pasha presents an alternative reading of contestation and entanglement between Islam and modernity Wide ranging in scope the volume illustrates the limits of

Western political imagination especially its liberal construction of presumed divergence between Islam and the West Split into three parts Pasha s articles cover Islamic exceptionalism challenges and responses and also look beyond Western international relations This volume will be of great interest to graduates and scholars of international relations Islam religion and politics and political ideologies globalization and democracy **Literary Theory** Julie Rivkin,Michael Ryan,2004-07-23

This anthology of classic and cutting edge statements in literary theory has now been updated to include recent influential texts in the areas of Ethnic Studies Postcolonialism and International Studies A definitive collection of classic statements in criticism and new theoretical work from the past few decades All the major schools and methods that make up the dynamic field of literary theory are represented from Formalism to Postcolonialism Enables students to familiarise themselves with the most recent developments in literary theory and with the traditions from which these new theories derive **Shaping Tomorrow's World** Elke Seefried,2024-05-01 Shaping Tomorrow s World tells the crucial story of how futures studies developed in West Germany Europe the US and within global futures networks from the 1940s to the 1980s It charts the emergence of different approaches and thought styles within the field ranging from Cold War defense intellectuals such as Herman Kahn to critical peace activists like Robert Jungk Engaging with the challenges of the looming nuclear war the changing phases of the Cold War 1968 and the growing importance of both the Global South and environmentalism this book argues that futures scholars actively contributed to these processes of change This multiple award winning study combines national and transnational perspectives to present a unique history of envisioning forecasting and shaping the future

Searching the Soul of the College and University in America Stephen J. Nelson,2023-10-30 This is a story of religious and democratic covenants and controversies in the foundations of the American nation and in the soul of its colleges and universities Its powers are religion and politics in America the creeds and convictions constituting the beliefs and theologies of citizens and religious people Critically overlapping and entangled democratic beliefs and convictions distinctly define the American body politic and are in the foundation of the nation and its colleges and universities In that story an unmistakable feature and idea is that the religion of the Republic in America is intertwined with and parallel to a symbiotic religion of the academy in its colleges and universities The nation and its colleges share the same space history and religious and democratic heralds and heroes Democratic and political theories and philosophies and competing and cooperating religious faiths and impulses have been reflected both the Republic and in battles waged about the essential nature of the American nation and its colleges and universities These traits constitute how America its public and its citizens in and outside the gates of the academy have wrestled with the aspirations and ideals that define civic duty the commons and the common good **Legitimacy and Power Politics** Mlada Bukovansky,2009-01-10 This book examines the causes and consequences of a major transformation in both domestic and international politics the shift from dynastically legitimated monarchical sovereignty to popularly legitimated national sovereignty It analyzes the impact of Enlightenment discourse on

politics in eighteenth century Europe and the United States showing how that discourse facilitated new authority struggles in Old Regime Europe shaped the American and French Revolutions and influenced the relationships between the revolutionary regimes and the international system The interaction between traditional and democratic ideas of legitimacy transformed the international system by the early nineteenth century when people began to take for granted the desirability of equality individual rights and restraint of power Using an interpretive historically sensitive approach to international relations the author considers the complex interplay between elite discourses about political legitimacy and strategic power struggles within and among states She shows how culture power and interests interacted to produce a crucial yet poorly understood case of international change The book not only shows the limits of liberal and realist theories of international relations but also demonstrates how aspects of these theories can be integrated with insights derived from a constructivist perspective that takes culture and legitimacy seriously The author finds that cultural contests over the terms of political legitimacy constitute one of the central mechanisms by which the character of sovereignty is transformed in the international system a conclusion as true today as it was in the eighteenth century

Federalizing the Muse Donna M. Binkiewicz, 2005-12-15 The National Endowment for the Arts is often accused of embodying a liberal agenda within the American government In *Federalizing the Muse* Donna Binkiewicz assesses the leadership and goals of Presidents Kennedy through Carter as well as Congress and the National Council on the Arts drawing a picture of the major players who created national arts policy Using presidential papers NEA and National Archives materials and numerous interviews with policy makers Binkiewicz refutes persisting beliefs in arts funding as part of a liberal agenda by arguing that the NEA's origins in the Cold War era colored arts policy with a distinctly moderate undertone Binkiewicz's study of visual arts grants reveals that NEA officials promoted a modernist abstract aesthetic specifically because they believed such a style would best showcase American achievement and freedom This initially led them to neglect many contemporary art forms they feared could be perceived as politically problematic such as pop feminist and ethnic arts The agency was not able to balance its funding across a variety of art forms before facing serious budget cutbacks Binkiewicz's analysis brings important historical perspective to the perennial debates about American art policy and sheds light on provocative political and cultural issues in postwar America

The Cultural Territories of Race Michèle Lamont, 1999-07 *The Cultural Territories of Race* makes an important contribution to current policy debates by amplifying muted voices that have too often been ignored by other social scientists

The North Atlantic Treaty Organization Julian Lindley-French, 2015-06-18 Continuing to provide a concise approach to this crucial organization the second edition of *The North Atlantic Treaty Organization The Enduring Alliance* is fully updated to take in the developments since 2007 with key additions including Discussion of NATO's place in a changing world Consideration of recent operations on the alliance Evaluation of the impact of the financial crisis Reconsideration of the NATO EU relationship Discussion of the US pivot to Asia Pacific and its impact on NATO The implications for NATO of Russia's action in Ukraine

The rise of emerging security challenges including Islamic State A new chapter looking to the future of NATO in light of the recent developments Highlighting the continued importance of NATO in the international arena this accessible guide details the origins institutions workings and activities of the organization as well as contributing valuable insights to the debate surrounding the future of the alliance

Enduring Liberalism American Political Thought Since The 1960s Modern War Studies Introduction

In today's digital age, the availability of Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Enduring Liberalism American Political Thought Since The 1960s Modern War Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting.

or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Enduring Liberalism American Political Thought Since The 1960s Modern War Studies books and manuals for download and embark on your journey of knowledge?
