Angel Fire My name is Darcy Anderson and I am cursed with a dark power Whenever my life is in danger something inside me summons elemental fire to protect me I cannot control this One night I was attacked in my home The fire it raged out of control I survived the inferno but my house burned to the ground with my parents inside I was at a loss to explain to the courts what happened and so they sent me to prison for ten years for manslaughter Now I m out on parole and all I want is to return to my home town and rebuild my life but the man who attacked me is back to finish the job he started I can sense the power in me growing If I can t control it it will control me and destroy everything and everyone I love Angel s Breath My name is Richard Riley All I ever wanted was to lead a normal life When I was younger I made some bad choices that ended with me in prison I served my time and now I am trying to put my life back together But someone has framed me for a crime I didn t commit They want me dead and they re willing to kill my friends and family to get to me Even as I try to save the people I love a dark and ancient power grows inside me I can feel its anger rising If it gets away from me it will rip everything in my life apart Earth Angel My name is Kyle Chase I had a bright future as a heart surgeon until an accident brought my world crumbling down Just as I started to get my life back together I stumbled onto a conspiracy that began thousands of years ago a secret my family tried to keep hidden from me Now the conspirators want me out of the picture They will stop at nothing to silence me As I try to uncover my ages old legacy I release a dark power that threatens to destroy everyone I love Angel Tears My name is Serena Rogers After escaping from a juvenile detention center all I wanted was to get as far away from home as I could and never look back Everything changed when I uncovered the dark secret that s been haunting my family since before I was born I am not who I thought I was When I encounter an army of revolutionaries I am faced with an impossible choice fight them and

risk the lives of everyone I love or join them and lose my soul Angel of Darkness My name is Frank I joined the police force to make a difference but from the first day on the job everything I ve done has made life worse for everyone around me For twenty five years I searched for meaning to make sense of my life but I never found any answers Just when I decide to turn my back on my life s work I uncover a conspiracy more sinister than anything I ever imagined As I investigate I realize that even if I stop the conspirators the blood of innocents will be on my hands thousands will die If I don t stop them all of mankind will suffer an age of darkness **Angel Tears (Fallen Angels - Book 4)** Valmore Daniels,2014-02-20 My name is Serena Rogers After escaping from a juvenile detention center all I wanted was to get as far away from home as I could and never look back Everything changed when I uncovered the dark secret that s been haunting my family since before I was born I am not who I thought I was When I encounter an army of revolutionaries I am faced with an impossible choice fight them and risk the lives of everyone I love or join them and lose my soul Fallen Angels Book 1 Angel Fire Book 2 Angel s Breath Book 3 Earth Angel Book 4 Angel Tears Book 5 Angel of Darkness The Complete Book of Fallen Angels **Angel Fire (Fallen Angels - Book 1)** Valmore Daniels,2011-01-20 My name is Darcy Anderson and I am cursed with a dark power Whenever my life is in danger something inside me summons elemental fire to protect me I cannot control this One night I was attacked in my home The fire it raged out of control I survived the inferno but my house burned to the ground with my parents inside I was at a loss to explain to the courts what happened and they sent me to prison for ten years for manslaughter Now I m out on parole and all I want is to return to my home town and rebuild my life but the man who attacked me is back to finish the job he started I can sense the power in me growing If I can t control it it will control me and destroy everything and everyone I love Fallen Angels Book 1 Angel Fire Book 2 Angel s Breath Book 3 Earth Angel Book 4 Angel Tears Book 5 Angel of Darkness The Complete Book of Fallen Angels **Fallen Angels** Lori Foster,2012-10-15 Beguiled P I Dane Carter assumed his murdered twin s identity to find his killer Angel Morris was his main suspect a woman his twin had betrayed Now Dane could destroy her trust again By falling in love with her Wanton Passion had clouded P I Celia Carter s judgment once Never again Now she took on dangerous undercover assignments to deal with her guilt But P I Alec Sharpe was determined to reawaken Celia s sexuality before she got herself killed Uncovered Firefighter Harris Black stumbled across nude photos of a woman and handwritten notes about him Who was this mystery woman Harris hired a P I to trace her never suspecting he d already found her **Lucifer's Shadow** Philippe Boulle,2024-08-06 Fallen Angels Walk the Earth At the dawn of creation Lucifer ignited the fires of rebellion A third of the heavenly host rallied by his side believing his cause was just The fallen defied the armies of Heaven for a thousand years never questioning their leader s resolve even in defeat they chose to suffer the fate of their prince rather than recant and betray their convictions They went into the abyss with their heads unbowed but when the gates of Hell clanged shut Lucifer the Morningstar was not among the damned Now after an eternity the gates of Hell are broken and the angels of the abyss walk the Earth once more in the
