**Families at the Crossroads** Rodney Clapp,1993 Assesses the state of the family in postmodern Western society and challenges the evangelical defense of the traditional family that exemplifies the biblical model Argues that the traditional family reflects the nineteenth century middle class family more than those found in Scripture *Is It a Lost Cause?* Marva J.

Dawn,1997 In this insightful book Marva Dawn examines some of the forces in our culture that harm our children s spiritual development and suggests biblically centered parenting habits that can produce godly and faith full children today **The**

**Space Between (Cultural Exegesis)** Eric O. Jacobsen,2012-08-01 The entire material world can be divided between the Natural Environment and the Built Environment Over the past forty years the Natural Environment has received more attention of the two but that is beginning to change With a renewed interest in place within various academic disciplines and the practical issues of rising fuel costs and scarcity of land the Built Environment has emerged as a coherent and engaging subject for academic and popular consideration While there is a growing body of work on the Built Environment very little approaches it from a distinctly Christian perspective This major new work represents a comprehensive and grounded approach Employing tools from the field of theology and culture it demonstrates how looking at the Built Environment through a theological lens provides a unique perspective on questions of beauty justice and human flourishing **A**

**Christian Theology of Marriage and Family** Julie Hanlon Rubio,2003 What are Christian families called to be and do in contemporary society Weaving together theology social science and her experience as a wife and mother Julie Hanlon Rubio answers this provocative and timely question She explores the marriage liturgy the New Testament and Christian tradition and then reflects on the ways Christian husbands and wives fathers and mothers and children can live out their vocations in changing times She concludes with chapters on divorce and the mission of the family Relevant academically oriented yet popularly written and filling a need by its attention to family issues this book will make an ideal text for courses in marriage family ethics social justice Christian ethics **The Family in Christian Social and Political Thought** Brent

Waters,2007-07-19 An alternative voice in the culture wars over family values Brent Waters proposes a normative account of the family s role in social and political ordering that draws upon a spectrum of theological and philosophical resources He contends that when families are properly ordered they are oriented toward broader spheres of human association

*Exploring Ecclesiology* Brad Harper,Paul Louis Metzger,2009-03-01 In this introduction to ecclesiology respected scholars Brad Harper and Paul Louis Metzger offer a solidly evangelical yet ecumenical survey of the church in mission and doctrine Combining biblical historical and cultural analysis this comprehensive text explores the church as a Trinitarian eschatological worshiping sacramental serving ordered cultural and missional community It also offers practical application

**Sacred Thirst** M. Craig Barnes, 2009-08-30 Jesus once said Whoever drinks of the water that I will give them will never be thirsty So why are Christians still thirsty We throw ourselves into church work Bible studies prayer missions fellowship Yet still we search restlessly for something more What are we missing Perhaps the answer is more of Jesus Church meetings and programs ministry Christian counseling and home groups are all good but they are not him It doesn't matter how devoted we are to these wonderful activities they are not the same thing as communion with Jesus Our souls crave him alone In *Sacred Thirst* author and pastor Craig Barnes brings us face to face with our desperate longing for God Like the woman at the well we have tried to satisfy our parched souls with so many other things even religious things But when we get to the bottom of our desire we find Jesus quietly waiting with his living water intimate communion with the Father Son and Holy Spirit This book is filled with unique insights into human experience and the character of God With his keen understanding of the needs of contemporary Christians Barnes points to the only way our thirst will ever be satisfied Drawing from his rich background in the Bible and his tender insights as a pastor he leads us into a new understanding of ourselves and the uncontrollable but gracious God we seek

**Guide for the Christian Perplexed** Thomas P. Power, 2012-01-13 Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice They are perplexed partly because they recognize that the issues themselves are thorny and partly because they are not sure how to test the mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal assurance Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity If they dare to acknowledge their theological perplexities at all they are too often told that these perplexities are unimportant or that they can be answered very simply or that they should be left to the experts *Guide for the Christian Perplexed* written by members of the faculty of Wycliffe College Toronto aims to explore a diversity of issues and questions to do with our knowledge of Jesus the meaning of suffering the function of doctrine the understanding of Scripture the place of other religions the challenge of atheism the pleasures and complications of sexuality the nature of worship the way to

evangelize our understanding who our neighbor is locally and globally of diversities of spirituality Here you will find thoughtful reflections and answers to the questions around these issues A study guide is included for individual and group use [More Lasting Unions](#) Stephen Garrard Post, 2000 A powerful reassertion of the social and spiritual significance of marriage and the family Many recent social theorists maintain that marriage and the nuclear family are not particularly important to the fabric of our culture In this powerful refutation grounded in both Christian teaching and social science data Stephen G Post asserts that the bonds of marriage and family are fundamental to our social and spiritual well being Unique in the field for its wide treatment of relevant issues More Lasting Unions also takes up these important topics the special needs of children and of aging parents adoption as an alternative way of family building the perils of family self indulgence and consumerism balancing family commitments and concern for neighbors

**Households of Faith** Emily Hunter McGowin, 2025-01-28 Is there an alternative to the idealized picture perfect traditional family model that is neither idolatrous nor revisionist Theologian Emily McGowin casts a holistic biblical vision for families that are not limited to just the biological nuclear family calling Christians to discern the times and improvise faithfulness together

**Kingdom Family** Trevecca Okholm, 2012-02-09 There is a lot of talk these days about how churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity

and family life ministries Christian Education Counselor      NIVAC Bundle 6: Gospels, Acts Michael J. Wilkins, David E. Garland, Darrell L. Bock, Gary M. Burge, Ajith Fernando, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written      The Reciprocating Self Jack O. Balswick, Pamela Ebstyn King, Kevin S. Reimer, 2005-04-28 On the basis of a theologically grounded understanding of the nature of persons and the self Jack O Balswick Pamela Ebstyn King and Kevin S Reimer present a model of human development that ranges across all of life's stages infancy childhood adolescence young adulthood middle adulthood elder adulthood They do this by drawing on a biblical model of relationality where the created goal or purpose of human development is to become a reciprocating self fully and securely related to others and to God Along the way they provide a context for understanding individual development issues concerns tensions worries or crises encountered by the self in the context of change Awareness of these issues is most pronounced at developmental transitional points learning to talk and walk beginning to eat unassisted going to school developing secondary sexual physical features leaving home obtaining full time employment becoming engaged and then married having a child for the first time parenting an adolescent watching children move away from home retiring experiencing decline in physical and mental health and finally facing imminent death Throughout Balswick King and Reimer contend that since God has created human beings for relationship to be a self in reciprocating relationships is of major importance in negotiating these developmental issues Critically engaging social science research and theory The Reciprocating Self offers an integrated approach that provides insight helpful to college and seminary students as well as those serving in the helping professions Those preparing for or currently engaged in Christian ministry will be especially rewarded by the in depth discussion of the implications for moral and faith development nurtured in the context of the life of the church      Here I Am (Renewed Minds) Quentin J. Schultze, 2005-05-01 Struggling to discern God's call is not uncommon Many people wrestle with understanding what God has planned for them Here I Am solves part of the mystery by distinguishing between one's shared vocation and particular life stations Stations include jobs situations and relationships and they change often But vocation for Christians especially remains the same to apply faith as caretakers of God's world Here I Am explains how to be caring followers of

Jesus in every station of life It offers practical ways to strive for excellence celebrate leisure nurture community and cultivate a legacy This book is for students those seeking satisfaction in their work and anyone seeking a renewed sense of God s call They will discover how to care about and for the world participating in God s renewal of all things     **Proverbs & Ecclesiastes (Brazos Theological Commentary on the Bible)** Daniel J. Treier, 2011-07-01 Pastors and leaders of the classical church interpreted the Bible theologically believing Scripture as a whole witnessed to the gospel of Jesus Christ Modern interpreters of the Bible questioned this premise But in recent decades a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty first century In this addition to the well received series Daniel Treier offers theological exegesis of Proverbs and Ecclesiastes
