## **Economic Theory And Market Socialism Selected Ebays Of Oskar La:**

*Economic Theory and Market Socialism* Oskar Lange,1994 Oskar Lange was one of the few economists able to observe first hand the three major economic systems that have been the hallmark of the 20th century He learned about the economic backwardness of peripheral capitalism in pre war Poland Later he spent more than twelve years in the bastion of modern capitalism the United States After returning to Poland in 1948 he linked his fate to the creation and then reform of the Communist system This important collection of Professor Lange s work prepared by his disciple and close friend Tadeusz Kowalik presents his most important work on the economic theory of socialism economic planning Marxism and bourgeois economics The volume makes an important contribution by improving access to the papers of an economist whose work was at the very heart of the intellectual conflict between socialism and capitalism in the late twentieth century

**Selected Political and Economic Writings of Eugen Varga** Eugen Varga,2021-12-23 The key political and economic writings of the father of Soviet economic orthodoxy now available in English for the first time   Socialism, Markets, and the Critique of Money Tsuyoshi Yuki,2021 This book provides a comprehensive overview of historical and

international debates on the theory of labor money or labor notes These debates exist in a triangular context of market socialism communism community based socialism and local currency joining numerous socialists anarchists and Marx and Engels Labor note theory encompasses theoretical ideological and practical doctrines aimed at designing a fair and desirable labor based market or non market economy by reforming the monetary and credit system This theory was considered an unfeasible utopian idea in the context of orthodox Marxism which is typically based on a historical study of surplus value doctrines However this book eschews Marx s critique of labor money that limits the debate regarding a concrete alternative society and instead proposes practical and gradual approaches to social reform by scrutinizing the primary sources of labor money theories and practical experiences and reconstructs their theoretical relationships Tsuyoshi Yuki is Professor in the Graduate School of Humanities and Social Sciences at Saitama University Japan     **Economic Justice** ,1998
