

A decorative wreath is centered in the image, set against a background of grey, textured stones. The wreath is composed of various materials: a large, multi-looped gold ribbon bow at the top center, several blue fabric leaves with white polka dots, and other fabric leaves in plaid and solid colors. A small, ornate metal lantern with intricate cutouts is positioned on the right side of the wreath. A rectangular wooden sign with a natural wood grain is placed horizontally across the middle of the wreath. The sign features the text "Faith, Family & Friends" in a black, elegant cursive script. The overall aesthetic is rustic and cozy, typical of autumn or winter home decor.

Little Sermons That I Have Seen Virgil R. Lee, 2024-10-25 In 1979 Virgil R Lee and his family moved to the Dawson Street United Methodist Church in Thomasville Georgia where he would serve as pastor The church newsletter that was mailed was printed on plain white bond paper which meant the front page was blank The author determined he d use the space not for some kind of advertisement or promotion but to say something inspiring and encouraging With that thought in mind he wrote the first article thinking about little sermons that I have seen and from 1979 to 1993 he wrote an article every week under that topic with only an occasional exception After 1993 when he became district superintendent of the Americus District of the United Methodist Church he began writing his messages monthly to coincide with the newsletter publication schedule of the district You ll enjoy the author s thoughtful meditations and God given wisdom on a variety of topics in Little Sermons That I Have Seen The Very Best, Hands-On, Kinda Dangerous Family Devotions, Volume 1 Tim

Shoemaker, 2019-05-21 As parents hoping to raise godly children we may understand the importance of regular family devotions However we may find it difficult to get our kids or even ourselves fully engaged But what if devotions looked less like sitting in the living room listening to someone read and trying to pry answers out of reluctant kids and more like say electrocuting a pickle Or converting a leaf blower into a toilet paper launcher Or lighting toothpaste on fire These hands on kinda dangerous totally unforgettable object lessons along with nearly fifty others are not only more fun than other family devotions they actually deliver the spiritual impact you desire for your kids They ll even get dads and any too cool for this stuff teens jazzed about a weekly family devotional time So put away the flannelgraph get out the safety goggles and start bringing the truths of Scripture to vivid life in your household Just remember to change out of your Sunday clothes first
