## False Sense Of Well Being:

**A False Sense of Well Being** Jeanne Braselton, 2008-12-10 I was married eleven years before I started imagining how different life could be if my husband were dead At thirty eight Jessie Maddox subscribes to House Beautiful Southern Living even Psychology Today She has a comfortable life in Glenville Georgia with Turner the most reliable responsible husband in the world But after the storybook romance happily ever after never came Now the housewife who once wanted to be Martha Stewart before there was a Martha Stewart is left to wonder Where did the marriage go wrong Why can t she stop picturing herself as the perfect grieving widow As Jessie dives headlong into her midlife crisis she is aided and abetted by a colorful cast of characters in the true Southern tradition her best friend and next door neighbor Donna who is having a wild adulterous affair with a younger man Wanda McNab the sweater knitting cookie baking grandmother who is charged with killing her abusive husband Then there s Jessie s eccentric family Her younger sister Ellen born to be a guest on Jerry Springer has taken her seven year old son and squawking pet birds and left her husband for good this time while their mother crosses the dirty words out of library books and alerts everyone to the wonderful bargains at Winn Dixie often at the same time And then there s the stuffed green headless duck When a trip home to the small town of her childhood raises more questions than it answers Jessie is forced to face the startling truth head on and confront the tragedy that has shadowed her heart and shaken her faith in love and the future From a brilliant new voice in fiction here is a darkly comic novel full of revelation and insight The danger of secrets and the power of confession The pull of family no matter how crazy The fate of wedlock when one can t find the key Jeanne Braselton weaves these potent themes into a funny poignant utterly engaging story of a woman at the crossroads and the unforgettable journey she must take to get back home *Belief and Integrity* Nicholas J. Pappas, 2011 Short philosophical dialogues geared to today OCOs problems stimulate readers to think about their approach to life and like a good interlocutor help readers to explore their assumptions from a variety of perspectives Join the discussion among friends as they take a fresh look at two concepts whose meaning and definitions we may all too often take for granted Belief The dialogues in this section deal with both the positives and negatives of belief How do you know what to believe How do you know what to stop believing For instance the dialogue called Nothing asks What does it mean to believe in nothing What is the difference between belief that something is so and calculation that it is likely Can you believe in nothing and still have a conscience From this last question one sees how this connects with the next group of dialogues those dealing with integrity Integrity We all value integrity Or do we What does it take to achieve it How do you know when you OCOve got it What does it take to maintain it The dialogues here get at these questions The dialogue called Right prods readers to ponder When are you in the right What does doing what you OCOre supposed to do earn you Who helps you when you don OCOt know what to do As each dialogue is a short piece that builds upon others within the book readers might choose to enjoy a single piece at a time or pursue one after another depending on the time at hand Either way the reader will

find a thoughtful inquiry on individual themes that reflect upon each other and add up to a larger discussion **Those Pearly Gates** Julie Cannon,2007-11-01 The heartwarming saga of Imo Lavender and her spirited family continues in a third installment of the beloved Homegrown series Life is moving on for Imogene Lavender and reluctantly she leaves her farm in rural Georgia to follow her new husband Reverend Peddigrew into town to live in the parsonage Her struggle to adjust is not what she expects when she begins feeling the all too perfect presence of the Reverend s late wife The move also leaves Imo s niece Loutishie resentful and stretching her faith to find a way back to her beloved farm Imo s daughter Jeanette a beautician at the Kuntry Kut n Kurl married to a reverend of her own is so afraid of becoming a church lady that she secretly enters an erotic bull riding contest But a devastating event forces Jeanette to see that beauty is not just skin deep and when Imo s neighbors suffer a great tragedy she learns what it really means to be a reverend s wife by helping to restore their faith
