Families Who Kill:

Families Who Kill Bernie Ward,1993 From veteran true crime researcher and writer Bernie Ward comes a chilling collection of incredible true crime accounts about entire families who committed brutal murders together When Caregivers Kill Betty L. Alt,Sandra K. Wells,2010-04-16 From mothers who kill their children in postpartum fugues to fathers who murder their kids for revenge against an estranged wife the stories in this book are chilling yet real and bring home the message that children are vulnerable to violence even in the care of those who should love and protect them the most Sadly child murder by parents and caregivers happens more frequently than one might guess and while each case is different there are often warning signs that something might be amiss Signs of physical abuse may precede the ultimate act of murder A mother s mental state after the birth of a child may signal true distress and the potential for extreme actions No one can predict with certainty when a parent or other caregiver may snap but here Alt and Wells examine many cases of child murder to find out what they have in common how we might prevent such violence and what more we can do to protect children in potentially explosive situations **The Will To Kill** James Alan Fox,Jack Levin,Kenna Quinet,2018-03-22 The Will to Kill Making Sense of Senseless Murder is an academic yet engrossing exploration of extraordinary and seemingly inexplicable cases of homicide not to sensationalize them but because these are the cases that inform public opinion and policy Fatal Families Charles Patrick Ewing,1997-07-29 Every year nearly half of the more than 20 000 murder victims in the United States are related to or acquainted with their killers Fatal Families explores the social cultural and psychological forces as well as the nature and consequences that lead people to kill members of their own families Drawing on his professional background in law and psychology and using case studies Charles Patrick Ewing points the way to measures that can be taken to reduce the terrifying number of murders within families Killing the Bible: A warning to all religious people of the world 2 Peter:3:14-18 Aramis Rodríguez,2022-01-25 According to Aramis as he is titled Servant of Jesus Christ this book was written with the purpose of having a true conversion and repentance in the People of God so that God may bring Salvation and Eternal life in the Name of Jesus Christ to all who read it Philippians 2 10 11 Aramis Rodriguez was born in Santiago de Cuba on August 4 1968 Thirty three years ago he heard about God but only two years ago there was a repentance in his life when he had a face to face encounter with the Lord Jesus Christ Job 19 25 27 Aramis is living in Miami Florida dedicated only to speaking about the Gospel of Jesus Christ and giving testimon y of his Mercy and Love for his Creation John 5 39 40 *Living in this Sick Society* Roger Rogers,2021-04-12 This book is about some of the things we all deal with living in this world today like crime This book is intended to help people in various ways in hopes that some will learn to survive in this society and be the best person one can be Jamie Lucier,2004-09 For pleasure or for sport for competition a study of history or for protection alone the gun is seen today as a significant part of the American zeitgeist Good or bad whether it is advisable or ill advised it surely is true that most American families are in arms way Are guns themselves a problem Or do
