Families And The Prospect Of Nuclear Attack Holocaust:

Families and the Prospect of Nuclear Attack/holocaust Teresa D. Marciano, Marvin B. Sussman, 1986 Experts address the issues and effects of the continuing threat of nuclear holocaust on the behavior of families **Energy Abstracts for Policy Analysis**, 1987 *American Families and the Future* Roma S Hanks, Marvin B Sussman, Barbara H Settles, 2015-12-22 As the world heads into the twenty first century individuals and their families are being confronted with a more diverse array of possible life experiences than has ever existed before Changes in longevity marriage fertility employment and many other areas have created new opportunities for individual and family choice and variability in life course experiences American Families and the Future discusses a variety of issues that face and will continue to families in coming years and describes various strategies families can use in their decisionmaking processes This enlightening book is divided into five main sections Demographic Issues Social and Economic Issues Technological Issues Family Process in Shaping the Future and Family Vision in Creating the Future Individual chapters view family problem solving from a variety of perspectives and disciplines American Families and the Future describes recent demographic trends and considers their implications for how individuals and their families plan and prepare for their later adult life reviews health care issues and concerns for the elderly and addresses strategies for self health promotion and illness prevention provides examples illustrating the uses and abuses of data to promote partisan views and agendas outlines a conceptual framework that can be used to understand problem solving and decisionmaking by individuals and family groups presents a model that explores family decisionmaking focusing on the conditions under which decisions are made presents findings from a study of early adolescents perceptions of their role in family decisionmaking The book closes with an upbeat discussion of possible solutions to current pathologies affecting human societies and cultures Professionals who work with families will find this book an enlightening and encouraging guide for helping families cope with the myriad issues and choices they face in planning for their futures *Publishing in Journals on the Family* Roma S. Hanks, Linda Matocha, Marvin B. Sussman, 1993 Here is a handy reference that helps beginning scholars learn the best strategies for getting published Publishing in Journals on the Family contains varied perspectives from scholars at different career stages and from editors of major publication outlets This combined knowledge from experts on both ends of publishing is invaluable to writers wishing to learn the ins and outs of getting published The book provides readers with important information necessary to help them systematically plan a productive scholarly career while avoiding common publication pitfalls Publishing in Journals on the Family includes the results of two surveys The first presents the responses of productive scholars in the early or middle stages of their careers to questions about their choices of publication outlets In the second survey journal editors share information about publication criteria and changes in the focus of social science publications and give helpful hints to beginning authors The book also contains articles by a number of senior scholars who discuss their academic publication histories providing readers with real

life examples of successful publishing careers A bibliography of sources for tips on writing and publishing concludes the volume Although the voices in the book are varied they are unified in their calling for careful scholarship relevant research and clear writing Graduate students professionals such as therapists social workers and consultants and academicians including teachers and researchers will find this book extremely helpful in their publishing lives

Concepts and Definitions of Family for the 21st Century Barbara H Settles, Suzanne Steinmetz, 2013-05-13 Explore the breakdown of the universal family form into new living arrangements and the political and social implications of how they influence the definition of family today Concepts and Definitions of Family for the 21st Century views families from a US perspective and from many different cultures and societies You will examine the family as it has evolved from the 1950s traditional family to today s family structures The controversial question What is family is thoroughly examined as it has become an increasingly important social policy concern because of the recent change in the traditional family Scholars and researchers in family studies and sociology will be intrigued by these thought provoking articles that analyze the definition of the family from a multitude of perspectives Concepts and Definitions of Family for the 21st Century looks at family in terms of its social construction variations and the diversity in families among others You will examine the negative implications of using the term The Family as it implies The Nuclear Family which many powerful lobbies politics morality religion claim to support and revere You will also explore family ideology and identity from many different social and cultural contexts Some of the family issues you will explore in Concepts and Definitions of Family for the 21st Century include marrying procreating and divorcing in a traditional Jewish family redefining western families by taking into consideration the legal factors history tradition and the continued expansion of the definition of family in the US addressing family issues in Lithuania a country amidst many political changes challenging and complicating the definition of family with stepfamilies exploring the question What are families after divorce examining multicultural motives for marriage and how these motives effect courting behavior in Lithuania defining families through caregiving patterns Concepts and Definitions of Family for the 21st Century goes in depth to broaden and interpret the meaning of family in today s society Through the exploration of legal implications professional and personal needs this text takes into account the large variety of groups that have close living relationships Concepts and Definitions of Family for the 21st Century will assist you in answering the difficult and complex question What is family

Cross-cultural Perspectives on Families, Work, and Change Katja Boh, Giovanni B. Sgritta, Marvin B. Sussman, 1989 An intriguing study on families and their changing roles Cross Cultural Perspectives on Families Work and Change provides fresh viewpoints on factors that have an impact on family life and relationships This thematic volume with chapters from scholars in Italy Australia Israel Jordan West Germany Yugoslavia Norway and Finland is truly international and covers a variety of substantive concerns Among these is the concern for new familial models which will meld both the individual and the whole into a viable family entity capable of providing for the wishes needs and aspirations of the whole and individual

members of a family Discussing various concepts relating to family structure in lieu of the recent shift toward gender equity and the greater acceptance of varied forms of families and lifestyles this book carefully links the most supportive and nurturing components of modern society with tried and true components of traditional cultures and systems The chapters take a conceptual approach focusing on applications and future needs policies and problems surrounding the family Cross Cultural Perspectives on Families Work and Change represents the increasing shift of mothers to professionals with chapters on increasing female employment and its effect on family life The much needed search for explanations of family and society change and for new family models is a common thread throughout the book In reading this insightful work family and marriage counselors students and academicians in family studies researchers social workers and psychologists will see new ways of perceiving families in their critical roles over generations of time *Families and Law* Marvin B Sussman, Lisa J McIntyre, 2012-11-12 The family and the law with its attendant legal systems share a pervasive connectedness With this new volume family practitioners and scholars can begin to increase the family's position in relation to the law and legal system The contributing authors bring to light the power of laws and the ways to influence them for the benefit of the family

Families and Adoption Harriet Gross, Marvin B Sussman, 2021-12-12 Do parents with adoptive children see themselves as similar to or different from nonadoptive parents Is the stigma attached to adoption lessening Does open communication about adoption contribute to the family's well being How successful are adoptive adults at putting their adolescent turmoil behind them These and many other important and complex questions are addressed in *Families and Adoption* an informative guidebook that shows you how adoption is both a condition and a lifelong process *Families and Adoption* discusses legislation that can serve the needs of various members of the adoptive experience to deepen your understanding of the key legal issues associated with consent and openness It also provides you with detailed coverage of changes in adoption law open adoption research results transracial and transethnic adoption and the consequences of placing versus parenting for unmarried teenage women who give birth Graduate students social workers adoption professionals members of adoptive families and couples wishing to adopt will find there isn't a rock that *Families and Adoption* leaves unturned It presents you with vital information on the following topics the developmental stages of reunion between an adoptive child and birth parent notions of adoption parenthood and kinship and how these notions are challenged after a reunion has taken place the institution of adoption as it has existed for decades in American society international adoption respecting the bonds children have and helping them develop critical attachment skills those who accept open adoption and those who embrace it flexible parenting styles and their positive effect on developmentally vulnerable adoptees A skillful blend of personal adoption experiences and research studies *Families and Adoption* explores the special issues adoption presents and how all parties involved can work together to improve placement decisions ensure that a woman is confident in her decision to relinquish her child and help families select the most appropriate adoption arrangement The book's main strength is that it doesn't just look at the initial

considerations of adoption it prepares you for the issues that will arise along the way *Families* Susan K Pfeifer, Marvin B Sussman, 2014-06-17 This special volume is devoted to the synthesis and review of theoretical and conceptual approaches associated with familial and non familial connections across the life span An important book as society returns to the family it compares and contrasts different disciplinary perspectives associated with intergenerational relationships Because intergenerational relationships have been the focus of research in many disciplines various perspectives have emerged about kin and non kin connections Renewed interest in families and familial connections is due largely to events and situations occurring in complex modernized societies which place the intergenerational nexus on center stage The leading researchers represented in this outstanding book provide rare opportunity for the scholarly comparison of the various perspectives in the broader spectrum of family relations *Families Intergenerational and Generational Connecting* is a significant addition to the body of research on family connections The three major areas of generational and intergenerational connections include theoretical and conceptual perspectives connections within the family and connections outside the family As the use of families as support networks for individual members increases this timely book will be an invaluable aid to educators students and researchers concerned about families and familial and non familial relationships Counselors and therapists will value this enlightening book with its diverse theoretical and conceptual perspectives on kinship intergenerational solidarity and relations social supports and cross national perspectives on family connections *Homosexuality and Family Relations* Marvin B Sussman, 2012-11-12 The first book of its kind *Homosexuality and Family Relations* focuses on the effects of homosexuality and being homosexual on individuals in families and on the family as a group Edited by Frederick W Bozett RN DNS and Marvin B Sussman PhD this informative and enlightening volume examines the multiple varieties of family forms in which gay men and lesbians live addresses the ramifications of homosexuality on family relationships and explores the countless aspects of parenthood as they are experienced by gay men and lesbians including adoption and foster care by lesbians and gay men and the choice of increasing numbers of lesbians to bear children through artificial fertilization Any professional who is interested in the family educators clinicians academicians researchers and students as well as others interested in families and in human sexuality and men s and women s studies family science gay studies nursing medicine law psychology sociology social work will find this book useful insightful and unique *Museum Visits and Activities for Family Life Enrichment* Barbara H. Butler, Marvin B. Sussman, 1989 In this one of a kind volume museum staff and social scientists begin to explore the many facets of the relationship between museums and families They examine the museum s importance to the family as a source for socialization and learning At the heart of this exciting book is a concentration on developing programs of experiential learning and knowledge building that will assist families in understanding their history and culture

Stepfamilies Marvin B Sussman, 2020-04-01 *Stepfamilies History Research and Policy* examines language use laws cultural stereotypes media images and social policies and practices to create an understanding of how predominant views

about stepfamilies and stepfamily members are constructed within society As the rates of divorce and remarriage continue to increase it is more important than ever to overcome nuclear family ideology and abandon the model of research that compares stepfamilies with nonstepfamilies This book shows you how honor and empowerment can be attained in new family structures and how alternative kin networks can be just as healthy as the traditional nuclear family unit As this book examines the ability of different societies to integrate different family forms into mainstream notions of family you will realize the damaging effects of treating stepfamilies as incomplete undesirable institutions In fact Stepfamilies History Research and Policy will challenge your notions of family over and over again as it discusses key relationships in stepfamilies stepfather involvement in parenting after remarriage meaning of gender in a stepfamily differences in investment between biological and nonbiological parents demographic change and significant shifts in the social and cultural implications of stepfamilies attempting to reconstruct a household like that of a previous marriage the impact of stereotypes on the internal dynamics of stepfamilies and on the interactions of stepfamilies with outsiders the absence of guidelines and cultural norms for role performance and problem solving in stepfamilies Stepfamilies History Research and Policy discusses both the difficulties of forming new families and households as well as the factors that promote family cohesiveness and integration in stepfamilies From stereotypes of stepmothers to ambiguous legal relationships to child maltreatment in stepfamilies to sibling relations there isn't much that the penetrating lens of this book leaves uncovered

Exemplary Social Intervention Programs for Members and Their Families David Guttman, Marvin B. Sussman, 1995 In this uplifting book a number of organizations and individuals are featured as exemplary prototypes whose experiences are worthy of being disseminated to persons working in the social services In a coherent and coordinated manner the organizations presented reveal how their programs function to make a difference Readers can analyze the details behind these models and utilize them in their own work to make a difference in the lives of whom they serve Exemplary Intervention Programs for Members and Their Families reveals to readers that in many instances exemplary program developers were risk takers who deviated from traditional modes and practices Their steadfast belief that they and their organization could improve the workplace and service to the client and society resulted in actions of heroic proportions even when derided by professional peers Social services providers to families will be inspired by these featured innovative approaches to making a difference which include programs individuals and organizations Through the Looking Glass An organization which provides clinical and supportive services training and research involving families where an adult with a disability or medical condition takes responsibility for the care of well functioning children Serving Holocaust Survivors and Survivor Families An intervention program that recognizes that older survivors of the Holocaust express diversity in personality perception of reality memory of trauma and loss and control of stress Craig Whitman's Make a Difference Phenomenon His empowering story of being an adult developmental home provider for two mentally retarded individuals who lived semi independently in a house next door McKnight Foundation's

Families in Poverty FEP Initiative Seven parenting family stability programs which achieved success by high levels of exchange of information a resonated agency mission and behavior characterized by altruism responsibility egalitarianism justice and honesty An Israeli Experience of Intervention with Families in Extreme Distress FED A holistic family approach which utilizes a team of dedicated professionals who can deal with the intrafamily power dynamics and the normative demands of organizations and institutions outside the family The Impact of New Medical Technologies in Human Reproduction Explores how interventions which plan to make a positive difference in the lives of parents and children may have negative consequences on both Stepouples in Stress Inoculation Training SIT An intervention program where therapists can reduce the high stress experienced in stepfamilies A Pilgrimage by Kris Jeter Indicates that human service professionals can utilize the pilgrimage process in treatment of emotionally and mentally ill individuals and gain a viable ally in rebuilding the family s structure Efforts to keep up with modifications in values ideologies beliefs institutional policies and practices requires modifications even cosmetic ones in service delivery Social service providers who want to go beyond cosmetic changes and move to a new model of service buttressed by new values ideologies myths and practices are empowered to do so from the experiences spotlighted in Exemplary Intervention Programs for Members and Their Families Service providers who adopt new paradigms like those featured in this key resource are able to become the social artists who will make a difference

Pioneering Paths in the Study of Families Gary W Peterson, Suzanne Steinmetz, 2014-03-18

Meet the men and women whose groundbreaking work elevated the field of family studies In Pioneering Paths in the Study of Families The Lives and Careers of Family Scholars you ll find 40 autobiographies written by leading scholars in sociology family studies psychology and child development Their fascinating stories demonstrate how their family experiences educational opportunities and occupational endeavors not only shaped the disciplines they chose but also shaped the theoretical perspectives they utilized and the topics they researched From the editors These autobiographies document the experiences of scholars from the early twentieth century to the present The descriptions of early influences on their education of their graduate school experiences and of their academic career paths provides a wealth of valuable material Since four of these scholars have died and a number are in their eighties or older these histories provide rich case studies on factors that influence the decision to go to college get married pursue an advanced degree make specific occupational choices and investigate certain topics These autobiographies also detail the barriers that early women scholars in the social sciences faced The scholars whose lives you will learn about in Pioneering Paths in the Study of Families include Joan Aldous Katherine R Allen Pauline Boss Carlfred B Broderick Wesley R Burr Catherine Street Chilman Harold T Christensen Marilyn Coleman Rand D Conger Randal D Day William J Doherty Evelyn Millis Duvall Glen H Elder Jr Bernard Farber Margaret Feldman Mark A Fine Greer Litton Fox Frank F Furstenberg Viktor Gecas Harold D Grotevant Gerald Handel Michael E Lamb Ralph LaRossa Gary R Lee Helena Znaniecka Lopata Harriette P McAdoo Hamilton McCubbin Brent C Miller Phyllis

Moen Gerhard Neubeck Gary W Peterson Ira L Reiss John Scanzoni Walter R Schumm Barbara H Settles Laurence Steinberg Suzanne K Steinmetz Sheldon Stryker Marvin B Sussman Irv Tallman *Deviance and the Family* Frank E. Hagan, Marvin B. Sussman, 1988 A unique resource for family therapists Deviance and the Family is a comprehensive examination of the family and its role in the causes of delinquency Leading experts in the fields of criminal justice sociology and family services report pertinent data and review studies in an attempt to explain the causes of deviance as well as the role of the family in the deviance and criminal activities of its members The controversial debate over violence in the family rages on in this book as experts attempt to answer the question of whether family violence neglect are associated with a child s delinquency Important discussions of juvenile prostitution and adolescent suicide deserve careful reading by all professionals who work with youth and families *Gene-environment Processes in Social Behaviors and Relationships* Kirby D.

Deater-Deckard, Stephen A. Petrill, 2001 **Alternative Health Maintenance and Healing Systems for Families** Doris Y. Wilkinson, Marvin B. Sussman, 1987 This important book offers timely discussions of movements in modern medicine that have had great impact upon the family the hospice movement and the integration of the family into birthing care of the dying the chronically ill and the mentally ill This book emphasizes that alternative health practices often viewed as archaic by Western trained health care personnel do not have to be in conflict with modern medical practices but can instead enrich and expand them The authors discuss fascinating health practices which are changing the course of medicine **Parent-youth Relations** Gary W. Peterson, Suzanne K. Steinmetz, Stephan M. Wilson, 2005 Parent Youth Relations Cultural and Cross Cultural Perspectives explores in depth the most fundamental human relationship between parent and child in different societies around the world International experts provide a comprehensive collection of original research and theory on how parental styles and the effects of culture are interconnected Written from diverse perspectives this unique resource reveals deep insight into these relationships by focusing on the individuals the structure of the family and societal and cultural influences Detailed tables illustrate research data while thorough bibliographies offer opportunities for further study

Single Parent Families Marvin B Sussman, Shirley Hanson, 2014-05-12 Here is a comprehensive source of vital information on single parent families in contemporary society This book analyzes literature and empirical research concerning single parent families and explores issues and challenges they face Contributing authors from many fields and perspectives examine a broad range of subjects relating to families in which one person is primarily responsible for parenting The only state of the art compendium on the topic of single parent families available today the book synthesizes empirical theoretical and contemporary literature about the diversity myths and realities of single parent families in western countries Each chapter contains a demographic overview definitions a literature review and implications for practice research education and social policy Theoretical and conceptual perspectives related to parenting and wider families are included An analysis synthesis and commentary on single parent families concludes the volume Themes highlighted throughout the book

include socioeconomic and demographic characteristics of single parent families cultural and ethnic features and legal and ethical components Some chapter topics include single parenthood following divorce single parenthood following death of a spouse never married teen mothers and fathers female headed homeless families adoptions by single parents noncustodial mothers and fathers grandparents as primary parents single parents of children with disabilities Single Parent Families contains additional resources useful for family professionals an annotated bibliography a video filmography and a national community resource list The book is intended for a multidisciplinary audience including sociologists psychologists health care professionals social workers therapists and other researchers clinicians policymakers and educators An ideal primary or reference text for undergraduate and graduate level programs the book can also serve as a tool for staff development and continuing education in service agencies

Transitions to Parenthood Robin J Palkovitz, Marvin B Sussman, 2014-01-09 In this unusual but exciting look at a complex topic family scholars offer a vast array of insights into the multiple consequences concerns and characteristics of parenthood The transition to parenthood the most critical step in individual and family life cycles is thoroughly examined from a social psychological perspective Cultural and ethnic factors are considered as major influences in the transition to parenthood as are changing patterns in the work force the consequences of the gender revolution and altered patterns of marriage and divorce all of which have shattered the traditional ways of parenting Family theorists practitioners and parents are strongly encouraged to further research and discuss the necessary elements and available options involved in facing the changes brought on by parenthood
