The Evolution of China's Political Economy Rich Marino, 2023-05-01 For years China s rapid economic transformation was hailed as a successful project that lifted hundreds of millions of people out of poverty However in recent times the Chinese narrative has taken a more negative turn in the eyes of the West Much of this has to do with the US perception about the role of the Chinese state in its economy and its military build up especially in the South China Sea There s no question China s complex economy can be difficult to understand Information is often unclear and incomplete and its data are not always reliable However this book presents the reader with a clear picture of China s economy and how it compares to other advanced economies mainly the United States The book unwraps the key features and structures of China s economy Moreover it examines and shows the similarities and differences in comparison with other like economies In that effort it underscores the differences by evaluating their benefits as well as their disadvantages against the backdrop of China s incomplete transition to a market economy This along with its governance structure becomes the crucial components shaping the way key stakeholders will act and react to opportunities and incentives as that economy evolves The book supplements the definition of globalization for the academic the student the professional and anyone else interested in its positive and negative effects It is also a good fit for anyone who wants to understand China s three elements of political economy global trade political power and its image on the global stage A Study on the Influence of Ancient Chinese Cultural Classics Abroad in the Twentieth Century Xiping Zhang, 2022-03-28 This book presents an extensive literary survey of the influence of ancient Chinese cultural classics around the globe highlighting a mammoth research project involving over forty countries or regions and more than twenty languages As the book reveals ancient Chinese culture was introduced to East Asian countries or regions very early on furthermore after the late Ming Dynasty Chinese knowhow and ideas increasingly made inroads into the West In particular the translation of and research on Chinese classics around the world have enabled Chinese culture to

take root and blossom on an unprecedented scale In addition to offering a valuable resource for readers interested in culture the social sciences and philosophy the book blazes new trails for the study of ancient Chinese culture 王仲闻, 2005
