## **Enemy Territory The Christian Struggle For The Modern World:**

Enemy Territory Andrew Walker, 1988-10      **A Theology of the Dark Side** Nigel G. Wright, 2010-04-01 How can we oppose evil without creating new evils and being made evil ourselves Walter Wink What we think and don't think about evil is important Nigel Wright provides us with a thorough biblical and theological study of the nature of evil Christ's victory over it and our participation in that victory as we await its consummation In this revision and updating of the *Fair Face of Evil* Putting the Power of Darkness in Its Place Wright sorts through the options to develop a thoroughly Christian understanding of the danger of the enemies of both God and humanity Getting our thinking right will help us get our ways of living and acting right as well      *ThirdWay*, 1988-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **The Church on the World's Turf** Paul A. Bramadat, 2000-06-29 Is it possible for conservative Protestant groups to survive in secular institutional settings Here Bramadat offers an ethnographic study of the Inter Varsity Christian Fellowship IVCF at McMaster University a group that espouses fundamentalist interpretations of the Bible women's roles the age of the earth alcohol consumption and sexual ethics In examining this group Bramadat demonstrates how this tiny minority thrives within the overwhelmingly secular context of the University      **The Salt of the Earth** Martyn Percy, 2016-10-06 This is a sparkling collection of essays by one of Britain's best known and acute commentators of the church scene and of contemporary religious life Martyn Percy explores new liberalism the churches and human rights in the European Union football and religion pilgrimage demonology common spirituality religious attitudes to nudity and the relationship between religion and advertising The argument running throughout this book is that despite claims and the appearance of increasing secularity the influence of religious themes and values on our everyday life remains pervasive      **Reinventing English Evangelicalism, 1966-2001** Robert E. Warner, 2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition      *Faiths and Faithfulness* Nicholas J. Wood, 2009-11-01 How are people of faith to be faithful to their various traditions in today's diverse society How may we live together as neighbors and yet remain true to our differing religious convictions How is it possible for the contemporary Christian to confess the Lordship of Jesus Christ in a world of many faiths These are some of the fundamental questions which this volume seeks to explore It offers a critical account of two key twentieth century missionary theologians who attempted to address the issue of pluralism within a confessional framework Bishop Kenneth Cragg and Bishop Lesslie Newbigin This study argues for a reconsideration of the biblical themes of fullness and fulfillment which may offer a way of holding together the traditions of continuity which Cragg shows can never be total and of discontinuity which Newbigin

argues can never be absolute In this way the book addresses some of the implications for the development of an appropriate missiological approach to inter faith issues in the twenty first century which requires us to take people of faith seriously but also allows faithfulness to the Christian gospel

**Good News and Good Works** Ronald J. Sider,1999-03 Concerned to promote an authentic biblical faith this book suggests ways to combine evangelism with social action for effective witness in today s world

*Christianity and the Religions* Edward Rommen,1995 The essays in this book take a fresh look at the biblical data and address the contemporary questions raised by religious pluralism The reader will gain a greater understanding of different religions and gain an increased confidence in the majesty and greatness of the one true God

**The Logic of Evangelism** Michael J. Gehring,Andrew D. Kinsey,Vaughn W. Baker,2019-02-14 The publication of William J Abraham s *The Logic of Evangelism* in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God s reign Combining theological insight and historical analysis Abraham s groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders *The Logic of Evangelism Revisited* takes a critical and yet appreciative look into the ways Abraham s work still speaks to the church in today s world The authors coming from a wide array of backgrounds show how *The Logic of Evangelism* remains a key text into the twenty first century

**Divine Violence and the Christus Victor Atonement Model** Martyn J. Smith,2016-09-23 In this book Martyn Smith addresses the issue of God s violence and refuses to shy away from difficult and controversial conclusions Through his wide ranging and measured study he reflects upon God and violence in both biblical and theological contexts assessing the implications of divine violence for understanding and engaging with God s nature and character Jesus too through his dramatic actions in the temple is presented as one capable of exhibiting a surprising degree of violent behavior in the furtherance of God s purposes Through a reappropriation of the ancient Christus Victor model of atonement with its dramatic representation of God s war with the Satan Smith proposes that Christian understanding of both God and salvation has to return to its long neglected past in order to move forward both biblically and dynamically into the future

**Evangelism and Social Action** Ronald J. Sider,1993

**Knighthood of Christian Warriors** Donald- Bell,2009-12 THIS BOOK ADDRESSES VITAL QUESTIONS CONCERNING ENDTIME EVENTS DEPICTED IN THE BOOK OF REVELATION AND THE CALLING OF WARRIOR SPIRITED CHRISTIANS OF THIS GENERATION We are right on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort seeking nation These are end time events that are quite mystifying but extremely critical for this generation of Christianity to understand The mission of this book is to provide a clearer understanding of these times by looking at biblical prophecy through our 21st century eyes It is intended to feed the warrior spirit within that Christian remnant who are aware of the tremendous challenges that lie before us and are seeking guidance as to what we are about to confront and how to be

ready Hopefully this book will encourage many Christians who are discerning that troubling times are about to descend upon the United States as well as the entire world to begin preparing now Those who have seriously prepared will be among the Christian leaders in the Army of God who will stand strong in the glorious power of our Lord in the midst of these catastrophic times This in depth study of the Book of Revelation is truly a serious field guide to help prepare Christian warriors for the great tribulations which will precede the coming of the Lord Jesus Christ to restore His kingdom on the earth Don Bell is currently a partner in a CPA firm in the Pacific Northwest Additionally he served in the Marine Corps for twenty years including two tours on the front lines of Vietnam He retired as a major at age 38 but was also enlisted for six of those years Don also attended seminary where he received a Masters in Divinity and sometime later a Doctor of Ministry specializing in Strategic Leadership [www.knighthoodofchristianwarriors.com](http://www.knighthoodofchristianwarriors.com)

**Living in the Eighth Day** Steven Underdown, 2018-08-02 I came that you may have life and have it in all its fullness John 10:10 In this book Revd Dr Steven Underdown presents the paschal mystery the passion death and resurrection of Jesus as the means by which the Son first realized that utter fullness of life which God had always intended for humankind He also argues that it is only in and through the paschal mystery that human beings find their fulfillment Only insofar as someone is open to be given in love is that person open to receive fullness of new life The book explores some of the ways by which under God's grace the church can establish patterns of life and worship which will enable growth into the paschal mystery It focuses in particular on a weekly pattern of life established in various parish and monastic communities in which every week is celebrated as a kind of Holy Week in miniature This pattern termed the Pattern of the Week is seen as providing a context for life giving response to the divine initiative

Notes from a Wayward Son Andrew G. Walker, 2020-01-01 Andrew Walker is one of the most remarkable scholars I have met across the years William J. Abraham This miscellany puts readers around the table with a teacher who has provided the church with wisdom and passion and introduces a new voice to the ongoing conversation about the relationship between the gospel and culture Andrew Walker's ecclesial intelligence and broad interdisciplinary approach to theology and sociology will undoubtedly capture the imagination of many who are curious about the church's mission in the modern West Notes from a Wayward Son represents a broad sampling of Walker's writings from a distinguished forty five year career from explorations of Pentecostalism and Charismatic Renewal to Eastern Orthodoxy C. S. Lewis and Deep Church from the impact of modernity on the ecclesia to mission and ecumenism in the West today In a world and a church often driven by the latest fashions Walker's is a voice to which we will want to listen

**Theology in Japan** J. Nelson Jennings, 2005 Japanese Christian leader Takakura Tokutaro 1885-1934 is the focus of this exhaustive historical and theological study Takakura's life spanned a critical period in developing Japan a new member of the modern family of nations At the age of 21 through the preaching of the immensely influential church leader Uemura Masahisa Takakura converted to the Christian faith He later spent over two years in the West reading extensively in British and German theology Takakura thus faced the challenge of

absorbing numerous lines of influence and re articulating the Christian faith within his own generation s distinctly Japanese linguistic and religio cultural context His personal religious experience was a microcosm of the universalization of Christian theology during the nineteenth and twentieth centuries Despite having played important leadership roles within the Protestant Church in Japan during the 1920s and early 1930s Takakura s name is scarcely known outside limited Japanese theological circles This study lends recognition to his influential role in the Christian Church It also utilizes Takakura s example to provide further insight into the universalizing trend in Christian thought that continues even today

**Inside Alpha** James Heard, 2012-06-01 UK church attendance hemorrhaging and one course is hailed as the most effective tool for turning back the tide From small beginnings in the early 1970s Alpha has grown to become a global success Churches from across the denominational spectrum have enthusiastically seized upon the course seeing it as the remedy for declining church attendance Inside Alpha explores such claims through richly grounded qualitative research on six Alpha courses It assesses Alpha s primary aim of converting non churchgoers and its longer term goal of spiritual maturity Colossians 1:28-29 It questions whether the Alpha program is as successful as it claims at uniting evangelism and discipleship mission and spiritual formation This is an invaluable study for those in the academy and the church who have an interest in ecclesiology and mission How exactly is one to understand conversion What is it to be Christian How does ambiguity and doubt fit within one s journey of faith The importance of this work is in discovering through an engagement with Alpha how people might appropriately be initiated into and discipled within the Christian faith in contemporary culture

**Old-Time Religion Embracing Modernist Culture** Douglas Carl Abrams, 2016-12-07 Old Time Religion Embracing Modernist Culture focuses on the founding generation of American fundamentalism in the 1920s and 1930s and their interactions with modernity While there were culture wars there was also an embrace Through a book culture fostered by liberal Protestants and thriving periodicals they strengthened their place in American culture and their adaptation helps explain their resilience in the decades to come The most significant adaptation to modernist culture was the embrace of the modern secular university as a model for evangelical higher education After political battles along sectarian lines in the twenties fundamentalists learned to compete in a pluralist society By the thirties they were among the strongest supporters of Jews and began working with Catholics to fight communism In politics and higher education they encountered issues of race gender and class While opposing higher critics of the Bible their approaches to texts were in some cases similar a focus on the original languages commitment to scholarship ambiguities about both the role of reason and the interpretation of key doctrines Several had graduate training some even in European universities With their views of end times they continued innovative approaches to prophetic texts from nineteenth century dispensationalists In response to evolution and prophetic texts in a time conscious age they also had innovative ideas about biblical time Fundamentalists engaged in debate with Freud and while rejecting his ideas absorbed elements of psychology Some understood William James effort to accommodate religion and modern ideas

Although rejecting John Dewey's pragmatism fundamentalists found value in studying modern philosophy. They tapped a secular Enlightenment philosophy to defend their supernatural Christianity. Between the wars they even participated in the interest in Nietzsche. Usually dismissed as fractious they rose above core differences and cooperated among themselves across denominational lines in building organizations. In doing so they reflected both the ecumenism of the liberal Protestants and the organizational impulse in modern urban industrial society. This study the first to focus on the founding generation also covers a broad spectrum of fundamentalists from the Northeast Midwest the South and the West Coast including some often overlooked by other historians. ThirdWay, 1989-01 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture. *Angels of Light, Powers of Darkness* Stephen Noll, 2003-04-25

Recent years have brought an unexpected revival of popular interest in angels. Books professing to draw back the curtain on the unseen angelic world filled entire bookstore shelves. Here as if to mock the cold universe of modernity were the stories of numerous and warm encounters with angelic beings. But who are angels and what is their nature and purpose in the biblical scheme of things. Are the biblical stories to be taken literally or symbolically or should they be relegated to another day and age. How have the great theologians of the church regarded the angels. And most important what are the nature and role of angels in God's cosmos and his redemptive plan. Stephen Noll answers these questions in this detailed exploration of angels in the tapestry of Scripture. Here is a biblical theological study of angels Satan and the powers that fills a significant gap and will command the attention of serious students of scripture.

Thank you for downloading **Enemy Territory The Christian Struggle For The Modern World**.
