Jantz, Dr. Tim Clinton, Ann McMurray, 2015-08-25 You complete me may be a romantic line in a popular movie but it is not a healthy basis for a real relationship Unfortunately many people are drawn into relationships that are unfulfilling precisely because they are looking to other people to fill in the places where they are lacking they are looking for a person who will complete them At the heart of relationship dependency is a person's belief that he or she alone is not enough But using others to provide wholeness simply does not work because while we are made to be relationship dependent it is God we must turn to in order to find wholeness In a warm engaging style Drs Jantz and Clinton walk readers through patterns of relationship dependency helping them unravel why they are drawn back to the same dry well of unfulfilled relationships over and over again Readers will discover how to break the cycle banish their fears and find wholeness in the God who designed them to be in relationship first and foremost with him thus freeing them to find healthy relationships with others Includes a twelve week personal recovery plan Her Pretend Amish Boyfriend Rachel J.
