*Impact of Japan's Economic Relations in the Asia Pacific Region*, 1984      **Asia Pacific Regionalism** Ross Garnaut, Peter Drysdale, John Kunkel, 1994 The Asia Pacific region has in a relatively short space of time become the hub of the world economy while at the same time moving towards closer economic integration This book contains a selection of the articles that have emerged from analysis of the region over the last 20 years The articles represent and convey the central ideas of Asia Pacific regionalism and describe the main historical theoretical and political developments that they have grown from Sections break the Asia Pacific region into smaller areas including the Americas to look at causes effects problems and solutions in each Also included is a chapter on the importance of Chinese reforms in an international context This is an appropriate text for both students and lecturers      *Economic Cooperation In The Asia-Pacific Region* John P Hardt, 2019-02-22 The Asia Pacific region has in the eyes of most observers the potential to become the engine of global economic growth in the 21st century Whether it does will largely depend upon the willingness of the region's nations to pursue economic co operation and peaceful reconciliation of differences In this volume scholars policy experts and repre

**ASEAN-China Economic Relations in the Context of Pacific Economic Development and Co-operation** Siow Yue Chia, Bifan Cheng, 1992 Volume I of the series on ASEAN China Relations focused on trends and patterns in bilateral economic relations between ASEAN countries on the one hand and China on the other Volume II focused on macroeconomic and institutional developments in China and in selected sectors in ASEAN and China and their implications for bilateral economic relations This third volume focuses on developments in the global arena and in the Pacific and their impact on bilateral economic relations between ASEAN and China The papers cover the following economic developments in the Pacific region the economic role of Japan and the United States industrial restructuring in the Asian Newly Industrializing Economies the special role of Hong Kong prospects for Pacific economic cooperation and China's membership in GATT

International Relations Theory and the Asia-Pacific G. John Ikenberry, Michael Mastanduno, 2003 What tools will international relations theorists need to understand the complex relationship among China Japan and the United States as the three powers shape the economic and political future of this crucial region Some of the best and most innovative scholars in international relations and Asian area studies gather here with the working premise that stability in the broader Asia Pacific region is in large part a function of the behavior of and relationships among these three major powers      *Pacific Cooperation* John Ravenhill, Vinod Aggarwal, Paul M Evans, Pauline Kerr, 2019-06-20 Long divided by cultural economic and political differences the Asia Pacific region has little history of multilateral cooperation Alliances that once linked individual countries with one or the other superpower fostered deep mistrust among neighbouring states The end of the Cold War however has created new opportunities for multilateral coo      New Regional Trading Arrangements in the Asia Pacific? Robert Scollay, John Gilbert, 2001 What are the choices the Asia Pacific community will face if it proceeds further down the

path of developing preferential regional trading arrangements Fragmentation of the region into preferential trading arrangements on a bilateral or subregional basis promises relatively little economic gain and considerable risk of increased trade conflict Larger preferential trading blocs spanning the whole of East Asia the Western Pacific or the APEC membership offer greater potential economic benefits but also face formidable political obstacles In this study Scollay and Gilbert weigh the economic consequences of the increased use of preferential trading arrangements in the Asia Pacific region whether these develop on the basis of trans Pacific cooperation or solely within the East Asian or Western Pacific sub regions They evaluate the economic effects of both the existing proposals for new bilateral and multilateral agreements and of more far reaching developments involving the creation of a substantial trading bloc or blocs in the region Comparisons between the economic effects of establishing such bloc s in the region and the effects of achieving APEC s Bogor goals on the basis of open regionalism suggest that the latter approach continues to offer a worthwhile alternative The study demonstrates that the benefits of global free trade dominate those available from establishment of any combination of major blocs or from APEC s open regionalism

**Promoting Asia-Pacific Economic Cooperation** Y. Deng,1997-06-30 Attempts to integrate the Pacific regional economy accelerated sharply with the formation of the regionwide official Asia Pacific Economic Cooperation forum in 1989 This book probes into the distinctive process of regional cooperation in Asia Pacific by focusing on the roles and perspectives of China Japan and Southeast Asian states Asian developments shaping the new post hegemonic global political economy challenge traditional models in international relations which is here challenged to take East Asia seriously

Politics of Economic Cooperation in the Asia-Pacific Region Guangsheng Liao,1993 Power and Prosperity Susan L. Shirk,Christopher P. Twomey,1996-01-01 Power and Prosperity brings together senior scholars policy officials and international journalists to provide diverse perspectives on regional dynamics and domestic intricacies in the Pacific Rim countries and to examine the effects of changing security patterns on economic relations and growth The contributions highlight the degree to which economic and security policies are connected and show how policymakers can build upon the positive dimensions of regional and international ties to increase trust and limit the development of security dilemmas
