History of Fall River, Massachusetts (Classic Reprint) Henry M. Fenner,2015-08-04 Excerpt from History of Fall River Massachusetts The observance of the one hundredth anniversary of the beginning of cotton manufacturing in Fall River has seemed to the Merchants Association a fitting occasion for the publication of a concise history of the community Its historical committee has therefore prepared the pages which follow in the hope of making the history of the city better known by its citizens and the thousands of visitors within its gates as well as by many others to whom copies may be sent by friends The book has been prepared and published in less than two months and has of necessity been made brief A strong effort has however been made to secure accuracy and to include all the principal facts in connection with the city s

development The original spelling of names has been retained in many cases and incidents of interest have in some instances been interwoven The committee hopes that its work may be the basis of a more extensive history of Fall River The story of its growth is an inspiration to greater things and deserves to be more generally known About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
