False Scent:

False Scent Ngaio Marsh, 2015-02-15 This tale of an actress's dramatic demise and a police detective trying to sniff out a killer is one of Ngaio Marsh's best yarns. Kirkus Reviews: Mary Bellamy is the sweetheart of the London stage everyone simply adores. Darling Mary! So her fans and friends are heartbroken when somehow Mary manages to spritz herself not with her favorite perfume but with a deadly insecticide meant to be sprayed on the azaleas. What Inspector Alleyn smells is something fishy, especially since everything he learns about lovely fragile Mary suggests that in fact she was a rather vicious battle-axe. And with a bit more investigation he quickly starts smelling something different: a rat. It's time to start comparing Christie to Marsh instead of the other way around. New York Magazine: Her writing style and vivid characters and settings made her a mystery novelist of world renown. The New York Times
