literature also in South Africa **Jesus and Creativity** Gordon D. Kaufman, 2006-07-17 The lively interest today in the historical figure of Jesus is rarely matched by theological advances in understanding his person and significance for our own time and worldview Gordon Kaufman takes up this challenge in this bold speculative work Despite the fabled difficulties of traditional Christological terms few theologians since Tillich and Teilhard have sought to re envision the symbol of Jesus within the contemporary scientific worldview Building on his notion of God as simply creativity Kaufman here locates the meaning of Jesus salvific story within an evolving universe and a threatened planet Outside the dualistic categories of the biblical worldview he finds the enormously creative and influential figure of the historic Jesus can have a vital role in the emergence and development of the cosmos and human history Within that role he argues Jesus his relation to God and his centrality to Christian faith become clearer and our own lives and actions take on a new meaning **Vinculum Amoris** David Williams, 2004-05 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord s Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author s prayer is that this book will do just that for God s people and for his Church *Constantine's Sword* James Carroll, 2002-04-01 The monumental New York Times bestseller in which a Catholic explores the problem of anti-Semitism through Church history The Washington Post A Los Angeles Times Best Book of the Year and a New York Times Notable Book In this masterly history Time National Book Award winning author James Carroll maps the profoundly troubling two thousand year course of the Church s battle against Judaism and faces the crisis of faith it has provoked in his own life as a Catholic More than a chronicle of religion this dark history is the central tragedy of Western civilization its fault lines reaching deep into our culture The Church s failure to protest the Holocaust the infamous silence of Pius XII is only part of the story the death camps Carroll shows are the culmination of a long entrenched tradition of anti Judaism From Gospel accounts of the death of Jesus on the cross to Constantine s transformation of the cross into a sword to the rise of blood libels scapegoating and modern anti-Semitism Carroll reconstructs the dramatic story of the Church s conflict not only with Jews but with itself Yet in tracing the arc of this narrative he implicitly affirms that it did not necessarily have to be so There were roads not taken heroes forgotten new roads can be taken yet Demanding that the Church finally face this past in full Carroll calls for a fundamental rethinking of the deepest questions of Christian faith Only then can Christians Jews and all who carry the burden of this history begin to forge a new future Carroll discusses the history of Christian Jewish relations honestly touchingly and personally Carroll
