Engithidong Xugixudhoy James M. Kari, 1987 Traditional Ingalik Indian stories from central and northwest Alaska told by Belle Deacon and translated from Deg Hit an with text in both languages Engithidong Xugixudhoy Belle Deacon, 1987-09 **The Alaska Native Reader** Maria Sháa Tláa Williams, 2009-09-25 This portrayal of Native Alaska brings together essays poems songs stories maps and visual art Most of the selections are by Alaska Natives many were written especially for this volume Our Voices James Ruppert, John W. Bernet, 2001-01-01 Storytelling is a precious vibrant tradition among the Native peoples of the Far North Collected here for the first time are stories from the communities of interior Alaska and the Yukon Territory These are the tales the people tell about themselves their communities and the world they inhabit Our Voices showcases twenty storytellers and writers who represent a full range of Athabaskan and related languages of Alaska and the Yukon Both men and women recount popular tales of ancient times that describe the origins of social institutions and cultural values as well as meaningful sometimes intimate stories about their own lives and families or the history of their people As representatives of an art transmitted through countless generations and now practiced with renewed interest and vigor by people reclaiming their cultural heritage these narratives create a broad brightly colored richly detailed picture of the world of the Far North present and past **The Languages of Native North America** Marianne Mithun, 2001-06-07 This book provides an authoritative survey of the several hundred languages indigenous to North America These languages show tremendous genetic and typological diversity and offer numerous challenges to current linguistic theory Part I of the book provides an overview of structural features of particular interest concentrating on those that are cross linguistically unusual or unusually well developed These include syllable structure vowel and consonant harmony tone and sound symbolism polysynthesis the nature of roots and affixes incorporation and morpheme order case grammatical distinctions of number gender shape control location means manner time empathy and evidence and distinctions between nouns and verbs predicates and arguments and simple and complex sentences and special speech styles Part II catalogues the languages by family listing the location of each language its genetic affiliation number of speakers major published literature and structural highlights Finally there is a catalogue of languages that have evolved in contact situations **American Folk Art** Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an

introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are [Resources in Education](#) ,1997 **Index to**
