its logical extreme in artists who employ found or simulated books as a sculptural medium Investigating the conceptual labor behind this proliferating international art practice Garrett Stewart looks at hundreds of book like objects alone or as part of gallery installations in this original account of works that force attention upon a book's material identity and cultural resonance Less an inquiry into the artist's book than an exploration of the book form's contemporary objecthood Stewart's interdisciplinary approach traces the lineage of these aggressive artifacts from the 1919 Unhappy Readymade of Marcel Duchamp down to the current crisis of paper based media in the digital era Bookwork surveys and illustrates a stunning variety of appropriated and fabricated books alike ranging from hacksawed discards to the giant lead folios of Anselm Kiefer The unreadable books Stewart engages with in this timely study are found again and again to generate graphic metaphors for the textual experience they preclude becoming in this sense legible after all

Religious Perspectives in Modern Muslim and Jewish Literatures ,

Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen, 2018-10-22 Research on medieval and early modern travel literature has made great progress which now allows us to take the next step and to analyze the correlations between the individual and space throughout time which contributed essentially to identity formation in many different settings The contributors to this volume engage with a variety of pre modern texts images and other documents related to travel and the individual's self orientation in foreign lands and make an effort to determine the concept of identity within a spatial framework often determined by the meeting of various cultures Moreover objects images and words can also travel and connect people from different worlds through books The volume thus brings together new scholarship focused on the interrelationship of travel space time and individuality which also includes of course women's movement through the larger world whether in concrete terms or through proxy travel via readings Travel here is also examined with respect to craftsmen's activities at various sites artists employment for many different projects all over Europe and elsewhere and in terms of metaphysical experiences catabasis

The Long Life of Magical Objects Allegra Iafrate, 2020-01-17 This book explores a series of powerful artifacts associated with King Solomon via legendary or extracanonical textual sources Tracing their cultural resonance throughout history art historian Allegra Iafrate delivers exciting insights into these objects and interrogates the ways in which magic manifests itself at a material level Each chapter focuses on a different Solomonic object a ring used to control demons a mysterious set of bottles that constrain evil forces an endless knot or seal with similar properties the shamir known for its supernatural ability to cut through stone and a flying carpet that can bring the sitter anywhere he desires Taken together these chapters constitute a study on the reception of the figure of Solomon but they are also cultural biographies of these magical objects and their inherent aesthetic morphological and technical qualities Thought provoking and engaging Iafrate's study shows how ancient magic artifacts live on in our imagination in items such as Sauron's ring of power Aladdin's lamp and the magic carpet It will appeal to historians of art religion folklore and literature

The Spanish Hermes and Wisdom Traditions in Medieval Iberia Juan Udaondo

Alegre,2024-11-05 A captivating study of translation adaptation and intellectual cross pollination that situates the Castilian Hermes in the center of medieval Mediterranean cultural exchange Hermes Trismegistus a Hellenistic conflation of the Greek Hermes god of interpretative wisdom and the Egyptian Thoth god of wisdom was considered by many in the medieval world as the father of culture Between c 300 BCE c 1200 CE various treatises were attributed to the legendary sage becoming known as the Hermetica a combination of diverse philosophical and spiritual systems addressing subjects such as alchemy magic and astrology The Hermetica circulated widely with premodern translations in Latin Hebrew Syriac Persian Arabic and other Eastern languages Whilst these iterations have been thoroughly researched little attention has been paid to the Castilian Hermes the first rendition of the wisdom traditions of Hermes Trismegistus in a Romance language This book follows the ways in which Hermetic knowledge was brought to the Iberian Peninsula showing how Hermes became the philosophical and spiritual inspiration for Christian Arabic and Jewish scholars there Udaondo Alegre unveils the pivotal role of King Alfonso X the Learned of Castile 1252-84 in creating this Spanish Hermes Through the meticulous tracing of source texts and literary influences the author explores the myriad ways in which Hermes crossed religious and linguistic boundaries to embody a composite intellectual identity emblematic of medieval Spain's multicultural ethos Alfonso's court is revealed as the site for a unique convergence of translation and interpretation that shaped a distinctly Hispanic Hermes
