Realist Ecstasy Lindsay V. Reckson, 2020-01-28 Honorable Mention Barnard Hewitt Award from the American Society for Theater Research Explores the intersection and history of American literary realism and the performance of spiritual and racial embodiment Recovering a series of ecstatic performances in late nineteenth and early twentieth century American realism Realist Ecstasy travels from camp meetings to Native American ghost dances to storefront church revivals to explore realism's relationship to spiritual experience In her approach to realism as both an unruly archive of performance and a wide ranging repertoire of media practices including literature photography audio recording and early film Lindsay V Reckson argues that the real was repetitively enacted and reenacted through bodily practice Realist Ecstasy demonstrates how the realist imagining of possessed bodies helped construct and naturalize racial difference while excavating the complex shifting and dynamic possibilities embedded in ecstatic performance its production of new and immanent forms of being beside Across her readings of Stephen Crane James Weldon Johnson and Nella Larsen among others Reckson triangulates secularism realism and racial formation in the post Reconstruction moment Realist Ecstasy shows how post Reconstruction realist texts mobilized gestures especially the gestures associated with religious ecstasy to racialize secularism itself Reckson offers us a distinctly new vision of American realism as a performative practice a sustained account of how performance lives in and through literary archives and a rich sense of how closely secularization and racialization were linked in Jim Crow America

Ecstasy Unlimited Laura Kipnis,

Pure Ecstasy Aja James, 2022-01-28 Jade She is a ruthless cunning vampire queen the most powerful amongst all the Hives in the world Beautiful predatory and alluringly dangerous she's a huntress who revels in blood and sexual pleasure Seth He is calm cool and level headedness personified as the most effective negotiator

and mediator amongst the Pure Ones Known by the moniker of Monk he thought he could resist any and all temptation 3 years ago they made a deal one that gave the Pure Ones a critical advantage against a deadly foe But the price he paid still haunts him to this day 3 years ago she played a delicious game not realizing until it was almost too late how he changed her entire world Now common enemies force their paths to cross again Only this time the stakes are higher the risk is greater and the love should they choose to claim it will be worth every sacrifice

Resignation and Ecstasy: The Moral Geometry of Collective

Self-Destruction Mark P. Worrell,2020-08-10 Once again for the first time Marx and Durkheim join forces while exploring the moral economy of neoliberalism Resignation and Ecstasy provides a fresh perspective on the immortal vortex of sacred energies pulsating beneath the peculiar logic of modern accumulation Relying on dialectical methods classical sociology and psychoanalysis are reconstituted within an Hegelian social ontology to differentiate the ephemeral from the eternal aspects of social life

The Veils of the Seven Skies - Where Order Meets Ecstasy Chris Tsirkas,2025-04-09 The Veils of the Seven Skies was born from a personal need to reconstruct the experience of Tragedy not as narrative but as passage In a time where theatre often becomes commentary or spectacle I longed to return to its ritual core a place where sound word and silence become thresholds The work seeks to revive the Sacred in performance not through religion but through the metaphysical weight of form repetition and gesture It is a response to the fragmentation of modern selfhood an offering of self transformation written for a stage that dares to stand still I envision this piece not simply as a play but as a vessel something ancient souls might recognize even if they no longer name it I wrote it so that it might one day be sung by voices who remember how to breathe between the Worlds The play is a philosophical and theatrical experiment that aims to bridge ancient worlds creating a poetic dialogue between the cultural heights of classical Greece and imperial China Its dramatic

verse play merges the structure and philosophical depth of Attic Tragedy with the refined aesthetics and performative precision of traditional Chinese Theatre and Opera Set upon a semi operatic vessel reminiscent of 18th century Italian opera this work creates a unique synthesis of two seemingly distant but profoundly resonant artistic worlds The baroque grandeur of the language and spectacle serves the cosmic scope of this East West symbolical encounter The narrative follows Dionysus the Greek god of wine and ecstatic transformation as he journeys to the Celestial Court of ancient China There his encounter with Princess Lian daughter of the Jade Emperor catalyzes a cosmic dialogue between Eastern discipline and Western spontaneity When the Emperor subjects Dionysus to Five Elemental Trials both cultures must confront their limitations and discover the complementary nature of their seemingly opposed philosophies Through Fire Water Wood Metal and Earth the characters navigate a series of challenges which test not only their physical and spiritual capacities but also their cultural assumptions about order chaos freedom and control The play integrates authentic elements from both traditions the Chorus Choral Odes and dramatic structure of Attic Tragedy alongside the water sleeve techniques shu xi and stylized gestures of Kunqu structural elements of Yuan Zaju and Ming Chuanqi and the codified role types of Peking Opera J ngj Through musicalized verse and detailed choreographic directions this work illuminates universal themes which bind human expression across cultures The play s formal structure honors both traditions while creating something entirely new a theatrical language that speaks to our shared humanity The Veils of the Seven Skies explores timeless questions which have occupied both Eastern and Western philosophical traditions such as How do we balance freedom with form How can tradition embrace change without losing its essence and What happens when seemingly opposite forces discover their shared humanity These questions unfold through characters who embody philosophical principles while remaining emotionally compelling their personal journeys reflecting the larger cultural synthesis at the heart of this work This theatrical experiment demonstrates how Dionysian ecstasy and Eastern harmony can converse in a shared theatrical language transcending time and geography in order to explore the essential balance between chaos and order freedom and form tradition and transformation It stands as both a literary text and a potential performance piece which celebrates the richness of global theatrical traditions a tale of transformation where Seven Veils dissolve revealing the unity beneath our cultural differences The extensive glossary and notes provide context for readers unfamiliar with either tradition making this work accessible to diverse audiences while honoring the depth and complexity of its source material

Bloomsbury Handbook of Religious Ecstasy Alison Marshall, Rubina Ramji, Michael Wilkinson, 2025-03-20 Why do people seek a connection to something beyond the social dimensions of the world Ecstatic experiences are often labelled religious spiritual mystical or even sacred However ecstasy is not just extraordinary for many people throughout the world it is an ordinary part of daily life The Handbook highlights the diverse individuals who have experienced ecstasy in the past and present from ordinary people to mystics pastors healers spirit mediums and urban neo therapeutic shamans Chapters show that ecstasy may be experienced during

trance possession prayer and even through the use of drugs such as soma peyote ayahuasca ibogaine mushrooms LSD and other substances While institutional expressions of religion may be on the decline experiences of religious ecstasy and interactions among living people and gods saints angels and demons individually and collectively are happening everywhere occurring at home online in the community and through prayer dance song possession and the ingestion of drugs Ecstatic religious experience as this handbook shows provides meaning belonging and for some profit in the late capitalist marketplace

Words of Ecstasy in Sufism Carl W. Ernst, 1985-01-01 This is the first in depth study in English of the import and impact of ecstatic utterances shathiyat in classical Islamic mysticism It makes available an important body of mystical aphorisms and reveals not only the significance of these sayings in the Sufi tradition but also explains their controversial impact on Islamic law and society This study describes the development and interpretation of shathiyat in classical Sufism and analyzes the principal themes and rhetorical styles of these sayings using as a basis the authoritative Commentary on Ecstatic Sayings by Ruzbihan Baqli of Shiraz The special topic of mystical faith and infidelity receives particular emphasis as a type of ecstatic expression that self reflectively meditates on the inadequacy of language to describe mystical experience The social impact of ecstatic sayings is clarified by an analysis of the political causes of Sufi heresy trials Nuri Hallaj and Ayn al Qudat and the later elaboration of Sufi martyrologies This study also examines the attitudes of Islamic legal scholars toward shathiyat and concludes with a comparison of Sufi ecstatic expressions with other types of inspired speech

Spectrum of Ecstasy Ngakpa Chogyam, Khandro Dechen, 2003-07-08 Here two Western born lamas of the Nyingma tradition of Vajrayana Buddhism explore what it means to be utterly emotionally alive Written in contemporary nonacademic language this book is a radical challenge to the misconception that inner Vajrayana is primarily an esoteric system of ritual and liturgy The authors teach that emotions can be embraced as a rich and profound opportunity for realization This fiercely compassionate battle cry rallies all who are audacious enough to appreciate emotions for their supreme potential as vehicles for awakening

The Tower of Ecstasy Pasquale De Marco, 2025-04-17 In the looming shadow of an ancient prophecy The Tower of Ecstasy stands as a stark reminder of humanity's past transgressions and the imminent threat of encroaching darkness As the barriers between realms weaken an enigmatic force gathers strength poised to unleash chaos upon the world At the heart of this impending crisis lies the Order of the Watchers a clandestine society of scholars and seers dedicated to safeguarding the

equilibrium between the tangible and the ethereal Haunted by cryptic prophecies and plagued by visions of impending doom they embark on a desperate quest to unravel the ancient secrets that bind the realms together Meanwhile a group of intrepid seekers drawn together by destiny stumbles upon forgotten texts and ancient artifacts that hint at a hidden world teeming with unseen forces Guided by fragments of knowledge and whispers of forgotten lore they navigate treacherous landscapes and encounter enigmatic beings unearthing truths that have remained concealed for millennia As the Order of the Watchers and the seekers delve deeper into the mysteries that surround the Tower of Ecstasy they find themselves ensnared in a web of conspiracies ancient pacts and forgotten alliances Loyalties are tested and alliances are forged as they confront the malevolent entities that seek to plunge the world into eternal darkness With the fate of existence hanging in the balance the battle lines are drawn between light and shadow knowledge and ignorance hope and despair In the face of overwhelming odds the seekers and the Order of the Watchers must confront their own inner demons and embrace their collective strength to avert the impending catastrophe In a world on the brink of collapse The Tower of Ecstasy stands as a testament to the resilience of the human spirit and the unyielding power of hope As the final confrontation looms the seekers and the Order of the Watchers must make a choice that will determine the fate of all existence Will they succumb to the encroaching darkness or will they rise to the challenge and embrace the light If you like this book write a review on google books
