Falling In Love Falling In Love With Yo:

Falling in Love Ayala Pines, Ayala Malach Pines, 2013-05-13 Falling in Love is the first book to unlock the mysteries of how and why we fall in love. Renowned psychologist Ayala Pines shows us why we fall for the people we do and argues convincingly that we love neither by chance nor by accident. She offers sound advice for making the right choices when it comes to this complicated emotion. Packed with helpful suggestions for those seeking love and those already in it, this book is about love's many puzzles. The second edition furthers the work of the popular and successful first edition. With expanded research, theory, and practice, this book once again provides one of a kind understandings of the experience of love. The new edition offers updated references to recent research, new chapter exercises, and case examples of romantic stories to begin each chapter.

In Love You Fall, in Love You Rise Roopesh Bhole, 2018-12-11 A heartbroken Aakash on his way to his hometown is reluctantly forced into a conversation by an irritating stranger Rudra, a man in his late forties who happens to share the seat with him on the bus. The conversation begins with needless provocative verbal jabs by the stranger towards Aakash that quickly deteriorate into altercations, insults, and an extreme dislike between the two. Their contrasting views on love and romance worsens the situation further. Aakash is more inclined towards the romantic side of love that deals with desire and passion, whereas Rudra believes in the more subtle side of love. As Aakash starts to narrate his own love story during this bitter-sweet conversation, marred by frequent arguments with Rudra, the two find themselves influenced by each other's arguments and eventually on common grounds. Aakash, who initially hates the stranger for having totally contrasting views on love and romance, starts to like his logical reasoning and clear thought process. He finds an excellent mentor in him. Because of this conversation with Rudra, Aakash's heart is kindled with hope; he thinks that he can still win back Vidya, his lost lady love, despite all odds. But is that enough? Find out in this thought-provoking romance novel. *This is How You Fall in Love*
