Economic Fundamentalism The New Zealand Experiment A World Model:

Economic Fundamentalism Jane Kelsey, 1995-12-15 In 1984 the New Zealand Labour government became the first developed Western economy to make a systematic attempt at structural adjustment This book examines the process through which this experiment took place and what it has meant for the country's economic political and cultural life The New Zealand Experiment Jane Kelsey, 2015-12-21 Jane Kelsey's was a questioning and challenging voice when she wrote this passionate critique of New Zealand's economic policies in the 1980s and 90s The social and economic consequences of a decade of market based reforms are laid bare in this statistically rich and rhetorically powerful work Drawing on a wide array of sources Kelsey's analysis delves into every aspect of the structural reforms that were to have such vast consequences for New Zealand society Her analysis of those policies and their consequences gains a fresh and sobering perspective in the light of the recent global financial crisis Competing Responsibilities Susanna Trnka, Catherine Trundle, 2017-03-09 Noting the pervasiveness of the adoption of responsibility as a core ideal of neoliberal governance the contributors to *Competing Responsibilities* challenge contemporary understandings and critiques of that concept in political social and ethical life They reveal that neoliberalism's reification of the responsible subject masks the myriad forms of individual and collective responsibility that people engage with in their everyday lives from accountability self sufficiency and prudence to care obligation and culpability The essays which combine social theory with ethnographic research from Europe North America Africa and New Zealand address a wide range of topics including critiques of corporate social responsibility practices the relationships between public and private responsibilities in the context of state violence the tension between calls on individuals and imperatives to groups to prevent the transmission of HIV audit culture and how health is cast as a citizenship issue *Competing Responsibilities* allows for the examination of modes of responsibility that extend challenge or coexist with the neoliberal focus on the individual cultivation of the self Contributors Barry D Adam Elizabeth Anne Davis Filippa Lentzos Jessica Robbins Ruszkowski Nikolas Rose Rosalind Shaw Cris Shore Jessica M Smith Susanna Trnka Catherine Trundle Jarrett Zigon **Teachers' Work in a Globalizing Economy** Alistair Dow, Robert Hattam, Alan Reid, Geoffrey Shacklock, John Smyth, 2005-08-02 Extended critical case studies provide a tangible working expression of the labour process of teaching showing how teachers are simultaneously experiencing significant changes to their work as well as responding in ways that actively shape these processes For teachers and researchers this book shows what processes are at work in the global economy which impact on and sometimes control the role of the teacher It also reveals how teachers accommodate resist or redefine their working circumstances and explores methods researchers might employ in order to increase our understanding and knowledge of the effect of globalization on teaching **Community Psychology and the Socio-economics of Mental Distress** Carl Walker, Katherine Johnson, Liz Cunningham, 2017-09-16 Providing unique global perspectives on community psychology this is exciting and important reading for students and researchers alike written by

leading experts in the field Drawing on a wealth of experience and examples it offers an essential guide to the political global context of this fast developing area of psychology

Global Governance and the Quest for Justice - Volume I Douglas Lewis, 2006-02-28 This book one in the four volume set Global Governance and the Quest for Justice focuses on the international and regional organisations that represent the key players in the evolving global order The papers in this collection seek to map the real world of global governance exploring who governs and how what the leading international and regional organisations claim to do and what they actually do as well as assessing the gap between the ideal of constitutionalised global governance and the actuality of governance under globalisation The contributors discuss what it would mean for global governance to aspire to Rule of Law standards of transparency accountability and participation together with categorical respect for human rights In this collection the perspective of modern public lawyers is systematically applied to the governance deficit associated with globalisation and to its institutional correction in pursuit of a legitimate regime of global governance

Economic Fundamentalism Jane Kelsey, 1995-12-15 In 1984 the New Zealand Labour government became the first developed Western economy to make a systematic attempt at structural adjustment This book examines the process through which this experiment took place and what it has meant for the country's economic political and cultural life

China, the West and the Myth of New Public Management Paolo Urio, 2012-07-26 In the West innovations in new public management NPM have been regarded as part of the neoliberal project whilst in China these reforms have emerged from a very different economic and social landscape Despite these differences however similar measures to those introduced in the West have been adopted by the Chinese state which has largely abandoned the planned economy and adopted market mechanisms in the pursuit of improved economic efficiency and growth Evaluating the results of these reforms in both China and the West between 1978 and 2011 this book shows that despite substantial improvements in economic efficiency in both cases under consideration there have been considerable negative impacts on the distribution of wealth access to public services levels of poverty public health and the incidence of crime Further this book explores the different results of NPM in China and the West and the conclusions Paolo Urio draws have timely significance as he suggests that China has been able to change its policies more rapidly and thus more effectively respond to the challenges posed by the current economic crisis Drawing on both Western and Chinese sources this innovative book compares the consequences of their public management reforms taking into account the impact on both the economy and society As such this book will be of great interest to students and scholars working in the fields of Chinese studies Asian studies business economics strategic public management and comparative studies in capitalism and socialism

[The Cultures of Globalization](#) Fredric Jameson, Masao Miyoshi, 1998 A pervasive force that evades easy analysis globalization has come to represent the export and import of culture the speed and intensity of which has increased to unprecedented levels in recent years The Cultures of Globalization presents an international panel of intellectuals who consider the process of globalization as it concerns the
