Falun Youth:

The Boy Travellers in Northern Europe Thomas Wallace Knox,1892 *Walter Benjamin for Children* Jeffrey Mehlman,1993-05-15 In *Walter Benjamin for Children* readers will encounter a host of intertextual surprises an evocation of the flooding of the Mississippi informed by the argument of *The Task of the Translator* a discussion of scams in stamp collecting that turns into *The Work of Art in the Age of Mechanical Reproduction* a tale of bootlegging in the American South that converges with the best of Benjamin's forays into fiction Mehlman superimposes a dual series of texts dealing with catastrophe on the one hand and fraud on the other and allows it to resonate with the false messianic theology of Sabbatianism as it came to focus the attention and enthusiasm of Benjamin's friend Gershom Scholem during the same years The radio scripts for children offer an unexpected byway on the eve of apocalypse into Benjamin's messianic preoccupations

Revenge of the Forbidden City James W. Tong, 2009-10-14 By 1999 the Falungong religious movement had spread widely and broadly throughout China While on the surface its ideology of spiritual and physical cultivation did not seem threatening the Chinese government felt otherwise That year the government cracked down hard on the movement and its successful repression of it over a six year period is a textbook example of how the Chinese state operates in the face of perceived internal threats Its success in containing the movement speaks volumes about the regime's resilience as well

Revenge of the Forbidden City is the definitive account of China's response to Falungong As James Tong shows the episode also tells us a great deal about the Chinese state's political institutions its media apparatus and its formidable ability to crush dissent The result is a book that will be essential for any scholar interested in how the Chinese state actually operates
