

The background of the cover features a close-up, high-contrast photograph of two precision drill bits, one on the left and one on the right, positioned as if about to drill into a metal workpiece. The workpiece has a series of pre-drilled holes. Overlaid on the lower half of the image is a faint, circular technical drawing or blueprint, showing various geometric shapes and lines. The overall color scheme is dark, with highlights on the metal surfaces of the drill bits and the workpiece.
