exposes several major cults and false religions that have the majority of the world's population deceived and headed for Hell. This book is the result of thirty-four years of evangelism work studying comparative religions and apologetic research and debate. It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks. *Fast Facts on False Teachings* Ron Carlson, Ed Decker, 2003-07-01. World renowned cult experts Ron Carlson and Ed Decker combine their extensive knowledge to give readers quick clear facts on the major cults and false teachings of today. Short informative chapters contrast the cults' theologies with the truth found in God's Word. Readers will discover the key facts on Atheism, Buddhism, Evolution, Hinduism, Islam, Satanism, and more. *Fast Facts on False Teachings* is an easy to use resource that provides powerful insights for sharing the biblical gospel with people ensnared by false religions and philosophies. ***Beware of False Religions & Pagan Traditions Part 2*** Helene Fulton, 2015-01-11. There are only two roads: one leads to heaven and one leads to hell. This is a spiritual fact without change or compromise; there is no middle road and no chance to sit on the fence. There are numerous false religions operating in the world today, falsely broadcasting themselves as truth or as God's truth for that matter. These religions may, on the contrary, be the foundation of lifelong poverty, family breakdown, mental derangement, physical illness, or varying manifestations of bizarre behavior in the lives of people. These individuals have either turned their back on the true God completely or, by their actions, have allowed some of these pagan and false religious practices to creep into their every day lives. By clinging to these pagan traditions, we inadvertently give Satan a foothold in our lives. In these books, these false religions have been measured up against the word, wisdom, and knowledge of God. The word of God says that His word is like fire and is a hammer that breaks rocks into pieces. ***Beware of False Religions & Pagan Traditions Part 3*** Helene Fulton, 2015-01-11. This is a great Bible study especially designed to expose false religions, false doctrines, and false teachings. *Charismatic Chaos* John F. MacArthur, John MacArthur, 1993-07-10. *Charismatic Chaos* thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin but also leading to disunity on a worldwide scale and

Gray,2013-08-30 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the
