Families In The New Testament World Households And House Churches:

Families in the New Testament World Carolyn Osiek, David L. Balch, 1997-01-01 What was the family like for the first Christians Informed by archaeological work and illustrated by figures this work is a remarkable window into the past one that both informs and illuminates our current condition The Family Culture and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family s revitalization *Roman Domestic Art and Early House Churches* David L. Balch, 2008 Pompeii Herculaneum and Rome have yielded hundreds of wall paintings from domestic buildings Greek myths and tragedies especial by Euripides were visually represented Balch presents an interdisciplinary study inquiring what earliest Jews and Christian in such houses might have been seeing as they read and interpreted scripture and performed core rituals especially the Eucharist This recent study of Roman domestic architecture suggests new perspectives on the social history of early Christianity Publisher

Missional House Churches J. D. Payne, 2008-03-01 Using original interviews with over thirty missional house churches J D Payne examines the influence of the house church movement on local communities throughout the United States

House Churches in Post-Communist Europe Randy Hacker, 2023-02-10 This is an exploration of house churches especially in Poland The book begins with a review of literature about the global house church movement and continues with an article on the early Christian transition from house churches to purpose built buildings for churches Next is an article regarding the concept of sacred space in relation to house churches The first half concludes with a chapter on methodology of research for a qualitative interview approach to studying house churches The thesis then presents a theological method for using the qualitative interviews to develop ecclesiology Sixteen interviews from thirteen house churches are presented The thesis continues the theological method by attempting to answer the question why is it going on and presents a thematic analysis from the qualitative interviews that includes input from sociological research done in Poland The thesis concludes by using scriptural and academic sources in conversation with house church interviews from the interviews and global house church literature to present four primary conclusions in a practical prophetic ecclesiology **The Cross before Constantine**

Bruce W. Longenecker, 2015-08-01 Upending a longstanding consensus Bruce W Longenecker presents a wide variety of material artifacts to illustrate that Christians made use of the cross as a visual symbol of their faith long before Constantine appropriated it to consolidate his power in the fourth century Constantine did not invent the cross as a symbol of Christian faith for an impressive number of Christians before Constantine s reign the cross served as a visual symbol of commitment to a living deity in a dangerous world **When the Church Was a Family** Joseph H. Hellerman, 2009-08-01 Spiritual formation occurs primarily in the context of community But as the modern cultural norm of what social scientists call radical American individualism extends itself many Christians grow lax in their relational accountability to the church Faith threatens to become an I not us a my God not our God concern When the Church Was a Family calls believers back to the

wisdom of the first century examining the early Christian church from a sociohistorical perspective and applying the findings to the evangelical church in America today With confidence author Joseph Hellerman writes intentionally to traditional church leaders and emerging church visionaries alike believing what is detailed here about Jesus original vision for authentic Christian community will deeply satisfy the relational longings of both audiences *The Essence of the Christian Worldview* Matt DeLockery,2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who s right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul s Christian worldview In this book you will also find answers to some very difficult questions 1 What is God s ultimate purpose for humanity 2 Do we just do things because God told us to 3 Why does Paul tell wives to obey their husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God s commands anyway 8 How does following God s commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish *The Church as the Surrogate Family* Robbie Edwards Mills,2011-11-21 This practical theology model provides seven theme sermons on the attributes of God and his family to provide a spiritual foundation for church youth to facilitate the healing sustaining guiding and reconciling with Jesus the Christ This was needed to counteract some of the effects of poverty racism and nihilism that is prevalent in the community The implementation of this holistic model resulted in enhanced confidence spiritual growth and maturity among the youth and increased growth in the church family

Christian Family and Contemporary Society ,2014-11-20 This collection of essays integrates a broad spectrum of geographical denominational and interdisciplinary perspectives and analyses the relationship between family and religion in its various contexts both historical and contemporary Divided into four key parts the contributors address first the biblical and patristic background of the family construct while the second part reveals denominational and ecumenical perspectives on marriage and the family The third part sketches a sociological profile of the family in some European countries and addresses pastoral and sacramental issues connected with it The final part places the Christian family in the context of contemporary society **Singleness and Marriage after Christendom** Lina Toth,2021-07-28 Momentous change is taking place in Western societies and churches Singleness is on the rise along with growing interest in different pathways to human happiness However we still largely consider coupledness as the norm and a symbol of the good life This is especially true in the Christian context where the decline of traditional marriage and family patterns is often presented as an erosion of the Christian way of living Yet when the church was very young the world was also very concerned with the demise of traditional family ways but the culprits accused of destroying family values were none other than Christians A considerable number of

them willingly chose to forego marriage embracing Jesus's vision of a new kind of a family the church This book follows the changes in the practice of marriage and singleness from those early days of the Christian movement to our modern preoccupation with romance and coupledness as essential ingredients of a happy fulfilled life It argues that the current surge in the number of single people is actually an opportunity for us to reconsider both singleness and marriage in the larger context of a community of faith Households, Sects, and the Origins of Rabbinic Judaism Alexei Sivertsev, 2022-01-04 This book suggests a new approach to the social history of Jewish religious movements in the Second Temple and early Rabbinic periods It argues that most of these movements and their traditions emerged within the context of complex interaction between traditional families and disciple circles The first part of the book examines the development of Jewish religious movements during the Second Temple period It culminates with the discussion of the Dead Sea Sect which is analyzed as the first unambiguous example of a movement shifting from a social structure based on families to a social structure based on disciple circles The second part of the book discusses the history of pharisaic and early rabbinic movements from a similar perspective Topics covered in the book will be of interest to scholars of Judaism and Early Christianity **Families of the Bible** Kamila Blessing, 2010-08-19 Reinterpreting the Bible through Family Systems Theory this fascinating exploration shows how the theology of creation restoration and salvation can be meaningfully and uniquely understood through the lens of the biblical family It is not possible to recreate a biblical family in the modern world Thus we must think of the principles of faithful family life demonstrated in the Bible and express them in a new way That is the idea underlying Families of the Bible A New Perspective Examining themes related to family health connection spirituality and psychology the author relates stories from the Bible to modern day experience in an effort to help readers strengthen and heal their own families whatever their structure While the book addresses the family of the patriarchs and other major traditional families in the Bible it also specifically examines Jesus's new definition of family showing how his psycho spiritual family has a different and more inclusive shape than the natural family The author who is an Episcopal priest insists that the Bible shows God as faithful in providing for his people The many disadvantaged in our society as well as those who are alone and those who have found that wealth does not provide satisfaction will benefit from this thoughtful reinterpretation A Companion to Families in the Greek and Roman Worlds Beryl Rawson, 2011-01-18 A Companion to Families in the Greek and Roman Worlds draws from both established and current scholarship to offer a broad overview of the field engage in contemporary debates and pose stimulating questions about future development in the study of families Provides up to date research on family structure from archaeology art social cultural and economic history Includes contributions from established and rising international scholars Features illustrations of families children slaves and ritual life along with maps and diagrams of sites and dwellings Honorable Mention for 2011 Single Volume Reference Humanities Social Sciences PROSE award granted by the Association of American Publishers **Families and Family Relations** Athalya Brenner, Jan Willem van Henten, 2021-12-28 STAR

Studies in Theology and Religion 2 The fruits of discussion at an international gathering of biblical and other scholars interested in families in the ancient Near East are offered here This is not a collection of proceedings in the usual sense rather the essays mark a conscious joint effort to advance the discussion in the newly opened debate on families in the biblical worlds Topics discussed include the metaphor of marriage in Early Judaism the brother sister relationship in Ancient Israel Hebrew family names domesticity in Judaism kinship in the Pauline churches and women in John s Gospel The contributors include among others A van der Kooij R Hachlili G Mussies M Peskowitz P Esler S van Tilborg and R Bieringer

Kissing Christians Michael Philip Penn, 2013-10-09 In the first five centuries of the common era the kiss was a distinctive and near ubiquitous marker of Christianity Although Christians did not invent the kiss Jewish and pagan literature is filled with references to kisses between lovers family members and individuals in relationships of power and subordination Christians kissed one another in highly specific settings and in ways that set them off from the non Christian population Christians kissed each other during prayer Eucharist baptism and ordination and in connection with greeting funerals monastic vows and martyrdom As Michael Philip Penn shows in *Kissing Christians* this ritual kiss played a key role in defining group membership and strengthening the social bond between the communal body and its individual members *Kissing Christians* presents the first comprehensive study of the ritual kiss and how controversies surrounding it became part of larger debates regarding the internal structure of Christian communities and their relations with outsiders Penn traces how Christian writers exalted those who kissed only fellow Christians proclaimed that Jews did not have a kiss prohibited exchanging the kiss with potential heretics privileged the confessor s kiss prohibited Christian men and women from kissing each other and forbade laity from kissing clergy *Kissing Christians* also investigates connections between kissing and group cohesion kissing practices and purity concerns and how Christian leaders used the motif of the kiss of Judas to examine theological notions of loyalty unity forgiveness hierarchy and subversion Exploring connections between bodies power and performance *Kissing Christians* bridges the gap between cultural and liturgical approaches to antiquity It breaks significant new ground in its application of literary and sociological theory to liturgical history and will have a profound impact on these fields

Combing the Tradition Fred Herron, 2007 This is a sketchbook of the twin realities of Catholic faith and Catholic schools A theological vision of the Catholic religious imagination provides the framework for viewing these realities from different angles Taking Pope Benedict XVI s remark that truth is in the Whole this book looks at Catholic faith and education from the rich perspective of the sacramental or Catholic imagination Historian John Tracy Ellis s conviction that this age will be known as the era of baptismal consciousness reflects a growing awareness in the entire Christian community that it must take its responsibilities in evangelization seriously *Combing the Tradition* is an attempt to comb the Catholic tradition from the point of view of this re emerging baptismal consciousness It marvels at the role that Catholic schools teachers parents and students play in recreating this great truth It finds God s loving hand at work in the lives of citizens seeking meaning at

Ground Zero in the re emerging theology of the domestic church and in understanding the task of Catholic education It raises questions concerning the impact of consumer society on the lives of our young people and finds hope in schools which continue to shape the religious imaginations of the next generation of a community of disciples **Christian Origins**

Richard Horsley,2010-03-01 Dealing with a time when Christians were moving towards separation from the movement s Jewish origins this inaugural volume of A People s History of Christianity tells the people s story by gathering together evidence from the New Testament texts archaeology and other contemporary sources Of particular interest to the distinguished group of scholar contributors are the often overlooked aspects of the earliest Christian consciousness How for example did they manage to negotiate allegiances to two social groups How did they deal with crucial issues of wealth and poverty What about the participation of slaves and women in these communities How did living in the shadow of the Roman Empire color their religious experience and economic values *Paul and Gender* Cynthia Long Westfall,2016-11-15 A Coherent Pauline Theology of Gender Respected New Testament scholar Cynthia Long Westfall offers a coherent Pauline theology of gender which includes fresh perspectives on the most controverted texts Westfall interprets passages on women and men together and places those passages in the context of the Pauline corpus as a whole She offers viable alternatives for some notorious interpretive problems in certain Pauline passages reframing gender issues in a way that stimulates thinking promotes discussion and moves the conversation forward As Westfall explores the significance of Paul s teaching on both genders she seeks to support and equip males and females to serve in their area of gifting **Dictionary of Scripture and Ethics** Joel B. Green,Jacqueline E. Lapsley,Rebekah Miles,Allen Verhey,2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse *Early Christian Families in Context* David L. Balch,Carolyn Osiek,2003 Typical studies of marriage and family in the early Christian period focus on very limited evidence found in Scripture This interdisciplinary book offers a broader richer picture of the first Christian families by drawing together research by experts ranging from archaeologists to ancient historians By exploring the nature of households in the ancient Greco Roman world the contributors assemble a new understanding of ancient Christian families that is both compelling and instructive Divided into six parts the book covers key aspects of ancient family life from meals and child

rearing to women's roles and the lives of slaves Three concluding chapters explore the implications of all this information for theological education today Contributors David L Balch Suzanne Dixon J Albert Harrill Ross S Kraemer Christian Laes Peter Lampe Amy Jill Levine Margaret Y MacDonald Dale Martin Eric M Meyers Margaret M Mitchell Carolyn Osiek Beryl Rawson Richard Saller Timothy F Sedgwick Monika Trummer Andrew Wallace Hadrill
