**Genders, Sexualities, and Spiritualities in African Pentecostalism**

Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa

**African Initiated Christianity and the Decolonisation of Development** Philipp Öhlmann, Wilhelm Gräb, Marie-Luise Frost, 2020-01-07 This book investigates the substantial and growing contribution which African Independent and Pentecostal Churches are making to sustainable development in all its manifold forms Moreover this volume seeks to elucidate how these churches reshape the very notion of sustainable development and contribute to the decolonisation of development Fostering both overarching and comparative perspectives the book includes chapters on West Africa Nigeria Ghana and Burkina Faso and Southern Africa Zimbabwe and

South Africa It aims to open up a subfield focused on African Initiated Christianity within the religion and development discourse substantially broadening the scope of the existing literature Written predominantly by scholars from the African continent the chapters in this volume illuminate potentials and perspectives of African Initiated Christianity combining theoretical contributions essays by renowned church leaders and case studies focusing on particular churches or regional contexts While the contributions in this book focus on the African continent the notion of development underlying the concept of the volume is deliberately wide and multidimensional covering economic social ecological political and cultural dimensions Therefore the book will be useful for the community of scholars interested in religion and development as well as researchers within African studies anthropology development studies political science religious studies sociology of religion and theology It will also be a key resource for development policymakers and practitioners

**African Pilgrimage** Retief Müller, 2016-04-01 Years after the end of Apartheid South Africa remains racially polarized and socially divided In this context pilgrimage and travelling rituals serve to help those who often find themselves at the bottom end of the social ladder to make sense of their world This book describes a South Africa that is made up of a number of different fragmented worlds The focus is on the Zion Christian Church one of the largest religious movements in southern Africa and a good example of indigenized African Christianity Pilgrimage plays an important role in reintegrating some of those fragmented worlds into something approaching wholeness This book tells the story of how the enduring ritual of pilgrimage is transforming African religion along with the lives of ordinary South Africans

**Welfare, Religion and Gender in Post-apartheid South Africa** Ignatius Swart, Amanda Gouws, Per Pettersson, Frouwien Bosman, Johannes Erasmus, 2012-04-01 The topic covered by this book is important crucially so in post apartheid South Africa and the research is meticulous This has resulted in an impressive collection of material concerning welfare religion and gender in twenty first century South Africa which includes both theoretical reflections and an abundance of empirical data Professor Grace Davie Professor Emerita of Sociology University of Exeter UK

**The Routledge Handbook of Religions and Global Development** Emma Tomalin, 2015-02-11 This Handbook provides a cutting edge survey of the state of research on religions and global development Part one highlights critical debates that have emerged within research on religions and development particularly with respect to theoretical conceptual and methodological considerations from the perspective of development studies and its associated disciplines Parts two to six look at different regional and national development contexts and the place of religion within these These parts integrate and examine the critical debates raised in part one within empirical case studies from a range of religions and regions Different religions are situated within actual locations and case studies thus allowing a detailed and contextual understanding of their relationships to development to emerge Part seven examines the links between some important areas within development policy and practice where religion is now being considered including Faith Based Organisations and Development Public Health Religion and Development Human rights Religion and Development

Sustainable Development Climate Change and Religion Global Institutions and Religious Engagement in Development Economic Development and Religion Religion Development and Fragile States Development and Faith Based Education Taking a global approach the Handbook covers Africa Latin America South Asia East and South East Asia and the Middle East It is essential reading for students and researchers in development studies and religious studies and is highly relevant to those working in area studies as well as a range of disciplines from theology anthropology and economics to geography international relations politics and sociology

*The Zionist Churches in Malawi* Strohbehn, Ulf, 2016-05-11 This book presents an African Christian movement full of vitality and creativity The reader will meet believers who drink milk so that they may dream about angels reports about funerals where the mourners dance with the coffin on their shoulders and church members who are ritually not allowed to fertilize their fields or wear neck ties The author's unique insight into Malawi's Christian community addresses important issues in society Why have Spirit Churches including Pentecostalism been so successful in Malawi Why do some religious groups still refuse medical help up to the point that children die of cholera How did the independent churches deal with the colonial trauma In this masterful portrait Strohbehn takes the reader from industrial mine compounds to rural colonies where churches have set up their own spiritual and political rule He carefully dissects the fine lines between traditional notions and Christianity's influence We find a spiritual portrait of the Ngoni people a fascinating cultural analysis of dancing and an encounter with a unique style of preaching
